TIME: 11:15 AM **FACSIMILE:** (716) 662-6684
(Prevailing Time)
PLACE OF SALE: Capital Markets Advisors, LLC (the "Municipal Advisor")
4211 North Buffalo Road, Suite 19
Orchard Park, New York 14127
DATE OF NOTES: May 14, 2026
MATURITY DATE: May 14, 2027

Sealed, telephone or faxed proposals and proposals via iPreo's Electronic Bid Submission System ("Parity") will be received at the place and time on the Sale Date by the Village Treasurer, or her designated agent (the "Sale Officer"), as herein indicated, for the purchase, at not less than par, of the Notes. No other form of electronic bidding service bids will be accepted. The number for telephone proposals is (716) 662-3910. The number for FAX proposals is (716) 662-6684. Bidders submitting proposals via facsimile must use the "Proposal for Notes" form attached hereto.

Proposals may be submitted in accordance with this Notice of Sale until the time specified herein. No proposal will be accepted after the time for receiving proposals specified above. Any proposal received by the time for receiving proposals specified herein, which has not been modified or withdrawn by the bidder, including those communicated electronically via Parity, shall constitute an irrevocable offer to purchase the Notes pursuant to the terms herein and therein provided. Bidders shall not submit a bid that modifies the terms contained in this Notice of Sale or adds additional conditions not set forth in the Notice of Sale.

The Notes are being issued pursuant to the Constitution and Laws of the State, including among others, the Village Law and the Local Finance Law, and pursuant to various bond resolutions that were duly adopted by the Village Board of Trustees on their respective dates, authorizing the issuance of serial bonds (and notes in anticipation thereof) for various capital projects in and for the Village (collectively, the "Project"). A portion of the Notes, along with \$831,420 of budgetary appropriations of the Village will be used to redeem and renew, in part, \$11,365,000 of bond anticipation notes that were issued on May 15, 2025. A portion of the Notes will provide \$699,600 of new money financing. The projects so financed are more particularly described in the Official Statement accompanying this Notice of Sale.

The Notes are general obligations of the Village, and the faith and credit of the Village are pledged for payment of the principal of and interest on the Notes. Unless paid from other sources, all the taxable real property in the Village will be subject to the levy of *ad valorem* taxes, without limitation as to rate or amount, sufficient to pay the principal of and interest on the Notes (subject to certain statutory limitations imposed by Chapter 97 of the 2011 Laws of New York). The Notes will not be subject to redemption prior to maturity. Interest will be calculated on a 30-day month and a 360-day year basis and will be payable at maturity.

The Notes **will not** be designated by the Village as "qualified tax-exempt obligations" pursuant to the provisions of Section 265 of the Internal Revenue Code of 1986, as amended (the "Code").

The Notes will be issued as registered notes and, at the option of the purchaser, may be registered to the Depository Trust Company ("DTC" or the "Securities Depository") or may be registered in the name of the purchaser.

To the extent that the Notes will be issued through DTC, the Notes will be registered in the name of Cede & Co., as nominee of DTC in New York, New York, which will act as Securities Depository for the Notes. Individual purchases will be made in

book-entry-only form, in the principal amount of \$5,000 or integral multiples thereof, except for one Note of an odd denomination, as may be determined by the successful bidder(s). Purchasers of the Notes will not receive certificates representing their ownership interest in the Notes. Payments of principal of and interest on the Notes will be made by the Village to DTC, which will in turn remit such principal and interest to its Participants, for subsequent distribution to the Beneficial Owners of the Notes.

The deposit of the Notes with DTC under a book-entry system requires the assignment of CUSIP numbers prior to delivery. It shall be the responsibility of the Municipal Advisor to apply for assignment of CUSIP numbers within one business day after the dissemination of this Notice of Sale. The Village will not be responsible for any delay occasioned by the inability to deposit the Notes with DTC due to the failure to obtain such numbers and to supply them to the Village in a timely manner. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the Village; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the successful bidder.

