Date of Bonds: **November 4, 2025**

Maturity of Bonds: **November 1, 2026-2055, inclusive, as shown below.**

Sealed proposals will be received and considered at the place, time and date stated above for the purchase at not less than par plus accrued interest of the \$1,500,000 aggregate principal amount of serial bonds described herein. The bonds are entitled Public Improvement Serial Bonds, 2025 (the “Bonds”), and are general obligations of the Town of Putnam Valley (the “Town”), a municipal corporation of the State of New York, located in the County of Putnam.

The Bonds will be dated November 4, 2025, will be in denominations equal to each respective maturity, and will be numbered upward in order of maturity. Interest on the Bonds will be payable on November 1, 2026 and semi-annually thereafter on May 1 and November 1 in each year until maturity. The Bonds will mature on November 1 in each of the years and corresponding principal amounts, which are expected to provide substantially level debt service pursuant to paragraph d of Section 21.00 of the Local Finance Law, as follows:

<u>Maturity</u>	<u>Principal Amount</u>	<u>Maturity</u>	<u>Principal Amount</u>
2026	\$30,000	2041	\$45,000
2027	30,000	2042	50,000
2028	30,000	2043	50,000
2029	30,000	2044	55,000
2030	30,000	2045	55,000
2031	35,000	2046	55,000
2032	35,000	2047	60,000
2033	35,000	2048	65,000
2034	35,000	2049	65,000

2037	40,000	2052	75,000
2038	40,000	2053	80,000
2039	45,000	2054	85,000
2040	45,000	2055	85,000

The aggregate par amount of Bonds may be decreased in an amount not in excess of the premium offered by the successful bidder and the amount of each annual maturity, as set forth herein, may be adjusted to the extent necessary, in order that the total proceeds, which include the total par amount of the Bonds plus the original issue premium, if any, received by the Town does not exceed the maximum amount permitted under applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code"). The annual maturities of the Bonds may also be adjusted for the purpose of attaining debt service that is substantially level or declining, as provided pursuant to Section 21.00 of the New York State Local Finance Law. Such adjustments will be made within twenty-four (24) hours following the opening of the bids.

The Bonds of each maturity, as adjusted, will bear interest at the same rate and must have the same initial reoffering yields as specified for that maturity by the successful bidder for the Bonds. It is the intent of this provision to hold constant, on a per bond basis, the successful bidder's underwriting spread. However, the award will be made to the bidder whose bid produces the lowest true interest cost, calculated as specified herein, solely on the basis of the Bonds offered, without taking into account any adjustment in the amount of Bonds pursuant to this paragraph.

Bonds maturing on or before November 1, 2033 will not be subject to redemption prior to maturity. Bonds maturing on or after November 1, 2034 will be subject to redemption prior to maturity, at the option of the Town, in whole or in part, in any order of their maturity and in any amount within a maturity (selected by lot within a maturity), on any date on or after November 1, 2033, at par plus accrued interest to the date of redemption.

If less than all of the Bonds of any maturity are to be redeemed, the particular Bonds of such maturity redeemed shall be selected by lot in any customary manner of selection as determined by the Town Supervisor. Notice of such call for redemption shall be given by mailing such notice to the registered holder not more than sixty (60) days nor less than thirty (30) days prior to such date by regular United States mail. Notice of redemption having been given as aforesaid, the Bonds so called for redemption shall, on the date for redemption set forth in such call for redemption, become due and payable, together with interest to such redemption date. Interest shall cease to be paid thereon after such redemption date.]

The Bonds will be designated as "qualified tax-exempt obligations" pursuant to Section 265(b)(3) of the Code.

At the option of the purchaser, the Bonds will be issued in (i) certificated registered form registered in the name of the successful bidder with (1) one certificated bond for each maturity or (ii) registered book-entry-only form registered to Cede & Co. as the partnership nominee for The Depository Trust Company, New York, New York ("DTC"). Principal of and interest on such Bonds will be payable in Federal Funds by the Village to the registered owner.

If the Bonds will be issued in registered book-entry only form, the Bonds will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, in New York, New York (the "Securities Depository"), which will act as Securities Depository for the Bonds. Individual purchases of the Bonds will be made in book-entry form only in principal amounts of \$5,000 or integral multiples thereof. Purchasers of the Bonds will not receive certificates representing their ownership interest in the Bonds and ownership interest in the Bonds will be transferred pursuant to the book-entry system. Interest on the Bonds will be payable on November 1, 2026 and semi-annually thereafter on May 1 and November 1 in each year until maturity. Principal of and interest on the Bonds will be paid by the Town to the Securities Depository, which

will in turn remit such principal and interest to its Participants for subsequent distribution to the Beneficial Owners of the Bonds, as more fully described in the Official Statement accompanying this Notice of Sale. All capitalized terms used herein and not otherwise defined are defined in the Official Statement.

