***The aggregate principal amount of the Bonds, the purchase price thereof and the principal amounts of the installments listed in the table above are subject to change depending upon the actual interest rates bid and the successful bidder’s initial reoffering yields, in order to (i) meet the requirements of substantially level or declining annual debt service in accordance with the New York Local Finance Law, and (ii) ensure the Bonds comply with applicable Federal tax law provisions. Accordingly, the Village reserves the right, after selecting the lowest bidder, to decrease the size of the issue and/or adjust the maturity amounts of the Bonds to the extent necessary to satisfy such requirements. The successful bidder may neither withdraw nor modify its bid as a result of any such post-bid adjustment. Any such adjustment shall be conclusive, shall be promptly communicated to the successful bidder, and shall be binding upon the successful bidder. The Bonds of each maturity, as adjusted, will bear interest at the same interest rate as specified for that**

maturity in the Proposal for Bonds submitted by the successful bidder for the Bonds, and must have the same initial reoffering yields as thereafter specified by such bidder. Notwithstanding any post-bid adjustment, and provided the Village will receive at the time of delivery of such Bonds an amount which is at least equal to the par amount (as the same may have been adjusted) of the Bonds, the Village will hold constant, on a per Bond basis, the successful bidder's underwriting spread with respect to such Bonds. However, the award shall be made to the bidder whose bid produces the lowest true interest cost rate solely on the basis of the Bonds offered, without taking into account any adjustment in the amount of the Bonds pursuant to this paragraph.

THE VILLAGE RESERVES THE RIGHT TO CHANGE THE TIME AND/OR DATE FOR THE OPENING OF BIDS. NOTICE OF ANY SUCH CHANGE SHALL BE PROVIDED NOT LESS THAN ONE (1) HOUR PRIOR TO THE TIME SET FORTH ABOVE FOR THE OPENING OF BIDS BY MEANS OF A SUPPLEMENT TO THE NOTICE OF SALE TO BE TRANSMITTED OVER THE THOMSON MUNICIPAL NEWS WIRE OR TM3.

The Bonds will be designated by the Village as “qualified tax-exempt obligations” pursuant to the provisions of Section 265 of the Code.

The Bonds will bear interest at the rate or rates per annum specified by the successful bidder therefor in accordance herewith, payable on December 1, 2021 and semi-annually thereafter on June 1 and December 1 in each year until maturity. Interest on the Bonds will be calculated on a 30-day month and 360-day year basis.

The Bonds will be issued in the form of fully registered certificated Bonds as follows: (1) registered in the name of the purchaser, or (2) book-entry only registered to The Depository Trust Company (“DTC”).

If the Bonds are registered in the name of the purchaser, principal of and interest on the Bonds will be payable in Federal Funds at the Office of the Village Treasurer in West Haverstraw, New York, or at the option of the successful bidder, at such bank or trust company located and authorized to do business in the State of New York as may be selected by the successful bidder, with any paying agent fees being paid by the successful bidder. In such case, the Bonds will be issued in registered form in denominations corresponding to the amount of each annual maturity of such srocklands of the Bonds.

If the Bonds are issued in book-entry only form, they will be issued in denominations corresponding to the total principal amounts due in each year of maturity. As a condition to delivery of such Bonds, the successful bidder will be required to cause such Bond certificates to be (i) registered in the name of Cede & Co. as nominee of The Depository Trust Company (“DTC”), and (ii) deposited with DTC to be held in trust until maturity. DTC is an automated depository for securities and clearinghouse for securities transactions, and will be responsible for establishing and maintaining a book-entry system for recording the ownership interests of its participants, which include certain banks, trust companies and securities dealers, and the transfers of the interests among its participants. The DTC participants will be responsible for establishing and maintaining records with respect to the beneficial ownership interests of individual purchasers in such Bonds. Individual purchases of beneficial ownership interests in such Bonds may only be made through book entries (without certificates issued by the Village) made on the books and

records of DTC (or a successor depository) and its participants, in the denominations of \$5,000 or integral multiples thereof. Principal of and interest on such Bonds will be payable by the Village or its agent by wire transfer in Federal Funds to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The Village will not be responsible or liable for payments by DTC to its participants or by DTC participants to beneficial owners or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

Optional Redemption

Call Provisions. The Bonds maturing on or before December 1, 2028 will not be subject to redemption prior to maturity. The Bonds maturing on or after December 1, 2029 will be subject to redemption prior to maturity at the option of the Village, in whole or in part, and if in part, in any order of their maturity and in any amount within a maturity (selected by lot within a maturity) on any date on or after December 1, 2028 at par, plus accrued interest to the date of redemption. **Selection of Bonds to be Redeemed** So long as DTC or a successor securities depository is the sole registered owner of the Bonds, the Village will cause notice of redemption to be given only to DTC as registered owner. The selection of the book-entry interests within each bond maturity to be redeemed will be done in accordance with DTC procedures. See “Book-Entry-Only System” herein regarding DTC’s practice of determining by lot the amount of the interest of each Direct Participant for partial bond redemptions.

