

The Bonds mature on April 15 in each year as set forth below:

<u>Date</u>	<u>Amount*</u>	<u>Interest Rate</u>	<u>Yield</u>	<u>CUSIP Number***</u>
2022	\$1,070,000	%		
2023	1,130,000			
2024	1,185,000			
2025	1,240,000			
2026	1,305,000			
2027	1,370,000			
2028	1,440,000			
2029	1,515,000			
2030**	1,575,000			
2031**	1,635,000			

* The principal maturities of the Bonds are subject to adjustment following their sale, pursuant to the terms of the accompanying Notice of Sale.

** Subject to redemption prior to maturity (See "*Optional Redemption*" herein.)

*** CUSIP numbers have been assigned by an independent company not affiliated with the District and are included solely for the convenience of the holders of the Bonds. The District is not responsible for the selection or uses of these CUSIP numbers and no representation is made as to their correctness on the Bonds or as indicated above.

RELATING TO THE ISSUANCE OF

CHESTER UNION FREE SCHOOL DISTRICT
ORANGE COUNTY, NEW YORK**

relating to

\$13,440,000*
SCHOOL DISTRICT REFUNDING (SERIAL) BONDS, 2021
(the “Bonds”)

This Official Statement (the “Official Statement”), which includes the cover page and appendices hereto, presents certain information relating to the Chester Union Free School District, in the County of Orange, in the State of New York (the “District”, “County”, and “State”, respectively), in connection with the sale of \$13,440,000 School District Refunding (Serial) Bonds, 2021 (the “Bonds”).

All quotations from and summaries and explanations of the provisions of the Constitution and Laws of the State and acts and proceedings of the District contained herein do not purport to be complete and are qualified in their entirety by reference to the official compilation thereof, and all references to the Bonds and the proceedings of the District relating thereto are qualified in their entirety by reference to the definitive form of the Bonds and such proceedings.

This Official Statement should be read with the understanding that the ongoing COVID-19 global pandemic has created prevailing economic conditions (at the global, national, State and local levels) that are highly uncertain, generally negative, and rapidly changing, and these conditions are expected to continue for an indefinite period of time. Accordingly, the District’s overall economic situation and outlook (and all of the specific District-related information contained herein) should be carefully reviewed, evaluated and understood in the full light of this unprecedented world-wide event, the effects of which are extremely difficult to predict and quantify. (See “*Risk Factors*”, “*State Aid*” and “*Events Affecting New York School Districts*” herein.)

THE BONDS

Description

The Bonds will be issued in registered book-entry-only form registered to Cede & Co., as the partnership nominee for the Depository Trust Company (“DTC”), New York, New York. DTC will act as securities depository for the Bonds. Individual purchases may be made in book-entry form only, in the principal amount of \$5,000 or integral multiples thereof. Purchasers will not receive certificates representing their ownership interest in the Bonds. Payment of the principal of and interest on the Bonds will be made by the District to DTC, which will in turn remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. (See “*Book-Entry-Only System*”, herein.)

The Bonds will be dated the date of delivery, will bear interest from such date payable April 15, 2021, October 15, 2021 and semiannually thereafter on each April 15 and October 15 until maturity and will mature on April 15 in the years and amounts as set forth on the inside cover page thereof. The Bonds are subject to optional redemption prior to maturity (see “*Optional Redemption*” herein).

The record date for Bonds will be the last business day of the calendar month preceding each interest payment date.

* Preliminary, subject to change.

Authorization and the Refunding Plan for the Bonds

The Bonds are issued pursuant to the Constitution and Laws of the State, including among others, the Local Finance Law, the Education Law, and the refunding bond resolution duly adopted by the Board of Education on November 24, 2020 (the "Refunding Bond Resolution"). A refunding financial plan has been prepared and is described below (the "Refunding Plan").

