The timely delivery of all proposals submitted by facsimile transmission (FAX) must be in legible and complete form, signed by an authorized representative of the bidder(s), and shall be the sole responsibility of the bidder(s). The City shall not be responsible for any errors and/or delays in transmission and/or receipt of such bids, mechanical or technical failures or disruptions, or any omissions or irregularities in any bids submitted in such manner.

Prospective bidders who do not have a contract with Parity must call (212) 849-5021 to become a customer. By submitting an electronic bid for the Notes, a bidder represents and warrants to the City that such bidder's bid for the purchase of the Notes is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Notes.

The City is using Parity as a communications mechanism, and not as the City's agent, to conduct the electronic bidding for the City's Notes. The City is not bound by any advice or determination of Parity as to whether any bid complies with the terms of this Notice of Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Parity are the sole responsibility of the bidders, and the City is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Notes, it should telephone Parity and notify the City's Municipal Advisor, Capital

Markets Advisors, LLC at 516-570-0340 (provided that the City shall have no obligation to take any action whatsoever upon receipt of such notice).

If any provisions of this Notice of Sale shall conflict with information provided by Parity, as approved provider of electronic bidding services, the provisions of this Notice of Sale shall control. Further information about Parity, including any fee charged, may be obtained from Parity at (212) 849-5021. The time maintained by Parity shall constitute the official time with respect to all bids submitted.

The Notes are general obligations of the City and the faith and credit of such City are pledged for payment of the principal of and interest on such Notes. All the taxable real property in said City will be subject to the levy of ad valorem taxes, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended, sufficient to pay the principal of and interest on the Notes.

The Notes are being issued pursuant to the Constitution and statutes of the State, including among others, the General Municipal Law, the Local Finance Law, City Law and a bond resolution adopted by the City Council on September 20, 2016, authorizing the issuance of bonds to finance the design, planning and construction costs of one or more proposed new public works facilities. The proceeds from the sale of the Notes will be used to provide additional original financing for such project.

Bids must be made for all the Notes and must state in a multiple of one-hundredth or one-eighth of 1% a rate or rates of interest per annum which such Notes shall bear. Interest will be calculated on the basis of a 30-day month and 360-day year. The Notes will not be subject to prior redemption.

The Notes will be awarded and sold to the bidder complying with the terms of sale and offering to purchase the Notes at the lowest net interest cost, and if two or more such bidders offer the same lowest net interest cost, then to the one of said bidders selected by the Sale Officer by lot from among all said bidders.

The right is reserved by the City to award to any bidder all or any part of the Notes which such bidder offers to purchase. The right is also reserved to reject any or all bids and any bid not complying with the terms of this notice will be rejected.

Award of the Notes is expected to be made promptly after opening of the bids, but the successful bidder may not withdraw proposals until two (2) hours after the time set forth above on the day of such bid opening and then only if such award has not been made prior to the withdrawal. The Notes will be delivered and shall be paid for on or about the Date of Notes at such place and on such business day and at such hour, as the Commissioner of Finance of the City of New Rochelle (the "Sale Officer") and successful bidder shall mutually agree.

At the option of the purchaser, the Notes will be issued in (i) registered form registered in the name of the successful bidder(s) or (ii) registered book-entry form registered to Cede & Co., as the partnership nominee for The Depository Trust Company, New York, New York ("DTC").

If the Notes are issued in registered form registered in the name of a successful bidder, a single note certificate will be issued for those Notes bearing the same rate of interest in the aggregate principal amount awarded to such purchaser at such interest rate. Principal of and interest on such Notes will be payable in Federal Funds by the City, at such bank or trust company located and authorized to do business in the State of New York as selected by the successful bidder.

If the Notes are issued in book-entry form, such notes will be delivered to DTC, which will act as securities depository for the Notes. Beneficial owners will not receive certificates representing their interest in the Notes. Individual purchases may be made in denominations of \$100,000 or integral multiples thereof. A single note certificate will be issued for those Notes bearing the same rate of interest and CUSIP number in the aggregate principal amount awarded to such purchaser at such interest rate. Principal of and interest on said Notes will be paid in Federal Funds by the City to Cede & Co., as nominee for DTC, which will in turn remit such principal and interest to its participants for subsequent distribution to the beneficial owners of the Notes as described herein.

Transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The City will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

CUSIP identification numbers will be printed on the Notes if Bond Counsel is provided with such numbers by the close of business on the Sale Date of the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery and pay for the Notes in accordance with the terms hereof. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the City; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser. DTC is an automated depository for securities and a clearinghouse for securities transactions and will be responsible for establishing and maintaining a book-entry-only system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfer of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interests in the Notes may be made only through book entries made on the books and records of DTC (or a successor depository) and its participants.

The Notes will be delivered on or about August 10, 2021, at no cost to the purchaser, in New York, New York or otherwise as may be agreed with the purchaser; however, Notes issued in book-entry only form will be delivered to DTC. The purchase price of the Notes shall be paid in FEDERAL FUNDS or other funds available for immediate credit on said delivery date.

Any successful bidder may at its option refuse to accept the Notes if prior to their delivery the opinion of Bond Counsel is not delivered or, if any income tax law of the United States of America is hereafter enacted which shall provide that the interest thereon is taxable, or shall be taxable at a future date for Federal income tax purposes, and in any such case it will be relieved from its contractual obligation arising from the acceptance of its proposal.

The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Notes in order that interest on the Notes be and remain excludable from gross income under Section 103 of the Code. Concurrently with the delivery of the Notes, the City will execute a Tax Certificate, which will include, among other things, covenants relating to compliance with the requirements of the Code and a certification to the effect that the City will comply with the covenants set forth therein, and that it will take all actions on its part necessary to insure interest paid on the Notes is not to be included in the gross income of the owner thereof under Section 103 of the Code.