If the Bonds are not registered in book-entry form, any redemption of less than all of a maturity of the Bonds shall be allocated (in the amounts of \$5,000 or any whole multiple) among the registered owners of such maturity of the Bonds then outstanding as nearly as practicable in proportion to the principal amounts of such maturity of the Bonds owned by each registered owner. This will be calculated based on the following formula:

$$\frac{(\text{principal to be redeemed}) \times (\text{principal amount owned by owner})}{(\text{principal amount outstanding})}$$

Notice of Redemption. Notice of such call for redemption shall be given by mailing such notice to the registered owner at least thirty (30) days prior to the date set for such redemption. Notice of redemption having been given as aforesaid, the Bonds so called for redemption shall, on the date for redemption set forth in such call notice, become due and payable, together with interest to such redemption date. Interest shall cease to be paid thereon after such redemption date.

Submission of Bids

Bidders may only bid to purchase all of the Bonds. No bid for less than 100% of par shall be considered. Bidders must name the rate or rates of interest per annum which the Bonds are to bear in multiples of one-hundredth or one-eighth of one per centum. All Bonds maturing on the same date must bear interest at the same rate. Any number of rates may be named provided that the highest rate of interest stated for any maturity may not exceed 5.5% per annum. In no event shall the true interest cost for the issue received by the Village exceed 5.0%. Bidders must provide the reoffering price for such Bonds to the Village immediately upon award. The Village reserves the right to reject any and all bids (regardless of the interest rate bid), to reject any bid not complying with this official Notice of Sale and, so far as permitted by law, to waive any irregularity or informality with respect to any bid or the bidding process.

Bids may be submitted electronically via Parity or via facsimile transmission in accordance with this Notice of Sale, until the time specified herein. No other form of electronic bidding services nor telephone proposals will be accepted. No bid received after the time for receiving bids specified above will be considered. Bids may also be submitted by facsimile at (516) 364-9501. Bidders submitting proposals via facsimile must use the bid form attached hereto. Once the bids are communicated via facsimile or electronically via Parity to the Village, each bid will constitute an irrevocable offer to purchase the Bonds pursuant to the terms therein provided.

Registration to Bid

Prospective bidders wishing to submit electronic bids must be contracted customers of Parity. Prospective bidders, who do not have a contract with Parity, must call (212) 849-5021 to become a customer. By submitting an electronic bid for the Bonds, a bidder represents and warrants to the Village that such bidder's bid for the purchase of the Bonds is submitted for and on behalf of such prospective bidder by an officer or agent who is duly authorized to bind the bidder to a legal, valid and enforceable contract for the purchase of the Bonds.

If any provisions of this Notice of Sale shall conflict with information provided by Parity, as approved provider of electronic bidding services, this Notice of Sale shall control. Further information about Parity, including any fee charged, may be obtained from Parity at (212) 849-5021.

The time maintained by Parity shall constitute the official time with respect to all bids submitted through Parity.

Disclaimer

Each prospective bidder who wishes to submit electronic bids shall be solely responsible to register to bid via Parity. Each qualified prospective bidder shall be solely responsible to make necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Village nor Parity shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the Village nor Parity shall be responsible for a bidder's failure to register to bid or for proper operation of; or have any liability for any delays or interruptions of, or any damages caused by Parity. The Village is using Parity as a communications mechanism, and not as the Village's agent, to conduct the electronic

bidding for the Village's Bonds. The Village is not bound by any advice or determination of Parity as to whether any bid complies with the terms of this Notice of Sale. All costs and expenses incurred by prospective bidders in connection with their registration and submission of bids via Parity are the sole responsibility of the bidders, and the Village is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in registering to bid, or submitting or modifying a bid for the Bonds, it should telephone Parity and notify the Village's Municipal Advisor, Capital Markets Advisors, LLC at 516-487-9818 (provided that the Village shall have no obligation to take any action whatsoever upon receipt of such notice).