The Bonds are being issued to refund \$15,490,000 of the outstanding principal of the District's \$24,355,000 School District (Serial) Bonds, 2013, which mature in the years 2022 to 2031, inclusive, (the "Refunded Bonds"). Under the Refunding Plan, the Refunded Bonds are to be called and redeemed on April 15, 2021. The net proceeds of the Bonds (after payment of the underwriting fee and other costs of issuance relating to the Bonds) will be used to purchase non-callable, direct obligations of or obligations guaranteed by the United States of America (the "Government Obligations") which, together with remaining cash proceeds from the sale of the Bonds, will be placed in an irrevocable trust fund (the "Escrow Fund") to be held by Manufacturers and Traders Trust Company, (the "Escrow Holder"), a bank located and authorized to do business in the State, pursuant to the terms of an escrow contract by and between the District and the Escrow Holder, dated as of the delivery date of the Bonds (the "Escrow Contract"). The Government Obligations so deposited will mature in amounts which, together with the cash so deposited, will be sufficient to pay the principal of and interest on the Refunded Bonds on the date of their redemption. The Refunding Plan requires the Escrow Holder, pursuant to the Refunding Bond Resolution of the District and the Escrow Contract, to pay the redemption price of the Refunded Bonds on the earliest date on which the Refunded Bonds may be called for redemption prior to maturity.

The holders of the Refunded Bonds will have a first lien on all investment income from, and maturing principal of the Government Obligations, along with other available monies held in the Escrow Fund. The Escrow Contract shall terminate upon final payment by the Escrow Holder to the paying agents/fiscal agent for the Refunded Bonds amounts from the Escrow Fund adequate for the payment, in full, of the Refunded Bonds, including interest payable with respect thereto.

The Refunding Plan will permit the District to realize, as a result of the issuance of the Bonds, cumulative dollar and present value debt service savings.

Under the Refunding Plan, the Refunded Bonds will continue to be general obligations of the District. However, inasmuch as the Government Obligations held in the Escrow Fund will be sufficient to meet all required payments of principal, interest and redemption premium requirements when required in accordance with the Refunding Plan, it is not anticipated that any other source of payment will be required.

The list of Refunded Bond maturities set forth below may be changed by the District in its sole discretion due to market or other factors considered relevant by the District at the time of pricing of the Bonds and no assurance can be given that any particular bonds listed below or that any particular maturity thereof will be refunded.

(The remainder of this page intentionally left blank.)

Refunded Bonds*:

<u>Maturity Date:</u>	<u>Principal</u>	<u>Interest Rate</u>	<u>CUSIP</u>	<u>Redemption Date/Price</u>
April 15, 2022	\$1,290,000	5.00%	166074 BZ6	April 15, 2021 @ 100.00%
April 15, 2023	1,360,000	5.00	166074 CA0	April 15, 2021 @ 100.00%
April 15, 2024	1,430,000	3.00	166074 CB8	April 15, 2021 @ 100.00%
April 15, 2025	1,470,000	3.00	166074 CC6	April 15, 2021 @ 100.00%
April 15, 2026	1,515,000	3.00	166074 CD4	April 15, 2021 @ 100.00%
April 15, 2027	1,555,000	5.00	166074 CE2	April 15, 2021 @ 100.00%
April 15, 2028	1,635,000	3.25	166074 CF9	April 15, 2021 @ 100.00%
April 15, 2029	1,690,000	3.25	166074 CG7	April 15, 2021 @ 100.00%
April 15, 2030	1,745,000	3.25	166074 CH5	April 15, 2021 @ 100.00%
April 15, 2031	1,800,000	3.25	166074 CJ1	April 15, 2021 @ 100.00%
Total:	<u>\$15,490,000</u>			

All proceeds of the Refunded Bonds have been heretofore expended.

* Preliminary, subject to change.

Sources and Uses of Proceeds

The proceeds of the Bonds will be applied as follows:

Sources:		
Par Amount of the Bonds		\$
Net Original Issue Premium		
		<u> </u>
		\$
		<u> </u>
Uses:		
Refunding Escrow Deposit		\$
Costs of Issuance and Contingency		
Underwriter's Discount		
		<u> </u>
Total		<u> </u>
		\$
		<u> </u>

Verification of Mathematical Computations

Causey, Demgen & Moore P.C. will verify from the information provided to them, the mathematical accuracy, as of the date of the closing of the Bonds, of: (1) the computations contained in the provided schedules to determine that the anticipated receipts from the Government Obligations and cash deposits listed in the underwriter's schedules, to be held in escrow, will be sufficient to pay, when due, the principal, interest and call premium requirements of the Refunded Bonds, and (2) the computations of the yield on both the Government Obligations and the Bonds contained in the provided schedules to be used by Bond Counsel in its determination that the interest on the Bonds is excludable from gross income for Federal income tax purposes.

