Lease Assignment

Assignment of the Lease and related documents by the successful proposer shall be subject to the prior, written consent of the District. Specifications

Interest Rate The Lease Proposal must provide interest rate terms for a lease-purchase option to mature on July 26, 2037 and shall state the interest rates under any options at which the proposing firm will provide the District with financing under the Lease. The Proposal must also cite the index and margin used in establishing the interest rates cited.

Prepayment: The Proposal must state that District will have the right, at its option, to prepay the principal portion outstanding on the Lease, in whole or in part, at any time following 30 days written notice to the Lessor. The Proposal must disclose additional fees and terms, if any, that are required upon the execution of this prepayment right, in addition to interest payable. The Proposal must also disclose how such amounts are to be calculated in the event that the District exercises its right of partial or whole prepayment. The proposal shall include an option to prepay without penalty.

Lease Payments The District will make periodic payments to the Lessor under the Lease. The Lease shall separately state the principal and interest component of the periodic payments to be made thereunder. The total of these payments, which include both principal and interest components made by the District each year throughout the term of the Lease, shall result in substantially level or declining annual debt service (without taking into account projected State aid or annual energy savings). Debt service payments shall be detailed in an amortization schedule prepared by the proposer and provided to the District with its Proposal. For illustrative purposes, please assume a closing date of July 26, 2022 when developing an amortization schedule. Thereafter, debt service payments will be made semiannually in arrears on each July 26th and January 26th with the first debt service payment to be ***interest only due on July 26, 2023 and the first principal and interest payment to be on January 26, 2024***. Thereafter, semi-annual lease payments will be both principal and interest. Lessor shall provide a statement and thirty days notification prior to each payment due date.

The Proposal must state that the interest rate and other terms cited in the proposal will be *good through August 15, 2022*. The Lease shall not become effective until the delivery of funds.

Term The Lease-Purchase Agreement is scheduled to close no later than July 26, 2022 and mature on July 26, 2037.

Escrow Upon closing, it is anticipated that lease proceeds will be deposited in an escrow account to be utilized over the course of project construction (the "Project Fund"). The escrow provider must be a bank or trust company located and authorized to do business in New York State (the "Escrow Agent"). Investment and collateralization of the moneys in such fund will be solely at the direction of the District and must be in compliance with the New York State General Municipal Law Sections 10 and 11 as well as District investment policy. ***A copy of the District's Investment Policy is attached to this RFP.*** The Escrow Agent shall be an agent of the District. The Project Fund shall be free of any security interest of the Escrow Agent.

1. At the option of the District, the moneys in the Project Fund may be held uninvested in the Project Fund. If invested, the Escrow Agent shall invest amounts on deposit in the Project Fund solely at the written direction of an Authorized Officer of the District. All investments made shall be subject to the following conditions:
 - (a) Such obligations shall be payable or redeemable at the option of the owner within such times as the proceeds will be needed to meet expenditures for purposes for which the moneys were provided and, in the case of obligations purchased with the proceeds of bonds or notes, shall be payable or redeemable in any event, at the option of the owner, within two years of the date of purchase. Any obligation that provides for the adjustment of its interest rate on set dates shall be deemed to be payable or redeemable for purposes of this paragraph on the date on which the principal amount can be recovered through demand by the holder thereof.
 - (b) Such obligations, shall be registered or inscribed in the name of the District and shall be purchased through, delivered to and held in the custody of the Escrow Agent. Such obligations shall be purchased, sold or presented for redemption or payment by such Escrow Agent in obligations only in accordance with prior written authorization from an Authorized Officer. All such transactions shall be confirmed in writing to the District by the Escrow Agent.
2. All investments described above shall be made and ownership recorded in accordance with all applicable requirements of Section 10 and Section 11 of the General Municipal Law, including the required collateralization of escrow funds.
3. The Escrow Agent will expressly acknowledge that the Lessee is not authorized to invest in mutual funds registered with the Securities Act of 1933, as amended and operated in accordance with Rule 2a-7 of the Investment Company Act of 1940, as amended, including no-load money market mutual funds limited to investments in obligations of or guaranteed by the United States of America or in obligations guaranteed by agencies of the United States of America where the payment of principal and interest are guaranteed by the United States of America, or any similar mutual fund or other money market or liquid deposit investment vehicles.
4. Monies and investments in the Escrow Fund shall not be subject to levy, attachment or lien by or for the benefit of the Escrow Agent, or any creditor thereof.

Excess Proceeds In the event that there are excess proceeds available in the Project Fund at the end of the construction period, proceeds shall be transferred by the Escrow Agent to the Lessor and applied to the next succeeding lease payment and each lease payment thereafter until fully utilized. Such use of funds will not constitute lease prepayment and will not be subject to administrative fees or charges.

UCC Filing The District will not provide a legal description for each District property in connection with this financing. In the event the winning proposer requires this information for the purposes of making a fixture filing

pursuant to the applicable provisions of the Uniform Commercial Code, the winning proposer shall obtain such information at its own effort and expense.

Warranties All manufacturers' warranties, expressed or implied with respect to the Equipment acquired shall be assigned by the Lessor to the District.

Annual Appropriation The District's obligation to make lease payments is subject to appropriation each year by the Board of Education of the District.

