Sealed, telephone or faxed proposals and proposals via iPreo's Electronic Bid Submission System ("Parity") will be received at the place and time on the Sale Date by the City Clerk/Treasurer, or her designated agent (the "Sale Officer"), as herein indicated, for the purchase at not less than par and accrued interest of the Notes. Bidders submitting proposals via facsimile must use the "Proposal for Notes" form attached hereto.

The timely delivery of all proposals submitted by facsimile transmission (FAX) in legible and completed form signed by an authorized representative of the bidder, shall be the sole responsibility of the bidder. The City of North Tonawanda, Niagara County, New York (the "City") shall not be responsible for any errors and/or delays in the transmission and/or receipt of such bids, mechanical or technical failures or disruptions, or any omissions or irregularities in any bids submitted in such manner.

Proposals may be submitted in accordance with this Notice of Sale until the time specified herein. No proposal will be accepted after the time for receiving proposals specified above. Any proposal received by the time for receiving proposals specified herein, which have not been modified or withdrawn by the bidder, including those communicated electronically via Parity, shall constitute an irrevocable offer to purchase the Notes pursuant to the terms herein and therein provided. Bidders shall not submit a bid that modifies the terms contained in this Notice of Sale or adds additional conditions not set forth in the Notice of Sale.

Said Notes are general obligations of the City and the faith and credit of such City are pledged for payment of the principal of and interest on such Notes. All the taxable real property in said City will be subject to the levy of ad valorem taxes, sufficient to pay the principal of and interest on such Notes subject to certain applicable statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended (see "TAX INFORMATION - Tax Levy Limitation Law" within Appendix A of the Preliminary Official Statement, dated April 22, 2026, accompanying this Notice of Sale). The Notes will not be subject to redemption prior to maturity. Interest will be calculated on a 30-day month and a 360-day year basis, payable at maturity.

At the option of the purchaser, the Notes will be issued in (i) registered form registered in the name of the successful bidder or (ii) registered book-entry form registered in the name of Cede & Co., as the partnership nominee for The Depository Trust Company ("DTC"). The purchaser must notify Bond Counsel by 2:00 P.M., Prevailing Time, on the Sale Date of the Notes whether the Notes will be issued in registered non book-entry form or book-entry form.

If the Notes are issued in book-entry form, such notes ("DTC Notes") will be delivered to DTC, which will act as Securities Depository for the DTC Notes. Beneficial owners will not receive certificates representing their interest in the DTC Notes. Individual purchases may be made in denominations of \$5,000 or integral multiples thereof, except for one necessary odd denomination. A single note certificate will be issued for those DTC Notes bearing the same rate of interest and CUSIP number in the aggregate principal amount awarded to such purchaser at such interest rate. Principal of and interest on said DTC Notes will be paid in Federal Funds by the City to Cede & Co., as nominee for DTC, which will in turn remit such principal and interest to its participants for subsequent distribution to the beneficial owners of the DTC Notes as described herein. Transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The City will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

If the Notes are registered in the name of the successful bidder, a single note certificate will be issued for those Notes bearing the same rate of interest in the aggregate principal amount awarded to such purchaser at such interest rate. Principal of and interest on such Notes will be payable in Federal Funds by the City, at such bank or trust company located and authorized to do business in the State of New York as selected by the successful bidder.

Bids may be made for all or a portion of the Notes (\$5,000,000 minimum) and must state a single rate of interest therefor in a multiple of 1/100th or 1/8th of one per centum per annum. Conditional bids will be rejected.

Prospective bidders wishing to submit an electronic bid via Parity must be contracted customers of Parity. Prospective bidders who do not have a contract with Parity must call (212) 849-5021 to become a customer. By submitting an electronic bid for the Notes, a bidder represents and warrants to the City that such bidder's bid for the purchase of the Notes is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Notes.

Each prospective bidder who wishes to submit an electronic bid shall be solely responsible to register to bid via Parity. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the City nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the City nor Parity shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Parity. The City is using Parity as a communications mechanism, and not as the City's agent, to conduct the electronic bidding for the City's Notes. The City is not bound by any advice or determination of Parity as to whether any bid complies with the terms of this Notice of Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Parity are the sole responsibility of the bidders, and the City is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Notes, it should telephone Parity and notify the City's Municipal Advisor, Capital Markets Advisors, LLC at (716) 662-3910 (provided that the City shall have no obligation to take any action whatsoever upon receipt of such notice).

If any provisions of this Notice of Sale shall conflict with information provided by Parity, as approved provider of electronic bidding services, this Notice of Sale shall control. Further information about Parity, including any fee charged, may be obtained from Parity at (212) 849-5021. The time maintained by Parity shall constitute the official time with respect to all bids submitted.