Certificated Bonds

DTC may discontinue providing its services with respect to the Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law, or the District may terminate its participation in the system of book-entry-only transfers through DTC at any time. In the event that such book-entry-only system is discontinued, the following provisions will apply: the Bonds will be issued in fully registered form in

denominations of \$5,000 each or any integral multiple thereof. Principal of the Bonds when due will be payable upon presentation at the office of a bank or trust company located and authorized to do business in the State as a fiscal agent bank to be named by the District upon termination of the book-entry-only system. Interest on the Bonds will be payable on April 15, 2021, October 15, 2021, and semi-annually thereafter on April 15 and October 15 in each year to maturity. Such interest will be payable by check drawn on the fiscal agent and mailed to the registered owner on each interest payment date at the address as shown on the registration books of the fiscal agent as of the last day of the month preceding each such interest payment date. Bonds may be transferred or exchanged at no cost to the registered owner at any time prior to maturity at the office of the fiscal agent for Bonds of the same or any other authorized denomination or denominations in the same aggregate principal amount upon the terms set forth in the Certificate of Determination of the President of the Board of Education authorizing the sale of the Bonds and fixing the details thereof and in accordance with the Local Finance Law. The fiscal agent shall not be obligated to make any such transfer or exchange of Bonds between the last business day of the month preceding an interest payment date and such interest payment date.

Optional Redemption

Call Provisions. The Bonds maturing in the years 2022 to 2029, inclusive, will not be subject to redemption prior to maturity. The Bonds maturing on or after April 15, 2030 will be subject to redemption prior to maturity at the option of the District, in whole or in part, and if in part, in any order of their maturity and in any amount within a maturity (selected by lot within a maturity) on any date on or after April 15, 2029 at par, plus accrued interest to the date of redemption.

Notification Procedures. If less than all of the Bonds of any maturity are to be redeemed, the particular bonds of such maturity redeemed shall be selected by lot in any customary manner of selection as determined by the District. Notice of such call for redemption shall be given by mailing such notice to the registered holder not more than sixty (60) days nor less than thirty (30) days prior to such date. Notice of redemption having been given as aforesaid, the bonds so called for redemption shall, on the date for redemption set forth in such call for redemption, become due and payable together with interest to such redemption date. Interest shall cease to be paid thereon after such redemption date (See “Book-Entry-Only System” for additional information concerning redemptions).

Nature of the Obligation

Each Bond when duly issued and paid for will constitute a contract between the District and the holder thereof.

Holders of any series of notes or bonds of the District may bring an action or commence a proceeding in accordance with the civil practice law and rules to enforce the rights of the holders of such series of notes or bonds.

Although the State Legislature is restricted by Article VIII, Section 12 of the State Constitution from imposing limitations on the power to raise taxes to pay “interest on or principal of indebtedness theretofore contracted” prior to the effective date of any such legislation, the New York State Legislature may from time to time impose additional limitations or requirements on the ability to increase a real property tax levy or on the methodology, exclusions or other restrictions of various aspects of real property taxation (as well as on the ability to issue new indebtedness). On June 24, 2011, Chapter 97 of the Laws of 2011 was signed into law by the Governor (the “Tax Levy Limitation Law”). The Tax Levy Limitation Law applies to local governments and school districts in the State (with certain exceptions) and imposes additional procedural requirements on the ability of municipalities and school districts to levy certain year-to-year increases in real property taxes.

Under the Constitution of the State, the District is required to pledge its faith and credit for the payment of the principal of and interest on the Bonds and is required to raise real estate taxes, and without specification, other revenues, if such levy is necessary to repay such indebtedness. While the Tax Levy Limitation Law imposes a statutory limitation on the District’s power to increase its annual tax levy with the amount of such increase limited by the formulas set forth in the Tax Levy Limitation Law, it also provides the procedural method to surmount that limitation. (See “*Tax Levy Limitation Law*,” herein.)

The Constitutionally-mandated general obligation pledge of municipalities and school districts in New York State

has been interpreted by the Court of Appeals, the State's highest court, in Flushing National Bank v. Municipal Assistance Corporation for the City of New York, 40 N.Y.2d 731 (1976), as follows:

A pledge of the city's faith and credit is both a commitment to pay and a commitment of the city's revenue generating powers to produce the funds to pay. Hence, an obligation containing a pledge of the City's "faith and credit" is secured by a promise both to pay and to use in good faith the city's general revenue powers to produce sufficient funds to pay the principal and interest of the obligation as it becomes due. That is why both words, "faith" and "credit" are used and they are not tautological. That is what the words say and this is what the courts have held they mean... So, too, although the Legislature is given the duty to restrict municipalities in order to prevent abuses in taxation, assessment, and in contracting of indebtedness, it may not constrict the City's power to levy taxes on real estate for the payment of interest on or principal of indebtedness previously contracted... While phrased in permissive language, these provisions, when read together with the requirement of the pledge and faith and credit, express a constitutional imperative: debt obligations must be paid, even if tax limits be exceeded".