Non-Funding/Executory Clause Pursuant to the General Municipal Law §109-b, and the Energy Law §9-103, the Lease-Purchase Agreement shall contain an executory clause which shall state that should payments not be appropriated by the District in any fiscal year; the District will not be obligated to pay the amounts due beyond the end of the last funded fiscal year and no liability on account thereof shall be incurred by the District beyond the amount of such monies. The financing contract is not a general obligation of the District. Neither the faith and credit nor the taxing powers of the District are pledged to the payment of any amount due or to become due under the financing contract. In the case of a failure to appropriate, the sole security under the Lease shall be the Equipment. Prior to the sale or seizure of such equipment, the District shall be provided adequate written notice, no less than ninety (90) days, to cure any default. Should such a sale or seizure take place there shall be no disruption to the District's operation to the extent possible. Any such sale or seizure must be conducted in conformity with all applicable law, including the New York Uniform Commercial Code.

Financing Documents Upon submission of the proposal and following notification of the award, the prospective Lessor must provide the District with a draft of its proposed financing documents, which will incorporate proposed terms and append sample documents provided with submission. Proposed financing documents and notification of credit approval for the transaction will be due no later than **June 29, 2022**. All financing documents are subject to modification by District counsel. Closing is subject to successful negotiation and approval of all documents by counsel to the District. The District reserves the right to rescind any award due to failure of successful negotiation of the parties to agree to the terms and conditions thereof and to recover its costs in connection therewith. Closing is subject to final approval by the District Board of Education by resolution. Unless otherwise provided by a duly adopted Resolution of the Board of Education, the prospective Lessor is advised that the President of the Board of Education is the sole authorized representative of the District for the purpose of signing financing documents.

Lease Termination Upon termination of a Lease through exercise of Lessee's option to prepay or through payment by Lessee of all Rental Payments and other amounts due with respect to such particular Equipment, Lessor's security interest in such Equipment shall terminate, and Lessor shall execute and deliver to Lessee such documents as Lessee may reasonably request to evidence the termination of Lessor's security interest in such Equipment.

Tax Status The Lease shall qualify as a tax-exempt lease financing, that is, the interest component of the Lease will be exempt from Federal, New York State and, where applicable, New York City taxation. The Lease-Purchase Agreement will **not** be designated as "bank qualified" pursuant to Section 265(b)(3) of the Internal Revenue Code. The District will not defend or hold the Lessor harmless from any adverse changes in the tax status of the transaction, after tax yield or cash flows resulting from changes in the Federal or State tax codes or regulations.

Credit Rating S&P Global Ratings currently maintains a "A-" rating with stable outlook on the District's outstanding general obligation debt. The District will not seek a rating for the Lease.

Binding Authority Each Proposal must be signed by an individual who is legally authorized to contractually bind the proposing firm.

Purchase Price and Certificate The Lessor must submit to the District a certificate (the "Issue Price Certificate"), satisfactory to Bond Counsel, prior to the delivery of the Agreement, assuming the Lessor does not reoffer the Agreement to the general public, which states that the Lessor has purchased the Agreement for its own account and not with a view to distribution or resale and not in the capacity of a bond house, broker or other intermediary, and

the price or prices at which such purchase was made, in such form and including such additional information as the District and Bond Counsel shall reasonably require.

Basis of Award

The District reserves the right, in its sole discretion, to reject any and all proposals, or any part thereof, received in response to this Request for Proposals, to re-solicit for new proposals, to waive formalities, to request additional information from any proposer, and to award and negotiate the terms of the contract with any proposer. The District intends to select the firm whose proposal is most advantageous to the District and meets the District's needs

for this lease-purchase agreement, and not necessarily the firm with the lowest cost proposal. In determining which proposal is most advantageous and in the District's best interests, the District will evaluate, among other things, the overall financing cost (inclusive of any interest and fees) to the District, optional redemption provisions, responsiveness of each proposal to the terms of this RFP and applicable law, the terms and conditions of the proposed agreement, experience and reputation of the proposer in the State of New York. The District will not have any liability to any proposer for any costs or expenses incurred in connection with your response to the request for proposals.

All proposals shall be signed by an individual legally authorized to bind the proposing firm and the signer's name shall also be typed or printed to or under the signature together with his/her title or designation.

Following receipt of the completed proposals, tentative notification will be made to the prospective Lessor whose response best meets the District's needs and otherwise appears to meet the basis for award. It is expected that a formal award will be made by the Board of Education at a meeting date to be determined in late July or early August, subject to and contingent upon final review of the Lease Purchase Agreement and all financing documents by the District's legal counsels. Note that the prospective Lessor must provide the District with a draft of its proposed financing documents, together with notification of credit approval in order for District officials to accept and grant final approval.

Tax Opinion

The successful proposer will be furnished without cost with the opinion as to tax exemption of the law firm of Hawkins Delafield & Wood LLP ("Bond Counsel"). The opinion of Bond Counsel shall contain statements to the effect that, in the opinion of said law firm, under existing statutes and court decision and assuming continuing compliance with certain tax certifications described in the Tax Certificate of the District, (i) the portion of the rental payment designated as and constituting interest paid by District and received by successful proposer during the term of the lease is excluded from successful proposer's gross income for federal income tax purposes under Section 103 of the Code; and (ii) such interest component is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code. The Tax Certificate of the District, which will be delivered concurrently with the delivery of the lease will contain provisions and procedures relating to compliance with applicable requirements of the Code.

Opinion of School Attorney

At closing, the District shall furnish a validity opinion of Guercio & Guercio, LLP ("School Attorney"), dated the closing date, including a statement to the effect that there is no controversy or litigation of any nature pending or threatened to restrain or enjoin the execution or delivery of the installment financing agreement.