Basis of Award

The Bonds will be awarded and sold to the bidder complying with the terms of sale and offering to purchase the Bonds at the lowest true interest cost ("TIC"). The TIC will be determined by doubling the semiannual interest rate, compounded semiannually, necessary to discount the semiannual debt service payments on the Bonds from the payment dates to the Dated Date of the Bonds and to the aggregate purchase price of the Bonds. If two or more such bidders offer the same lowest true interest cost, then one of such bidders will be selected by the Sale Officer by lot from among all such bidders. The successful bidder must also pay an amount equal to the interest on the Bonds accrued from their Dated Date to the date of payment of the purchase price, if any.

Award of the Bonds to the successful bidder, or rejection of all bids, is expected to be made promptly after opening of the bids.

The Bonds will be delivered in book-entry form through the offices of DTC and shall be paid for in Federal Funds on or about December 1, 2020 in New York, New York, or on such business day and at such hour, as the Sale Officer shall fix on three business days' notice to the successful bidder, or at such other place and time as may be agreed upon with the successful bidder. If the Bonds are issued in book-entry form only, the deposit of such Bonds with DTC under a book-entry system requires the assignment of CUSIP numbers prior to delivery. It shall be the responsibility of the successful bidder to obtain CUSIP numbers for such Bonds prior to delivery and the Village will not be responsible for any delay occasioned by the inability to deposit such Bonds with DTC due to the failure of the successful bidder to obtain such numbers and to supply them to the Village in a timely manner. All expenses in relation to the printing of CUSIP numbers on such Bonds shall be paid for by the Village; provided, however, that the CUSIP Service Bureau charge for the assignment of said number shall be the responsibility of and shall be paid for by the successful bidder.

The Village reserves the right to reject all bids. Any bid which fails to substantially comply with the terms of this notice will be rejected.

Issue Price Determination

By submitting a bid, each bidder is certifying that its bid is a firm offer to purchase the Bonds, is a good faith offer which the bidder believes reflects current market conditions, and is not a "courtesy bid" being submitted for the purpose of assisting in meeting the competitive sale requirements relating to the establishment of the "issue price" of the Bonds pursuant to U.S. Treasury Regulation Section 1.148-1(f)(3)(i), including the requirement that bids be received from at least three (3) underwriters (as defined below) of municipal bonds who have established industry

reputations for underwriting new issuances of municipal bonds (the “Competitive Sale Requirements”). The Municipal Advisor will advise the winning bidder if the Competitive Sale Requirements were met at the same time it notifies the winning bidder of the award of the Bonds. **Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.**

The winning bidder shall, within one (1) hour after being notified of the award of the Bonds, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Bonds (the “Initial Reoffering Prices”) as of the date of the award.

By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Bonds for its own account and not with a view to distribution or resale to the public (as defined below)) that if the Competitive Sale Requirements are not met, it will elect and satisfy either option (1) or option (2) described below. *Such election must be made on the bid form submitted by each bidder. In the event a bidder submits a bid via Parity, such bidder must notify the Municipal Advisor by email (dcastaneda@capmark.org) as to such election at the time such bid is submitted.*

(1) **Hold the Price.** The winning bidder:

(a) will make a bona fide offering to the public of all of the Bonds at the Initial Reoffering Prices and provide the Municipal Advisor and Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell any Bonds within a maturity to any person at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least 10 percent of the Bonds of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such maturity or (ii) the close of business on the 5th business day after the date of the award of the Bonds, and

(c) has or will include or cause to be included within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which either the winning bidder or another member of any underwriting syndicate established by the winning bidder for the Bonds is a party) relating to the initial sale of the Bonds to the public, and in the related pricing wire, language obligating each underwriter to comply with the limitations on the sale of the Bonds as set forth above.

(2) **Follow the Price.** The winning bidder:

(a) will make a bona fide offering to the public of the Bonds at the Initial Reoffering Prices and provide the Municipal Advisor and Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the Municipal Advisor and Bond Counsel information regarding the actual prices at which at least 10 percent of the Bonds within each maturity of the Bonds have been sold to the public,

(c) will provide the Municipal Advisor and Bond Counsel with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Bonds, will continue until such date that 10 percent of each maturity of the Bonds has been sold to the public, and

(d) has or will include or cause to be included within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which either the winning bidder or another member of any underwriting syndicate established by the winning bidder for the Bonds is a party) relating to the initial sale of the Bonds to the public and in the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

For purposes of the “hold the price” and “follow the price” requirements, a “maturity” refers to the Bonds that have the same interest rate, credit and payment terms.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to the Issuer a certificate (the “Reoffering Price Certificate”), satisfactory to Bond Counsel, prior to the delivery of the Bonds stating the applicable facts as described above. The form of Reoffering Price Certificate is available by contacting Bond Counsel or the Municipal Advisor.