Pursuant to an agreement between the Securities Depository and the Town, the Securities Depository may discontinue its services by giving written notice to the Town. Upon such termination, the Town shall appoint a fiscal agent or the chief fiscal officer of the Town shall act as fiscal agent (the “Fiscal Agent”) and Beneficial Owners of the Bonds will receive registered certificates representing their ownership interest in the Bonds as more fully described in the Official Statement accompanying this Notice of Sale. In such case, principal of the Bonds when due will be payable upon presentation at the principal office of the Fiscal Agent. Interest on the Bonds will continue to be payable on November 1, 2026 and semi-annually thereafter on May 1 and November 1 in each year until the Bonds mature. Such interest will be payable by check drawn on the Fiscal Agent and mailed to the registered owner on each interest payment date at the address as shown on the registration books of the Fiscal Agent as of the last business day of the calendar month immediately preceding each such interest payment date.

The Bonds will be issued pursuant to the New York State Constitution and statutes of the State of New York, including, among others, the Local Finance Law, the Town Law and other proceedings and determinations relating thereto, including a serial bond resolution adopted by the Town Board on August 20, 2025. The proceeds of the Bonds will be used to finance certain improvements to the facilities serving the Town’s Roaring Brook Lake District.

The Bonds will be duly authorized, executed and issued in accordance with the New York State Constitution and statutes of the State of New York and will constitute valid and legally binding general obligations of the Town, for the payment of which the Town will have validly pledged its faith and credit, and all real property within the Town subject to taxation by the Town, will be subject to levy by the Town of ad valorem taxes, subject to certain statutory limitations imposed by Chapter 97 of the Laws of 2011, for payment of the principal of and interest on the Bonds. **See “Tax Levy Limit Law” in the Official Statement accompanying this Notice of Sale.**

The New York State Constitution requires the Town to pledge its faith and credit for the payment of the principal of and interest on the Bonds and to make annual appropriations for the amounts required for the payment of such principal and interest. The New York State Constitution also provides that if at any time the appropriating authorities fail to make the required appropriations for the annual debt service on the Bonds and certain other obligations of the Town, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied for such purpose and that the chief fiscal officer of the Town may be required to set apart and apply such revenues as aforesaid at the suit of any holder of such obligations.

Each bid must be for all of said \$1,500,000 serial bonds and may state a single rate of interest or different rates of interest for Bonds maturing in different calendar years; provided, however, that (i) only one rate of interest may be bid for all Bonds maturing in any one calendar year, (ii) the maximum difference between the highest and lowest rate of interest bid for the Bonds may not exceed four per centum per annum, and (iii) all rates of interest bid must be stated in a multiple of one eighth or one hundredth of one per centum per annum. Variation in interest may be in any order. Unless all bids are rejected, the award will be made to the bidder complying with

the terms of sale and offering to purchase the Bonds at the lowest true interest cost computed in accordance with the true interest cost method of calculation, that being the rate which, compounded semi-annually, is necessary to discount all principal and interest payments on the Bonds to the purchase price (par plus premium and accrued interest, if any) bid for the Bonds. The true interest cost computation should be made as of the date of delivery of the Bonds. If two or more such bidders offer to purchase the Bonds at the same lowest true interest cost computed as described above, the Bonds will be awarded to the one of said bidders whose bid offers to purchase the Bonds at the highest premium dollar amount, and if two or more such bidders offer to purchase the Bonds at the same premium dollar amount, to one of said bidders selected by the sale officer by lot from among said bidders or by allocation, in the manner directed by such sale officer. Notwithstanding the foregoing, the Town reserves the right after selecting the successful purchaser to adjust the above-stated installments of principal to the extent necessary to meet the requirements of substantially level debt service. Any adjustment shall be in the Town's sole discretion, conclusive and binding on the successful purchaser.

THE RIGHT IS RESERVED BY THE TOWN TO REJECT ANY OR ALL BIDS FOR ANY REASON, AND ANY BID NOT COMPLYING WITH THIS NOTICE OF SALE. WILL BE REJECTED. THE RIGHT IS FURTHER RESERVED, HOWEVER, FOR THE TOWN TO WAIVE ANY IRREGULARITY IN THE FORM OF ANY BID, IF, IN: THE JUDGMENT OF THE TOWN, SUCH WAIVER WOULD NOT MATERIALLY. AFFECT THE .INTEGRITY OF THE BIDDING PROCESS.

THE TOWN RESERVES THE RIGHT TO CHANGE THE TIME AND/OR DATE FOR THE OPENING OF THE BIDS AS DESCRIBED HEREIN. NOTICE OF SUCH CHANGE SHALL BE PROVIDED NOT LESS THAN ONE HOUR PRIOR TO THE TIME SET FORTH HEREIN FOR THE OPENING OF THE BIDS BY MEANS OF A SUPPLEMENTAL NOTICE OF SALE TRANSMIITED OVER THE TM3.