In addition, the Court of Appeals in the Flushing National Bank (1976) case has held that the payment of debt service on outstanding general obligation bonds and notes takes precedence over fiscal emergencies and the police power of political subdivisions in New York State.

The pledge has generally been understood as a promise to levy property taxes without limitation as to rate or amount to the extent necessary to cover debt service due to language in Article VIII Section 10 of the Constitution which provides an exclusion for debt service from Constitutional limitations on the amount of a real property tax levy, insuring the availability of the levy of property tax revenues to pay debt service. As the Flushing National Bank (1976) Court noted, the term "faith and credit" in its context is "not qualified in any way". Indeed, in Flushing National Bank v. Municipal Assistance Corp., 40 N.Y.2d 1088 (1977) the Court of Appeals described the pledge as a direct constitutional mandate. In Quirk v. Municipal Assistance Corp., 41 N.Y.2d 644 (1977), the Court of Appeals stated that, while holders of general obligation debt did not have a right to particular revenues such as sales tax, "with respect to traditional real estate tax levies, the bondholders are constitutionally protected against an attempt by the State to deprive the city of those revenues to meet its obligations." According to the Court in Quirk, the State Constitution "requires the city to raise real estate taxes, and without specification other revenues, if such a levy be necessary to repay indebtedness."

In addition, the Constitution of the State requires that every county, city, town, village, and school district in the State provide annually by appropriation for the payment of all interest and principal on its serial bonds and certain other obligations, and that, if at any time the respective appropriating authorities shall fail to make such appropriation, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied to such purposes. In the event that an appropriating authority were to make an appropriation for debt service and then decline to expend it for that purpose, this provision would not apply. However, the Constitution of the State does also provide that the fiscal officer of any county, city, town, village, or school district may be required to set apart and apply such first revenues at the suit of any holder of any such obligations.

In Quirk v. Municipal Assistance Corp., the Court of Appeals described this as a "first lien" on revenues, but one that does not give holders a right to any particular revenues. It should thus be noted that the pledge of the faith and credit of a political subdivision in New York State is a pledge of an issuer of a general obligation bond or note to use its general revenue powers, including, but not limited to, its property tax levy to pay debt service on such obligations, but that such pledge may not be interpreted by a court of competent jurisdiction to include a constitutional or statutory lien upon any particular revenues.

While the courts in New York State have historically been protective of the rights of holders of general obligation debt of political subdivisions, it is not possible to predict what a future court might hold.

Book-Entry-Only System

The information in this Section concerning DTC and DTC's book-entry only system has been obtained from DTC. The District makes no representation or warranty regarding the accuracy or completeness thereof.

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered bond certificate will be issued for each maturity of the Bonds.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each note (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant of such issue to be redeemed. The District is not responsible for sending notices to Beneficial Owners.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor depository is not obtained, bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

Source: The Depository Trust Company

THE INFORMATION CONTAINED IN THE ABOVE SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SAMPLE OFFERING DOCUMENT LANGUAGE SUPPLIED BY DTC, BUT THE DISTRICT TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF. IN ADDITION, THE DISTRICT WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATION TO PARTICIPANTS, TO INDIRECT PARTICIPANTS OR TO ANY BENEFICIAL OWNER WITH RESPECT TO: (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY PARTICIPANT OR ANY INDIRECT PARTICIPANT; (II) THE PAYMENTS BY DTC OR ANY PARTICIPANT OR ANY INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OF, OR PREMIUM, IF ANY, OR INTEREST ON THE BONDS OR (III) ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO BONDOWNERS.

THE DISTRICT CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE BONDS (1) PAYMENTS OF PRINCIPAL OF OR INTEREST OR REDEMPTION PREMIUM ON THE BONDS (2) CONFIRMATIONS OF THEIR OWNERSHIP INTERESTS IN THE BONDS OR (3) OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS PARTNERSHIP NOMINEE, AS THE REGISTERED OWNER OF THE BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT.

