Sealed proposals, telephone proposals or fax proposals will be received at the place and time on the Sale Date as hereinabove indicated, for the purchase at not less than par and accrued interest of the Notes as described herein.

The timely delivery of all proposals submitted by facsimile transmission (FAX) must be in legible and completed form, signed by an authorized representative of the bidder, and shall be the sole responsibility of the bidder. The City of Long Beach, New York (the "City") shall not be responsible for any errors and/or delays in transmission and/or receipt of such bids, mechanical or technical failures or disruptions, or any omissions or irregularities in any bids submitted in such manner.

The Notes are being issued pursuant to the Constitution and Laws of the State, including among others, the City Charter, the Local Finance Law, Chapter 3 of the 2014 Laws of New York, and Bond Ordinance No. 2098/15 duly adopted by the City Council on December 15, 2015. Proceeds from the sale of the Notes will be used to redeem the City's Bond Anticipation Notes – 2018 Series C (Federally Taxable) at maturity which were issued to provide original financing for the cost of extraordinary expenses resulting from Superstorm Sandy.

Said Notes are general obligations of the City and the faith and credit of such City are pledged for payment of the principal of and interest on such Notes. All the taxable real property in said City will be subject to the levy of ad valorem taxes to pay the principal of and interest on such Notes, subject to applicable statutory limitations. See "TAX INFORMATION - Tax Levy Limitation Law" in Appendix A to the Preliminary Official Statement of the City dated May 9, 2019 prepared in connection with the issuance of the Notes.

Bids must be for all of the Notes and must state in a multiple of one-hundredth or one-eighth of 1% a rate or rates of interest per annum which such Notes shall bear. The Notes will be awarded and sold to the bidder(s) complying with the terms of sale and offering to purchase the Notes at the lowest net interest cost, and if two or more such bidders offer the same lowest net interest cost, then to the one of said bidders selected by the Sale Officer by lot from among all said bidders.

The Notes will not be subject to redemption prior to maturity. Interest will be calculated on a 30-day month and 360-day year basis, payable at maturity.

The right is reserved by the City to award to any bidder all or any part of the Notes which such bidder offers to purchase and, in the event of a partial award, the premium, if any, specified by such bidder will be pro-rated. The right is also reserved to reject any or all bids and any bid not complying with the terms of this notice will be rejected.

Award of the Notes is expected to be made promptly after opening of the bids, but the successful bidder(s) may not withdraw proposals until two hours after the time set forth above on the day of such bid opening and then only if such award has not been made prior to the withdrawal. The Notes will be delivered and shall be paid for on or about the Date of Notes at such place and on such business day and at such hour, as the Sale Officer and successful bidder(s) shall mutually agree.

At the option of the purchaser, the Notes will be issued in (i) registered form registered in the name of the successful bidder(s) or (ii) registered book-entry form registered to Cede & Co., as the partnership nominee for The Depository Trust Company (“DTC”). The purchaser must notify Bond Counsel by 2:00 P.M., Prevailing Time, on the Sale Date of the Notes whether the Notes will be issued in registered non book-entry form or book-entry form.

If the Notes are registered in the name of the successful bidder, a single note certificate will be issued for those Notes bearing the same rate of interest in the aggregate principal amount awarded to such purchaser at such interest rate. Principal of and interest on such Notes will be payable in Federal Funds by the City, at such bank or trust company located and authorized to do business in the State of New York as selected by the successful bidder(s).

If the Notes are issued in book-entry form, such notes (“DTC Notes”) will be delivered to DTC, which will act as securities depository for the DTC Notes. Beneficial owners will not receive certificates representing their interest in the DTC Notes. Individual purchases may be made in denominations of \$5,000 or integral multiples thereof. A single note certificate will be issued for those DTC Notes bearing the same rate of interest and CUSIP number in the aggregate principal amount awarded to such purchaser(s) at such interest rate. Principal of and interest on said DTC Notes will be paid in Federal Funds by the City to Cede & Co., as nominee for DTC, which will in turn remit such principal and interest to its participants for subsequent distribution to the beneficial owners of the DTC Notes as described herein.

Transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The City will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

CUSIP identification numbers will be printed on the Notes if Bond Counsel is provided with such numbers by the close of business on the Sale Date of the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery and pay for the Notes in accordance with the terms hereof. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the City; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

DTC is an automated depository for securities and a clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry-only system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfer of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the Notes. Individual purchases of beneficial ownership interests in the Notes may be made only through book entries made on the books and records of DTC (or a successor depository) and its participants. Said Notes will be delivered to DTC on or about May 24, 2019, at no cost to the purchaser. The purchase price of said Notes shall be paid in FEDERAL FUNDS or other funds available for immediate credit on said delivery date. The City will act as Paying Agent for the Notes.

As a condition to each purchaser's obligation to accept delivery of and pay for the Notes, such purchaser will be furnished, without cost, the following, dated as of the date of the delivery of and payment for said Notes: (i) a certificate of the Acting City Comptroller certifying that (a) as of the date of the final Official Statement furnished by the City in relation to said Notes, said final Official Statement did not contain any untrue statements of material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, subject to the condition that while information in said final Official Statement obtained from sources other than the City is not guaranteed as to accuracy, completeness or fairness, he has no reason to believe and does not believe that such information is materially inaccurate or misleading, and (b) to her knowledge, since the date of said final Official Statement, there have been no material transactions not in the ordinary course of affairs entered into by the City and no material adverse changes in the general affairs of the City or in its financial condition as shown in said final Official Statement other than as disclosed in or contemplated by said final Official Statement; (ii) a Closing Certificate, constituting a receipt for the Note proceeds and a signature certificate, which will include a statement that no litigation is pending, or to the knowledge of the signers, threatened affecting the Notes; (iii) an Undertaking to Provide Notice of Events, executed by the Acting City Comptroller, as described below; (iv) an Attorney's Certificate of No Litigation signed by the Corporation Counsel stating, to the effect, that (a) there is no controversy or litigation of any nature pending or, to the best of the knowledge of the signor, threatened, restraining or enjoining the sale, execution, issuance or delivery of the Notes, or in any way contesting or affecting the levy and collection of taxes to pay the principal thereof or the interest thereon, or in any manner questioning or affecting the

validity of the Notes or the authority or proceedings for the issuance thereof, or contesting the corporate existence or boundaries of the City or the title of any of the officers of the City to their respective offices, and (b) there is no controversy or litigation of any nature now pending or, to the best of the signor's knowledge, threatened by or against the City, wherein an adverse judgment or ruling could have a material adverse impact on the financial condition of the City or adversely affect the power of the City to levy, collect and enforce the collection of taxes or other revenues for the payment of the Notes which has not been disclosed in the Official Statement; and (v) the approving legal opinion as to the validity of the Notes of Harris Beach PLLC, Bond Counsel, Hempstead, New York. Any successful bidder may at its option refuse to accept the Notes if prior to their delivery the opinion of Bond Counsel is not delivered, and in any such case it will be relieved from its contractual obligation arising from the acceptance of its proposal.

The Preliminary Official Statement is in a form "deemed final" by the City for the purpose of Securities and Exchange Commission Rule 15c2-12 ("Rule 15c2-12") but may be modified or supplemented as noted herein. In order to assist bidders in complying with Rule 15c2-12 and as part of the City's contractual obligation arising from its acceptance of the successful bidder's(s') proposal, at the time of the delivery of the Notes the City will provide an executed copy of its "Undertaking to Provide Notices of Events." Said Undertaking will constitute a written agreement or contract of the City for the benefit of holders of and owners of beneficial interests in the Notes, to provide to the Electronic Municipal Market Access ("EMMA") System implemented by the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Securities Exchange Act of 1934, or any successor thereto, timely notice of the occurrence of certain events, as enumerated in said Rule 15c2-12.