The Notes will be awarded to the bidder complying with the terms of this Notice of Sale and offering to purchase the Notes at the lowest net interest cost, that being the rate of interest which will produce the least interest cost over the life of the Notes, after accounting for the premium offered, if any; provided, however, that if two or more bidders offer to purchase the Notes at the same lowest net interest cost, then such award will be made to one of said bidders selected by lot or by another customary method from among all said bidders.

The right is reserved by the City to award to any bidder all or any part of the Notes which such bidder offers to purchase and, in such event, the premium, if any, specified by such bidder will be pro-rated. In any event, award of the Notes will be made on the basis of the bid or combination of bids offering to purchase the Notes on terms most favorable to the City.

The right is also reserved to reject any or all bids and any bid not complying with the terms of this Notice of Sale will be rejected.

Award of the Notes is expected to be made promptly after opening of the bids, but the successful bidder may not withdraw proposals until two hours after the time set forth above on the day of such bid opening and then only if such award has not been made prior to the withdrawal. The Notes will be delivered and shall be paid for on or about the Date of Issue at such place and on such business day and at such hour, as the Sale Officer and successful bidder shall mutually agree.

CUSIP identification numbers will be printed on the Notes if Bond Counsel is provided with such numbers by the close of business on the Sale Date of the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery and pay for the Notes in accordance with the terms hereof. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the City; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

DTC is an automated depository for securities and a clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry-only system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfer of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interests in the Notes may be made only through book entries made on the books and records of DTC (or a successor depository) and its participants. Said Notes will be delivered to DTC on or about May 14, 2026, at no cost to the purchaser. The purchase price of said Notes shall be paid in FEDERAL FUNDS or other funds available for immediate credit on said delivery date. The City will act as Paying Agent for the Notes.

As a condition to each purchaser's obligation to accept delivery of and pay for the Notes, such purchaser will be furnished, without cost, the following, dated as of the date of the delivery of and payment for said Notes: (i) a certificate of the City Clerk/Treasurer certifying that (a) as of the date of the final Official Statement furnished by the City in relation to said Notes, said final Official Statement did not contain any untrue statements of material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, subject to the condition that while information in said final Official Statement obtained from sources other than the City is not guaranteed as to accuracy, completeness or fairness, she has no reason to believe and does not believe that such information is materially inaccurate or misleading, and (b) to her knowledge, since the date of said final Official Statement, there have been no material transactions not in the ordinary course of affairs entered into by the City and no material adverse changes in the general affairs of the City or in its financial condition as shown in said final Official Statement other than as disclosed in or contemplated by said final Official Statement; (ii) a Closing Certificate, constituting a receipt for the Note proceeds and a signature certificate, which will include a statement that no litigation is pending, or to the knowledge of the signers, threatened affecting the Notes; (iii) an arbitrage and use of proceeds certificate executed on behalf of the City which will include, among other things, covenants, relating to compliance with the Internal Revenue Code of 1986, as amended, (the "Code"), with the owners of the Notes that the City will, among other things, (A) take all actions on its part necessary to cause interest on the Notes to be excluded from the gross income of the owners thereof for Federal income tax purposes, including without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Notes and investment earnings thereon, making required payments to the Federal Government, if any, and maintaining books and records in a specified manner, where appropriate, and (B) refrain from taking any action which would cause interest on the Notes to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Notes and investment earnings thereon on certain specified purposes; (iv) an Undertaking to Provide Notice of Material Events, executed by the City Clerk/Treasurer, as described below; (v) the approving legal opinion as to the validity of the Notes of Harris Beach Murtha Cullina PLLC, Pittsford, New York, Bond Counsel to the City. Reference should be made to said Official Statement for a description of the scope of Bond Counsel's engagement in relation to the issuance of the Notes and matters covered by such legal opinion. Furthermore, reference should be made to the information under the headings "LEGAL MATTERS" and "TAX MATTERS" in the Official Statement.

The Notes **will not** be designated by the City as "qualified tax-exempt obligations" pursuant to the provisions of Section 265(b)(3) of the Code.

Obligation of Winning Bidder to deliver an Issue Price Certificate at Closing

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Notes, is a good faith offer which the bidder believes reflects current market conditions, and is not a "courtesy bid" being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the "issue price" of the Notes pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have

established industry reputations for underwriting new issuances of municipal bonds (the “Competitive Sale Requirements”). Capital Markets Advisors, LLC, as the Municipal Advisor to the City (the “Municipal Advisor”) will advise the winning bidder(s) if the Competitive Sale Requirements were met at the same time it notifies the winning bidder(s) of the award of the Notes. Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.