Upon delivery of the Notes, Bond Counsel will deliver an opinion that states that, under existing statutes and court decisions and assuming continuing compliance with the covenants set forth in the Tax Certificate, (i) interest on the Notes will be excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Code, and (ii) interest on the Notes will not be included in computing the Federal alternative minimum taxable income of the owner thereof.

In addition, the opinion of Bond Counsel will state that, under existing statutes, interest on the Notes is exempt from personal income taxes of New York State and its political subdivisions, including The City of New York.

THE NOTES WILL NOT BE DESIGNATED BY THE CITY AS "QUALIFIED TAX-EXEMPT OBLIGATIONS" PURSUANT TO THE PROVISIONS OF SECTION 265 OF THE CODE.

The successful bidder shall agree to comply with the requirements of Schedule A hereto relating to the establishment of the "issue price" of the Notes as defined for purposes of Section 148 of the Code.

As a condition to the purchaser's obligation to accept delivery of and pay for the Notes, the following documents, dated as of the date of the delivery of and payment for the Notes, will be available to the purchaser, without cost: (i) a certificate of the Commissioner of Finance certifying that to the Commissioner of Finance's knowledge, since the date of this Notice of Sale, there have been no material transactions not in the ordinary course of affairs entered into by the City and no material adverse changes in the general affairs of the City or in its financial condition; (ii) a Closing Certificate, constituting receipt for the Note proceeds and a signature certificate, which will include a statement that no litigation is pending or, to the knowledge of the signers, threatened affecting the Notes; (iii) a tax certificate executed on behalf of the City which includes, among other things, covenants, relating to compliance with the Internal Revenue Code of 1986 (the "Code"), with the owners of the Notes that the City will, among other things, (A) take all actions on its part necessary to cause interest on the Notes not to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Notes and investment earnings thereon, making required payments to the Federal government, if any, with regard to both the Notes and any obligations refunded with proceeds of the Notes, and maintaining books and records in a specified manner, where appropriate, and (B) refrain from taking any action which would cause interest on the Notes to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Notes

and investment earnings thereon on certain specified purposes; and (iv) the unqualified legal opinion as to the validity of the Notes of Norton Rose Fulbright US LLP, New York, New York, Bond Counsel.

CITY OF NEW ROCHELLE

By: /s/ Mark Zulli
Commissioner of Finance

Dated: July 20, 2021

SCHEDULE A TO THE NOTICE OF SALE

(a) The winning bidder shall assist the City in establishing the issue price of the Notes and shall execute and deliver to the City by closing an “issue price” certificate setting forth among other things the reasonably expected initial offering price of the Notes to the public, together with the supporting pricing wires or equivalent communications. The form of such issue price certificate is available by contacting Bond Counsel or the City’s municipal advisor, Capital Markets Advisors, LLC. All actions to be taken by the City under this Notice of Sale to establish the issue price of the Notes may be taken on behalf of the City by the City’s municipal advisor identified herein, and any notice or report to be provided to the City may be provided to the City’s municipal advisor.

(b) The City intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Notes) will apply to the initial sale of the Notes (the “competitive sale requirements”) because:

- (1) the City shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of the Notes to the bidder who submits a firm offer to purchase the Notes at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Notes, as specified in the bid.

(c) If the competitive sale requirements are not satisfied, the City shall so advise the winning bidder. In such event, unless the winning bidder is purchasing for its own account and not for resale, the City intends to treat the initial offering price to the public as of the sale date of each maturity of the Notes as the issue price of that maturity (the “hold-the-offering-price rule”). The City shall promptly advise the winning bidder, at or before the time of award of the Notes, if the competitive sale requirements were not satisfied, in which case the hold-the-offering-price rule shall apply to the Notes. Bids will not be subject to cancellation by the winning bidder if the competitive sale requirements are not satisfied and the hold-the-offering-price rule applies. If the winning bidder is purchasing the Notes for its own account and not for resale, then, whether or not the competitive sale requirements are met, the issue price certificate will recite such facts and identify the price or prices at which the purchase of the Notes was made.

(d) By submitting a bid, the winning bidder shall, unless it is purchasing all of the Notes for its own account and not for resale, (i) confirm that the underwriters have offered or will offer the Notes to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Notes, that the underwriters will neither offer nor sell unsold Notes of any maturity to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Notes to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the City when the underwriters have sold 10% of that maturity of the Notes to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(e) The City acknowledges that, in making the representation set forth above, the winning bidder may rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among

underwriters and the related pricing wires, (ii) if a selling group has been created in connection with the initial sale of the Notes to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) if an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Notes to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires.

(f) By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Notes of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Notes of that maturity or all Notes of that maturity have been sold to the public and (B) to comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, (ii) any agreement among underwriters relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Notes of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Notes of that maturity or all Notes of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires, and (iii) either (A) it is purchasing all of the Notes for its own account and without any present intention to sell, reoffer or otherwise dispose of the Notes or (B) it has an established industry reputation for underwriting new issuances of municipal bonds.

(g) Sales of any Notes to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this section of the Notice of Sale:

- (1) “maturity” means Notes with the same credit and payment terms; Notes with different maturity dates, or Notes with the same maturity date but different stated interest rates, are treated as separate maturities,
- (2) “public” means any person other than an underwriter or a related party,
- (3) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the public),
- (4) a purchaser of any of the Notes is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (5) “sale date” means the date that the Notes are awarded by the City to the winning bidder.