To the extent that the Notes are registered in the name of the purchaser, principal of and interest on the Notes will be payable in federal funds at such bank or trust company located and authorized to do business in the State of New York as may be selected by the successful bidder. In such case, the Notes will be issued in registered form in denominations of \$5,000 or integral multiples thereof, except for one Note of an odd denomination, as may be determined by the successful bidder(s).

Bids may be made for a portion (\$5,000,000 minimum) of the Notes and must state in a multiple of one-hundredth or one-eighth of 1% a rate of interest per annum which the Notes shall bear.

Prospective bidders wishing to submit an electronic bid via Parity must be contracted customers of Parity. Prospective bidders who do not have a contract with Parity must call (212) 849-5021 to become a customer. By submitting an electronic bid for the Notes, a bidder represents and warrants to the Village that such bidder's bid for the purchase of the Notes is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Notes.

Each prospective bidder who wishes to submit an electronic bid shall be solely responsible to register to bid via Parity. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Village nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the Village nor Parity shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by Parity. The Village is using Parity as a communications mechanism, and not as the Village's agent, to conduct the electronic bidding for the Village's Notes. The Village is not bound by any advice or determination of Parity as to whether any bid complies with the terms of this Notice of Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Parity are the sole responsibility of the bidders, and the Village is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Notes, it should telephone Parity and notify the Village's Municipal Advisor, Capital Markets Advisors, LLC at (716) 662-3910 (provided that the Village shall have no obligation to take any action whatsoever upon receipt of such notice).

If any provisions of this Notice of Sale shall conflict with information provided by Parity, as approved provider of electronic bidding services, this Notice of Sale shall control. Further information about Parity, including any fee charged, may be obtained from Parity at (212) 849-5021. The time maintained by Parity shall constitute the official time with respect to all bids submitted.

The Notes will be awarded to the bidder complying with the terms of this Notice of Sale and offering to purchase the Notes at the lowest net interest cost, that being the rate of interest which will produce the least interest cost over the life of the Notes, after accounting for the premium offered, if any; provided, however, that if two or more bidders offer to purchase the Notes at the same lowest net interest cost, then such award will be made to one of such bidders selected by the Sale Officer by lot or by another customary method from among all such bidders.

The right is reserved by the Village to award to any bidder all or any part of the Notes which such bidder offers to purchase and, in such event, the premium, if any, specified by such bidder will be pro-rated. In any event, award of the Notes will be made on the basis of the bid or combination of bids offering to purchase the Notes on terms most favorable to the Village.

The right is also reserved to reject any or all bids (if such action is deemed by the Sale Officer to be in the best interests of the Village) and any bid not complying in all material respects with the terms of this notice may be rejected.

Award of the Notes is expected to be made promptly after opening of the bids, but the successful bidder may not withdraw proposals until two hours after the time set forth above on the day of such bid opening and then only if such award has not been made prior to the withdrawal. The Notes will be delivered and shall be paid for on the Date of Notes at such place and at such hour as the Sale Officer and successful bidder shall mutually agree.

If the Notes will be issued as registered to DTC, CUSIP identification numbers will be printed on the Notes if Bond Counsel is provided with such numbers by the close of business on the Sale Date of the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery and pay for the Notes in accordance with the terms hereof. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the Village; provided, however, that the CUSIP Service Bureau charge for the assignment of such numbers shall be the responsibility of and shall be paid for by the purchaser.

Each successful bidder will be furnished without cost with the approving opinion of the law firm of Lippes Mathias LLP, Buffalo, New York ("Bond Counsel"), to the effect that the Notes are valid and legally binding general obligations of the Village for which the Village has validly pledged its faith and credit and, unless paid from other sources, all the taxable real property within the Village is subject to the levy of ad valorem real estate taxes to pay the Notes and the interest thereon without limitation of rate or amount. Said opinion shall also contain further statements to the effect that (a) the power of the Village to levy unlimited real estate taxes on all the real property within the Village to pay debt service may be subject to the statutory limitations imposed by Chapter 97 of the Laws of 2011 (General Municipal Law 3-c), depending upon the interpretation of such statute by a court of competent jurisdiction in the event of a legal change, (b) the enforceability of rights or remedies with respect to such Notes may be limited by bankruptcy, insolvency, or other laws affecting creditors' rights or remedies heretofore or hereafter enacted, and (c) said law firm has not been requested to examine or review and has not examined or reviewed the accuracy or sufficiency of the Official Statement of the Village relating to the Notes, or any additional proceedings, reports, correspondence, financial statements or other documents, containing financial or other information relative to the Village which have been or may be furnished or disclosed to purchasers of the Notes, and expresses no opinion with respect to such financial or other information, or the accuracy or sufficiency thereof.