THE DISTRICT WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO DTC, THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OF DTC OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC; (2) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF OR INTEREST OR REDEMPTION PREMIUM ON THE BONDS; (3) THE DELIVERY BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT

PARTICIPANTS OF DTC OR ANY NOTICE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED TO BE GIVEN TO OWNERS ; OR (4) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE REGISTERED HOLDER OF THE BONDS.

SPECIAL PROVISIONS AFFECTING REMEDIES UPON DEFAULT

General Municipal Law Contract Creditors' Provision. Each Bond when duly issued and paid for will constitute a contract between the District and the holder thereof. Under current law, provision is made for contract creditors of the District to enforce payments upon such contracts, if necessary, through court action. Section 3-a of the General Municipal Law provides, subject to exceptions not pertinent, that the rate of interest to be paid by the District upon any judgment or accrued claim against it on an amount adjudged due to a creditor shall not exceed nine per centum per annum from the date due to the date of payment. This provision might be construed to have application to the holders of the Bonds in the event of a default in the payment of the principal of and interest on the Bonds.

Execution/Attachment of Municipal Property. As a general rule, property and funds of a municipal corporation serving the public welfare and interest have not been judicially subjected to execution or attachment to satisfy a judgment, although judicial mandates have been issued to officials to appropriate and pay judgments out of certain funds or the proceeds of a tax levy. In accordance with the general rule with respect to municipalities, judgments against the District may not be enforced by levy and execution against property owned by the District.

Authority to File For Municipal Bankruptcy. The Federal Bankruptcy Code allows public bodies, such as counties, cities, towns and villages, recourse to the protection of a Federal Court for the purpose of adjusting outstanding indebtedness. Section 85.80 of the Local Finance Law contains specific authorization for any municipality in the State or its emergency control board to file a petition under any provision of Federal bankruptcy law for the composition or adjustment of municipal indebtedness.

The State has consented that any municipality in the State may file a petition with the United States District Court or court of bankruptcy under any provision of the laws of the United States, now or hereafter in effect, for the composition or adjustment of municipal indebtedness. Subject to such State consent, under the United States Constitution, Congress has jurisdiction over such matters and has enacted amendments to the existing federal bankruptcy statute, being Chapter 9 thereof, generally to the effect and with the purpose of affording municipal corporations, under certain circumstances, with easier access to judicially approved adjustment of debt, including judicial control over identifiable and unidentifiable creditors.

No current state law purports to create any priority for holders of the Bonds should the District be under the jurisdiction of any court, pursuant to the laws of the United States, now or hereafter in effect, for the composition or adjustment of municipal indebtedness.

The rights of the owners of Bonds to receive interest and principal from the District could be adversely affected by the restructuring of the District's debt under Chapter 9 of the Federal Bankruptcy Code. No assurance can be given that any priority of holders of debt obligations issued by the District (including the Bonds) to payment from monies retained in any debt service fund or from other cash resources would be recognized if a petition were filed by or on behalf of the District under the Federal Bankruptcy Code or pursuant to other subsequently enacted laws relating to creditors' rights; such monies might, under such circumstances, be paid to satisfy the claims of all creditors generally.

Under the Federal Bankruptcy Code, a petition may be filed in the Federal Bankruptcy court by a municipality which is insolvent or unable to meet its debts as they mature. Generally, the filing of such a petition operates as a stay of any proceeding to enforce a claim against the municipality. The Federal Bankruptcy Code also requires that a plan be filed for the adjustment of the municipality's debt, which may modify or alter the rights of creditors and which could be secured. Any plan of adjustment confirmed by the court must be approved by the requisite number of creditors. If confirmed by the bankruptcy court, the plan would be binding upon all creditors affected by it.

State Debt Moratorium Law. There are separate State law provisions regarding debt service moratoriums enacted into law in 1975.

At the Extraordinary Session of the State Legislature held in November, 1975, legislation was enacted which

purported to suspend the right to commence or continue an action in any court to collect or enforce certain short-term obligations of The City of New York. The effect of such act was to create a three-year moratorium on actions to enforce the payment of such obligations. On November 19, 1976, the Court of Appeals, the State's highest court, declared such act to be invalid on the ground that it violates the provisions of the State Constitution requiring a pledge by such City of its faith and credit for the payment of obligations.