The winning bidder(s) shall, within one (1) hour after being notified of the award of the Notes, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of the Notes (the “Initial Reoffering Price”) as of the date of the award.

By submitting a bid, the winning bidder(s) agrees (unless the winning bidder is purchasing the Notes for its own account and not with a view to distribution or resale to the public (as defined below)) that if the Competitive Sale Requirements are not met, it will elect and satisfy either option (1) or option (2) described below. **Such election must be made on the bid form submitted by each bidder.**

(1) Hold the Price. The winning bidder(s):

(a) will make a bona fide offering to the public of all of the Notes at the Initial Reoffering Price and provide the Municipal Advisor and Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell the Notes to any person at a price that is higher, or a yield that is lower, than the Initial Reoffering Price until the earlier of (i) the date on which the winning bidder has sold to the public at least 10 percent of the Notes at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price or (ii) the close of business on the 5th business day after the date of the award of the Notes, and

(c) has or will include within any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the winning bidder or another member of any underwriting syndicate established by the winning bidder for the Notes is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires language obligating each underwriter to comply with the limitations on the sale of the Notes as set forth above.

(2) Follow the Price. The winning bidder(s):

(a) will make a bona fide offering to the public of the Notes at the Initial Reoffering Price and provide the Municipal Advisor and Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the Municipal Advisor and Bond Counsel information regarding the actual prices at which at least 10 percent of the Notes have been sold to the public,

(c) will provide the Municipal Advisor and Bond Counsel with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Notes, will continue until such date that 10 percent of the Notes has been sold to the public, and

(d) has or will include within any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the winning bidder or another member of any underwriting syndicate established by the winning bidder for the Notes is a party) relating to the initial sale of the Notes to the public and in the related pricing wire, language obligating each underwriter to comply with the reporting requirement described above.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to City a certificate (the “Reoffering Price Certificate”), satisfactory to Bond Counsel, prior to the delivery of the Notes stating the applicable facts as described above. The form of Reoffering Price Certificate is available by contacting Bond Counsel or the Municipal Advisor.

If the winning bidder has purchased the Notes for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Reoffering Price Certificate will recite such facts and identify the price or prices at which the purchase of the Notes was made.

For purposes of this Notice of Sale, the following terms shall have the following meanings:

(A) the “public” means any person other than an underwriter or a related party (as defined below) to an underwriter;

(B) an “underwriter” means (i) the winning bidder (unless the winning bidder is purchasing the Notes for its own account and not with a view to distribution or resale to the public), (ii) any person that agrees pursuant to a written contract with the winning bidder to form an underwriting syndicate to participate in the initial sale of the Notes to the public, and (iii) any person that agrees pursuant to a written agreement with either the winning bidder or any other member of an underwriting syndicate for the Notes to participate in the initial sale of the Notes to the public (such as a third-party distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Notes to the public); and

(C) a “related party” means an entity that shares with another entity (i) more than fifty percent (50%) common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than fifty percent (50%) common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than fifty percent (50%) common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Notes.

A Preliminary Official Statement has been prepared and disseminated by the City. The Preliminary Official Statement is in a form “deemed final” by the City for purposes of Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”) but is subject to (a) completion with certain price and other information to be made available by the successful bidder for the Notes and (b) amendment. The Preliminary Official Statement, as so revised, will constitute the “final Official Statement”. In order to assist bidders in complying with Rule and as part of the City’s contractual obligation arising from its acceptance of the successful bidder’s proposal, at the time of the delivery of the Notes the City will provide an executed copy of its “Undertaking to Provide Notice of Events.” Said undertaking will constitute a written agreement or contract of the City for the benefit of holders of and owners of beneficial interests in the Notes, to provide to the Electronic Municipal Market Access (“EMMA”) System implemented by the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Securities Exchange Act of 1934, or any successor thereto, notice of the occurrence of certain material events, as enumerated in the Rule.

The City will provide a reasonable number of Official Statements to each successful bidder within five (5) business days following receipt of a written request therefor made to the City and its Municipal Advisor. Such request may specify the applicable (a) offering price(s), (b) selling compensation, (c) rating(s), (d) credit enhancement, and (e) identity and complete name of such bidder and any participating underwriters, and if so, the Official Statement will be modified or supplemented by the information so specified. Neither the City nor its Municipal Advisor shall be liable in any manner for any delay, inaccuracy, or omission on the part of any successful bidder with respect to such request, nor shall the City’s failure, as a result thereof, to provide the Official Statement (whether or not modified or supplemented) within the above time period, constitute cause for a failure or refusal by such bidder to accept delivery of and pay for the Notes in accordance with the terms hereof.

Copies of the Notice of Sale and the Official Statement may be obtained from the offices of Capital Markets Advisors, LLC, telephone number (716) 662-3910.