If the winning bidder has purchased the Bonds for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Reoffering Price Certificate will recite such facts and identify the price or prices at which the purchase of the Bonds was made.

For purposes of this Notice of Sale, the following terms shall have the following respective meanings:

(A) the “public” means any person other than an underwriter or a related party (as defined below) to an underwriter;

(B) an “underwriter” means (i) the winning bidder (unless the winning bidder is purchasing the Bonds for its own account and not with a view to distribution or resale to the public), (ii) any person that agrees pursuant to a written contract with the winning bidder to form an underwriting syndicate to participate in the initial sale of the Bonds to the public, and (iii) any person that agrees pursuant to a written agreement with either the winning bidder or any other member of an underwriting syndicate for the Bonds to participate in the initial sale of the Bonds to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public); and

(C) a “related party” (as defined in U.S. Treasury Regulation 1.150-1(b)) to an underwriter generally means any person who has greater than 50 percent common ownership, directly or indirectly, with such underwriter.

In making the representations described above, the winning bidder must reflect the effect on the offering prices of any “derivative products” (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Bonds.

Bond Insurance

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, the purchase of any such insurance policy or the issuance of any such commitment therefor shall be at the sole option and expense of such bidder and any increased costs of issuance of the Bonds resulting by reason of the same, unless otherwise paid, shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued, shall not constitute cause for a failure or refusal by the purchaser of the Bonds to accept delivery of and pay for said Bonds in accordance with the terms hereof.

Other Information

The Bonds will be issued pursuant to the Constitution and statutes of the State of New York, including, among others, the Local Finance Law and two bond resolutions duly adopted by the Board of Trustees of the Village on their respective dates for the purpose of providing original financing for streetscape improvements and the purchase of firefighting equipment as more particularly described in the Preliminary Official Statement circulated in connection with the sale of the Bonds (the “Preliminary Official Statement”).

The Bonds are general obligations of the Village. The State Constitution requires the Village to pledge its faith and credit for the payment of the principal of the Bonds and the interest thereon and to make annual appropriations for the amounts required for the payment of such interest and the redemption of the Bonds. For the payment of such principal of and interest on the Bonds, the Village has the power and statutory authorization to levy ad valorem taxes on all taxable real property in the Village, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011. See “LEGAL MATTERS” and “TAX LEVY LIMITATION LAW” in the Preliminary Official Statement.

The State Constitution requires the Village to pledge its faith and credit for the payment of the principal of the Bonds and the interest thereon and to make annual appropriations for the amounts required for the payment of such interest and the redemption of the Bonds. The State Constitution also provides that if at any time the appropriating authorities fail to make the required appropriations for the annual debt service on the Bonds and certain other obligations of the Village, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied for such purposes, and also that the chief fiscal officer of the Village may be required to set apart and apply such revenues as aforesaid at the suit of any holder of such obligations.

The population of the Village is estimated to be 10,189. The Preliminary Official Statement shows, as of November 12, 2020, the average five-year full valuation of real property subject to taxation by the Village to be \$666,627,140, its debt limit to be \$46,663,899, and its total net indebtedness to be \$3,098,000. The issuance of the Bonds will increase the Village’s total net indebtedness by \$3,900,000.