Any successful bidders may at its option refuse to accept the Notes if prior to their delivery the Arbitrage and Use of Proceeds Certificate (the "Certificate") referred to below, in form and tenor satisfactory to Bond Counsel are not delivered or, if any income tax law of the United States of America is hereafter enacted which shall provide that the interest thereon is taxable, or shall be taxable at a future date for federal income tax purposes, and in any such case such bidder will be relieved from its contractual obligation arising from the acceptance of its proposal.

The Code establishes certain requirements that must be met subsequent to the issuance and delivery of the Notes in order that interest on the Notes be and remain excludable from gross income under Section 103 of the Code. As part of the Village's contractual obligation arising from its acceptance of the successful bidder's proposal, the Village will furnish the successful bidder, concurrently with the delivery of the Notes, with its Arbitrage and Use of Proceeds Certificate which will contain provisions and procedures relating to compliance with the requirements of the Code and a certification to the effect that the Village will comply with the provisions and procedures set forth therein, and that it will do and perform all acts and things necessary to assure that interest paid on the Notes is excludable from gross income under Section 103 of the Code.

Prospective purchasers of the Notes should be aware that ownership of, accrual or receipt of interest on, or disposition of, the Notes may have collateral federal income tax consequences for certain taxpayers, including financial institutions, property and casualty insurance companies, S corporations, certain foreign corporations, individual recipients of Social Security or Railroad Retirement benefits, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations. Prospective purchasers should consult their tax advisors as to any possible collateral consequences from their ownership of, or receipt of interest on, or disposition of, the Notes. Bond Counsel expresses no opinion regarding any such collateral federal income tax consequences.

The opinion of Bond Counsel shall also contain further statements to the effect that, under existing statutes, regulations, administrative guidance and court decisions and assuming continuing compliance with the Arbitrage and Use of Proceeds Certificate, (i) interest payable on the Notes is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Code and (ii) interest payable on the Notes is not treated as an item of tax preference for purposes of calculating the alternative minimum tax imposed on individuals under the Code, however, such interest is included in the "adjusted financial statement income" of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations under Section 55 of the Code. In rendering its opinion, Bond Counsel shall rely on certain representations, certifications of fact, and statements of reasonable expectations made by the Village in connection with the Notes and shall assume compliance by the Village with certain ongoing certifications in the Arbitrage and Use of Proceeds Certificate to comply with applicable requirements of the Code to assure the exclusion of interest on the Notes from gross income under Section 103 of the Code.

Obligation of Winning Bidder(s) to deliver an Issue Price Certificate at Closing

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Notes, is a good faith offer which the bidder believes reflects current market conditions, and is not a “courtesy bid” being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the “issue price” of the Notes pursuant to Section 148 of the Code, including the requirement that bids be received from at least three (3) underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds (the “Competitive Sale Requirements”). Capital Markets Advisors, LLC (the “Municipal Advisor”) will advise the winning bidder(s) if the Competitive Sale Requirements were met at the same time, it notifies the winning bidder(s) of the award of the Notes. Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.

The winning bidder(s) shall, within one (1) hour after being notified of the award of the Notes, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Notes (the “Initial Reoffering Prices”) as of the date of the award.

By submitting a bid, the winning bidder(s) agrees (unless the winning bidder is purchasing the Notes for its own account and not with a view to distribution or resale to the public) that if ten (10) percent (10%) of each maturity (as hereinafter defined) of the Notes is not sold on the Sale Date and if the Competitive Sale Requirements are not met, it will elect and satisfy either option (1) or option (2) described below. Such election must be made on the bid form submitted by each bidder.