Each bid must either (i) be addressed to the undersigned Town Supervisor, c/o Capital Markets Advisors, LLC, 11 Grace Avenue, Suite 308, Great Neck, New York 11021 and should be marked on the outside "Proposal for Town of Putnam Valley, New York Public Improvement Serial Bonds, 2025", or (ii) be received via facsimile transmission, or (iii) be submitted electronically via Parity. No other form of electronic bidding service nor telephone proposals will be accepted. Once the proposals are communicated electronically via Parity or via facsimile, each bid will constitute an irrevocable offer to purchase the bonds pursuant to the terms therein provided.

Prospective bidders wishing to submit an electronic bid via Parity must be contracted customers of Parity. Prospective bidders who do not have a contract with Parity must call (212) 849-5021 to become a customer. By submitting an electronic bid for the bonds, a bidder represents and warrants that such bidder's bid for the purpose of the Bonds is submitted for and on behalf of such prospective bidder by an offer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Bonds.

Each prospective bidder who wishes to submit electronic bids shall be solely responsible to register to bid via Parity. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Town nor Parity shall have

any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the Town nor Parity shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Parity. The Town is using Parity as a communications mechanism, and not as the Town's agent, to conduct the electronic bidding for the Town's bonds. The Town is not bound by any advice or determination of Parity as to whether any bid complies with the terms of this Notice of Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Parity are the sole responsibility of the bidders, and the Town is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Bonds, it should telephone Parity and notify the Town's municipal advisor, Capital Markets Advisors, LLC, at (516) 487-9817, (provided that the Town shall have no obligation to take any action whatsoever upon receipt of such notice).

If any provisions of this Notice of Sale shall conflict with information provided by Parity, as approved provider of electronic bidding services, the provisions of this Notice of Sale shall control. Further information about Parity, including any fee charged, may be obtained from Parity at (212) 848-5021. The time maintained by Parity shall constitute the official time with respect to all bids submitted.

In the event that prior to the delivery of the Bonds the interest income from obligations of the same type and character received by the holders thereof shall be taxable by the terms of any Federal income tax law, the successful bidder may, at its election, be relieved of its obligation to purchase the Bonds.

If the Bonds qualify for the issuance of any policy of municipal bond insurance or commitment therefor, the purchase of any such insurance policy or the issuance of any such commitment shall be at the sole expense of the purchaser of the Bonds and any increased costs of issuance of the Bonds resulting by reason of the same; including, without limitation, the cost of obtaining a rating on the Bonds from a nationally recognized rating agency, unless otherwise paid, shall be paid by the purchaser. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not constitute cause for a failure or refusal by the purchaser of the Bonds to accept delivery of and pay for the Bonds.

The Bonds will be delivered at New York, New York, or at such other place as may be agreed upon with the purchaser, on or about November 4, 2025, against payment in Federal Funds to the Town, in an amount equal to the par value of the Bonds, plus the premium bid, if any, plus accrued interest, if any, from the date of the Bonds to the day of delivery and payment therefor.

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for the Bonds. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the Town; provided, however, that the CUSIP Service Bureau charge for the assignment of such numbers shall be the responsibility of and shall be paid by the purchaser.

The purchaser of the Bonds will also be furnished, without cost, in form satisfactory to Bond Counsel, (a) a certificate evidencing execution, delivery and receipt of payment for the Bonds; (b) a certificate dated the date of the Bonds and executed by the officer of the Village who executed the Bonds on behalf of the Village, stating that (i) no litigation is then pending or, to the knowledge of

such officer, threatened to restrain or enjoin the issuance or delivery of the Bonds, (ii) the statements contained in the Official Statement relating to the Bonds, on the date thereof and on the date of delivery of and payment for the Bonds, were and are true in all material respects and did not, and do not, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading, and (iii) no authority or proceedings for the issuance of the Bonds have been repealed, rescinded or revoked; (c) an arbitrage and use of proceeds certificate executed by the Village Treasurer; (d) a continuing disclosure agreement executed by the Village Treasurer for purposes of Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"), promulgated by the Securities and Exchange Commission, as described below; and (e) an approving opinion as to the validity of the Bonds of Harris Beach Murtha Culina PLLC, New York, New York, Bond Counsel. Reference is hereby made to the Official Statement relating to the Bonds for a description of the scope of the Bond Counsel's engagement in relation to the issuance of the Bonds and the matters covered by such legal opinion. Furthermore, reference should be made to the information under the headings "TAX MATTERS" and "LEGAL MATTERS" in the Official Statement.