As a result of the Court of Appeals decision in Flushing National Bank v. Municipal Assistance Corporation for the City of New York, 40 N.Y.2d 731 (1976), the constitutionality of that portion of Title 6-A of Article 2 of the Local Finance Law, as described below, enacted at the 1975 Extraordinary Session of the State legislature authorizing any county, city, town or village with respect to which the State has declared a financial emergency to petition the State Supreme Court to stay the enforcement against such municipality of any claim for payment relating to any contract, debt or obligation of the municipality during the emergency period, is subject to doubt. In any event, no such emergency has been declared with respect to the District.

Right of Municipality or State to Declare a Municipal Financial Emergency and Stay Claims Under State Debt Moratorium Law. The State Legislature is authorized to declare by special act that a state of financial emergency exists in any county, city, town or village. (The provision does not by its terms apply to school districts or fire districts.) In addition, the State Legislature may authorize by special act establishment of an "emergency financial control board" for any county, city, town or village upon determination that such a state of financial emergency exists. Thereafter, unless such special act provides otherwise, a voluntary petition to stay claims may be filed by any such municipality (or by its emergency financial control board in the event said board requests the municipality to petition and the municipality fails to do so within five days thereafter). A petition filed in supreme court in the county in which the municipality is located in accordance with the requirements of Title 6-A of the Local Finance Law ("Title 6-A") effectively prohibits the doing of any act for ninety days in the payment of claims against the municipality, including payment of debt service on outstanding indebtedness.

This includes staying the commencement or continuation of any court proceedings seeking payment of debt service due, the assessment, levy or collection of taxes by or for the municipality or the application of any funds, property, receivables or revenues of the municipality to the payment of debt service. The stay can be vacated under certain circumstances with provisions for the payment of amounts due or overdue upon a demand for payment in accordance with the statutory provisions set forth therein. The filing of a petition may be accompanied with a proposed repayment plan which, upon court order approving the plan, may extend any stay in the payment of claims against the municipality for such "additional period of time as is required to carry out fully all the terms and provisions of the plan with respect to those creditors who accept the plan or any benefits thereunder." Court approval is conditioned, after a hearing, upon certain findings as provided in Title 6-A.

A proposed plan can be modified prior to court approval or disapproval. After approval, modification is not permissible without court order after a hearing. If not approved, the proposed plan must be amended within ten days or else the stay is vacated and claims, including debt service due or overdue, must be paid. It is at the discretion of the court to permit additional filings of amended plans and continuation of any stay during such time. A stay may be vacated or modified by the court upon motion of any creditor if the court finds after a hearing that the municipality has failed to comply with a material provision of an accepted repayment plan or that due to a "material change in circumstances" the repayment plan is no longer in compliance with statutory requirements.

Once an approved repayment plan has been completed, the court, after a hearing upon motion of any creditor, or a motion of the municipality or its emergency financial control board, will enter an order vacating any stay then in effect and enjoining of creditors who accepted the plan or any benefits thereunder from commencing or continuing any court action, proceeding or other act described in Title 6-A relating to any debt included in the plan.

Title 6-A requires notice to all creditors of each material step in the proceedings. Court determinations adverse to the municipality or its financial emergency control board are appealable as of right to the appellate division in the judicial department in which the court is located and thereafter, if necessary, to the Court of Appeals. Such appeals stay the judgment or appealed from and all other actions, special proceedings or acts within the scope of Section 85.30 of Title 6-A pending the hearing and determination of the appeals.

Whether Title 6-A is valid under the Constitutional provisions regarding the payment of debt service is not known. However, based upon the decision in the Flushing National Bank case described above, its validity is subject to doubt.

While the State Legislature has from time to time adopted legislation in response to a municipal fiscal emergency and established public benefit corporations with a broad range of financial control and oversight powers to oversee such municipalities, generally such legislation has provided that the provisions of Title 6-A are not applicable during any period of time that such a public benefit corporation has outstanding indebtedness issued on behalf of such municipality.