(1) Hold the Price. The winning bidder(s):

(a) will make a bona fide offering to the public of all of the Notes at the Initial Reoffering Prices and provide the Village and Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell to any person any Notes within a maturity at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least ten (10) percent (10%) of the Notes of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such maturity or (ii) the close of business on the fifth business day after the date of the award of the Notes, and

(c) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Notes as set forth above.

(2) Follow the Price. The winning bidder(s):

(a) will make a bona fide offering to the public of all of the Notes at the Initial Reoffering Prices and provide the Village and Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the Village and Bond Counsel information regarding the actual prices at which at least ten (10) percent (10%) of the Notes within each maturity of the Notes have been sold to the public,

(c) will provide the Village and Bond Counsel with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Notes, will continue until such date that ten (10) percent (10%) of each maturity of the Notes has been sold to the public, and

(d) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

For purposes of the “hold the price” or “follow the price” requirement, a “maturity” refers to Notes that have the same interest rate, credit and payment terms.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to the Village and Bond Counsel a certificate (the “Issue Price Certificate”), satisfactory to Bond Counsel, prior to the delivery of the Notes stating the applicable facts as described above.

If the winning bidder has purchased the Notes for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Issue Price Certificate will recite such facts and identify the price or prices at which the purchase of the Notes was made.

For purposes of this Notice, the “public” does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Notes to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Notes to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Notes.

The Village will provide a reasonable number of Official Statements to each successful bidder within five (5) business days following receipt of a written request therefor made to the Village and its Municipal Advisor. Such request may specify the applicable (a) offering price(s), (b) selling compensation, (c) rating(s), (d) credit enhancement, and (e) identity and complete name of such bidder and any participating underwriters, and if so, the Official Statement will be modified or supplemented by the information so specified. Neither the Village nor the Municipal Advisor shall be liable in any manner for any delay, inaccuracy, or omission on the part of any successful bidder with respect to such request, nor shall the Village’s failure, as a result thereof, to provide the Official Statement (whether or not modified or supplemented) within the above time period, constitute cause for a failure or refusal by such bidder to accept delivery of and pay for the Notes in accordance with the terms hereof.

The Official Statement is in a form “deemed final” by the Village for the purposes of Securities and Exchange Commission Rule 15c2-12 (the “Rule”). At the time of the delivery of the Notes, the Village will provide an executed copy of its “Undertaking to Provide Notices of Material Events” (the “Undertaking”). Said Undertaking will constitute a written agreement or contract of the Village for the benefit of holders of and owners of beneficial interests in the Notes, to provide, or cause to be provided, (A) to the Electronic Municipal Market Access (“EMMA”) System implemented by the Municipal Securities Rulemaking Board established pursuant to Section 15 (b)(1) of the Securities Exchange Act of 1934, or any successor thereto, timely notice of the occurrence of any of the following events with respect to the Notes, if material: (i) principal and interest payment delinquencies; (ii) non-payment related defaults; (iii) unscheduled draws on debt service reserves reflecting financial difficulties; (iv) unscheduled draws on credit enhancements reflecting financial difficulties; (v) substitution of credit or liquidity providers; and (vi) notice of other events as enumerated in Rule 15c2-12, or (B) to the New York State Information Depository, if created, notice of the occurrence of certain material events as enumerated in said Rule 15c2-12.

The obligations hereunder to deliver or accept the Notes pursuant hereto shall be conditioned on the availability, to each successful bidder at the time of delivery of the Notes, the above-described approving opinion of Bond Counsel; of execution and delivery of certificates in form and tenor satisfactory to Bond Counsel evidencing the proper execution and delivery of the Notes, and receipt of payment therefor and including a statement, dated as of the date of delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened relating to the Notes; and of the several certificates as described in the Official Statement under the heading “Documents Accompanying Delivery of the Notes.”

Copies of this Notice of Sale and the Official Statement may be obtained from the offices of Capital Markets Advisors, LLC, telephone number (716) 662-3910.