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Bonds, is a good faith offer which the bidder believes reflects current market conditions, and is not a "courtesy bid" being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the "issue price" of the Bonds pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the "Competitive Sale Requirements"). Capital Markets Advisors, LLC, as the Town's municipal advisor, will advise the winning bidder if the Competitive Sale Requirements were met at the same time it notifies the winning bidder of the award of the Bonds. Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.

The winning bidder shall, within one (1) hour after being notified of the award of the Bonds, advise Capital Markets Advisors, LLC, as the Town's municipal advisor, by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Bonds (the "Initial Reoffering Prices") as of the date of the award. By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Bonds for its own account and not with a view to distribution or resale to the public) that if ten percent of each maturity of the Bonds (as hereinafter defined) is not sold on the Sale Date and if the Competitive Sale Requirements are not met, it will elect and satisfy either option (1) or option (2) described below. Such election must be made on the bid form submitted by each bidder.

For purposes of the "hold the price" or "follow the price" requirement described below, a "maturity" refers to Bonds that have the same interest rate, credit and payment terms.

(1) Hold the Price. The winning bidder:

(a) will make a bona fide offering to the public of all of the Bonds at the Initial Reoffering Prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell to any person any Bonds within a maturity at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the

earlier of (i) the date on which the winning bidder has sold to the public at least ten percent of the Bonds of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such maturity or (ii) the close of business on the 5th business day after the date of the award of the Bonds, and

(c) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Bonds as set forth above.

(2) Follow the Price. The winning bidder:

(a) will make a bona fide offering to the public of all of the Bonds at the Initial Reoffering Prices and provide the Town with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the Town information regarding the actual prices at which at least ten percent of the Bonds within each maturity of the Bonds have been sold to the public,

(c) will provide the Town with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Bonds, will continue until such date that ten percent of each maturity of the Bonds has been sold to the public, and

(d) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to the Town a certificate (the "Underwriter's Certificate"), satisfactory to Bond Counsel, prior to the delivery of the Bonds stating the applicable facts as described above. The form of Underwriter's Certificate is available by contacting Bond Counsel or the Capital Markets Advisors, LLC, as the Town's municipal advisor.

If the winning bidder has purchased the Bonds for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Issue Price Certificate will recite such facts and identify the price or prices at which the purchase of the Bonds was made.

For purposes of this Notice, the "public" does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Bonds to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any "derivative products" (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Bonds.

Following the sale of the Bonds, the successful bidder will be required to provide to the Town certain information regarding the reoffering price to the public of each maturity of the Bonds. The successful bidder shall furnish to the Town a certificate as outlined above.

THE TOWN, ITS MUNICIPAL ADVISOR AND BOND COUNSEL WILL BE RELYING ON THE CONTENTS OF THE UNDERWRITER'S CERTIFICATE IN DETERMINING THE ARBITRAGE YIELD ON THE BONDS.

The Official Statement accompanying this Notice of Sale will be made available to prospective purchasers of the Bonds for review prior to sale. The Official Statement is deemed near final by the Town pursuant to paragraph (b)(1) of the Rule, omitting the (i) yield, interest rate and any premium offered on the Bonds; and (ii) the name of the successful bidder and their compensation with respect to the Bonds. Such information will be supplied when the Official Statement is updated following the sale of the Bonds, as required by the Rule. The Town or Capital Markets Advisors, LLC, the Town's municipal advisor for the issuance of the Bonds, will make the requested number of copies of the Official Statement available on the date and at the place designated by the winning bidder upon its request. Otherwise, the Town, and Capital Markets Advisors, LLC, acting on behalf of the Town, assume no responsibility and have not and will not incur any duty to comply with any provision of the Rule regarding the availability or distribution of the Official Statement to investors.

The population of the Town is estimated to be 11,722. The average full valuation of real property subject to taxation by the Town as of October 7, 2025 is \$2,268,935,618, its debt limit is \$158,825,493 and its net indebtedness (exclusive of the Bonds) is \$9,584,000. The issuance of the Bonds will increase the Town's net indebtedness by \$1,500,000. Concurrently with the issuance of the Bonds, the Town will be issuing a \$1,550,000 Bond Anticipation Notes, 2025C dated November 4, 2025, the proceeds of which will redeem prior obligations of the Town.

For purposes of the Rule, the Town is the only "obligated person" with respect to the Bonds and will make an agreement, as described in the Official Statement, to provide or cause to be provided (i) upon request, certain annual financial information and operating data (the "Annual Information") for the preceding fiscal year, (ii) timely notice of the occurrence of certain material events with respect to the Bonds, and (iii) timely notice of any failure by the Town to provide the Annual Information with respect to itself, upon such request, within the time specified in that agreement (the "Undertaking"). The Official Statement contains a complete description of the Undertaking.