Closing Certificates and Approving Legal Opinion

As a condition to the purchaser's obligation to accept delivery of and pay for the Bonds, such purchaser will be furnished, without cost, the following, dated as of the date of the delivery of and payment for the Bonds: (i) a certificate of the Village Treasurer certifying, to the best of her knowledge after due inquiry, among other things, that (a) as of the date of the Official Statement furnished by the Village in relation to the Bonds (the "Official Statement") and at all times subsequent thereto, up to and including the time of delivery of the Bonds, the Official Statement did not and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and (b) since date of the Official Statement to the time of delivery of the Bonds, there have been no material adverse change in the financial condition of the Village as disclosed in the Official Statement; (ii) a Closing Certificate, evidencing due execution of the Bonds, including statements to the effect that (a) no litigation of any nature is now pending or, to the best of the knowledge of the signor, threatened against, restraining or enjoining the issuance and delivery of the Bonds, or the levy or collection of any taxes to pay the principal thereof or the interest thereon, or in any way questioning of affecting the validity of the Bonds or the proceedings or authority for the issuance thereof, (b) neither the corporate existence or boundaries of the Village nor the title of any the officers thereof to their respective offices is being contested, and (c) no authority or proceedings for the issuance of the Bonds have been repealed, revoked or rescinded; (iii) an Attorney's Certificate of No Litigation signed by the Village Attorney stating, to the effect, that (a) there is no controversy or litigation of any nature pending or, to the best of the knowledge of the signor, threatened, restraining or enjoining the sale, execution, issuance or delivery of the Bonds, or in any way contesting or affecting the levy and collection of taxes to pay the principal thereof or the interest thereon, or in any manner questioning or affecting the validity of the Bonds or the authority or proceedings for the issuance to thereof, or contesting the corporate existence or boundaries of the Village or the title of any of the officers of the Village to their respective offices, and (b) there is no controversy or litigation of any nature now pending or, to the best of the signor's knowledge, threatened by or against the Village, wherein an adverse judgment or ruling could have a material adverse impact on the financial condition of the Village or adversely affect the power of the Village to levy, collect and enforce the collection of taxes or other revenues for the payment of the Bonds which has not been disclosed in the Official Statement; (iv) a certificate of the Village Treasurer evidencing the Village's agreement as described in the section of the Preliminary Official Statement entitled "DISCLOSURE UNDERTAKING - Disclosure Undertaking for the Bonds;" (v) an arbitrage and use of proceeds certificate executed by the Village Treasurer, which will contain, among other things, covenants, relating to compliance with the Internal Revenue Code of 1986, as amended (the "Code"), that the Village will, among other things, (a) take all actions on its part necessary to cause interest on the Bonds to be excluded from the gross income of the owners thereof for Federal income tax purposes, including without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Bonds and investment earnings thereon, making required payments to the Federal Government, if any, and maintaining books and records in a specified manner, where appropriate, and (b) refrain from taking any action which would cause interest on the Bonds to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Bonds and investment earnings thereon on certain specified purposes; and (vi) the approving legal opinion as to the validity of the Bonds of Harris Beach PLLC, Bond Counsel, White Plains, New York. Reference should be made to said Official Statement for a description of the scope of Bond Counsel's engagement in relation to the issuance

of the Bonds and matters covered by such legal opinion. Furthermore, reference should be made to the information under the headings "TAX MATTERS" and "LEGAL MATTERS" in the Official Statement.

The successful bidder may at his option refuse to accept the Bonds if prior to their delivery if any income tax law of the United States of America is hereafter enacted which shall provide that the interest thereon is taxable, or shall be taxable at a future date, for Federal income tax purposes, and in such case the deposit made by him will be returned and he will be relieved of his contractual obligations arising from the acceptance of his proposal.

Official Statement and Continuing Disclosure

The Preliminary Official Statement is in a form "deemed final" by the Village for the purpose of Securities and Exchange Commission Rule 15c2-12 but may be modified or supplemented as noted above.

In order to assist bidders in complying with Rule 15c2-12 and as part of the Village's contractual obligation arising from its acceptance of each successful bidder's proposal, at the time of the delivery of the Bonds the Village will provide an executed copy of its "Undertaking to Provide Continuing Disclosure." Said Undertaking will constitute a written agreement or contract of the Village for the benefit of holders of and owners of beneficial interests in the Bonds, to provide to the Electronic Municipal Market Access ("EMMA") System implemented by the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Securities Exchange Act of 1934, or any successor thereto or to the functions of such Board contemplated by such Undertaking, the annual financial information and timely notice of the occurrence of certain events, as enumerated in said Rule 15c2-12 (see "DISCLOSURE UNDERTAKING - Disclosure Undertaking for the Bonds" in the Preliminary Official Statement).

The Village will provide a reasonable number of the final Official Statement with respect to the Bonds (the "Official Statement") to the successful bidder within five (5) business days following receipt of a written request therefor made to the Village and its Municipal Advisor. Such request may specify the applicable (a) offering price(s), (b) selling compensation, (c) rating(s), (d) credit enhancement and (e) identity and complete name of such bidder and any participating underwriters, and if so, the Official Statement will be modified or supplemented by the information so specified. Neither the Village nor its Municipal Advisor shall be liable in any manner for any delay, inaccuracy, or omission on the part of the successful bidder with respect to such request, nor shall the Village's failure, as a result thereof, to provide the Official Statement (whether or not modified or supplemented) within the above time period, constitute cause for a failure or refusal by such bidder to accept delivery of and pay for the Bonds in accordance with the terms hereof.