Fiscal Stress and State Emergency Financial Control Boards. Pursuant to Article IX Section 2(b)(2) of the State Constitution, any local government in the State may request the intervention of the State in its “property, affairs and government” by a two-thirds vote of the total membership of its legislative body or on request of its chief executive officer concurred in by a majority of such membership. This has resulted in the adoption of special acts for the establishment of public benefit corporations with varying degrees of authority to control the finances (including debt issuance) of the cities of Buffalo, Troy and Yonkers and the County of Nassau. The specific authority, powers and composition of the financial control boards established by these acts varies based upon circumstances and needs. Generally, the State legislature has granted such boards the power to approve or disapprove budget and financial plans and to issue debt on behalf of the municipality, as well as to impose wage and/or hiring freezes and approve collective bargaining agreements in certain cases. Implementation is left to the discretion of the board of the public benefit corporation. Such a State financial control board was first established for New York City in 1975. In addition, on a certificate of necessity of the governor reciting facts which in the judgment of governor constitute an emergency requiring enactment of such laws, with the concurrences of two-thirds of the members elected in each house of the State legislature, the State is authorized to intervene in the “property, affairs and governments” of local government units. This occurred in the case of the County of Erie in 2005. The authority of the State to intervene in the financial affairs of local government is further supported by Article VIII, Section 12 of the Constitution, which declares it to be the duty of the State legislature to restrict, subject to other provisions of the Constitution, the power of taxation, assessment, borrowing money and contracting indebtedness and loaning the credit of counties, cities, towns and villages so as to prevent abuses in taxation and assessment and in contracting indebtedness by them.

In 2013, the State established a new state advisory board to assist counties, cities, towns and villages in financial distress. The Financial Restructuring Board for Local Governments (the “FRB”), is authorized to conduct a comprehensive review of the finances and operations of any such municipality deemed by the FRB to be fiscally eligible for its services upon request by resolution of the municipal legislative body and concurrence of its chief executive. The FRB is authorized to make recommendations for, but cannot compel improvement of fiscal stability, management and delivery of municipal services, including shared services opportunities, and is authorized to offer grants and/or loans of up to \$5,000,000 through a Local Government Performance and Efficiency Program to undertake certain recommendations. If a municipality agrees to undertake the FRB recommendations, it will be automatically bound to fulfill the terms in order to receive the aid.

The FRB is also authorized to serve as an alternative arbitration panel for binding arbitration.

Although from time to time there have been proposals for the creation of a statewide financial control board with broad authority over local governments in the State, the FRB does not have emergency financial control board powers to intervene, such as the public benefit corporations established by special acts as described above.

Several municipalities in the State are presently working with the FRB. The District has not applied to the FRB and does not reasonably expect to do so in the foreseeable future. School districts and fire districts are not eligible for FRB assistance.

Constitutional Non-Appropriation Provision. There is in the Constitution of the State, Article VIII, Section 2, the following provision relating to the annual appropriation of monies for the payment of due principal of and interest on indebtedness of every county, city, town, village and school district in the State. “If at any time the respective appropriating authorities shall fail to make such appropriations, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied to such purposes. The fiscal officer of any county, city, town, village or school district may be required to set aside and apply such revenues as aforesaid at the suit of any holder of obligations issued for any such indebtedness.” This constitutes a specific non-exclusive constitutional remedy against a defaulting municipality or school district; however, it does not apply in a context in which monies have been appropriated for debt service but the appropriating authorities decline to use such monies to pay debt service. However, Article VIII, Section 2 of the Constitution of the State also provides that the fiscal officer of any county, city, town, village or school district may be required to set apart and apply such revenues at the suit of any holder of

any obligations of indebtedness issued with the pledge of the faith of the credit of such political subdivision. See “General Municipal Law Contract Creditors’ Provision” herein.

The Constitutional provision providing for first revenue set asides does not apply to tax anticipation notes, revenue anticipation notes or bond anticipation notes.

Default Litigation. In prior years, certain events and legislation affecting a holder’s remedies upon default have resulted in litigation. While courts of final jurisdiction have upheld and sustained the rights of bondholders, such courts might hold that future events including financial crises as they may occur in the State and in political subdivisions of the State, require the exercise by the State or its political subdivisions of emergency and police powers to assure the continuation of essential public services prior to the payment of debt service. See “Nature of Obligation” and “State Debt Moratorium Law” herein.

No Past Due Debt. No principal of or interest on District indebtedness is past due. The District has never defaulted in the payment of the principal of and interest on any indebtedness.

RISK FACTORS

There are certain potential risks associated with an investment in the Bonds, and investors should be thoroughly familiar with this Official Statement, including its appendices, in order to make an informed investment decision. Investors should consider, in particular, the following factors:

The District's credit rating could be affected by circumstances beyond the District's control. Economic conditions such as the rate of unemployment and inflation, termination of commercial operations by corporate taxpayers and employers, as well as natural catastrophes, could adversely affect the assessed valuation of District property and its ability to maintain fund balances and other statistical indices commensurate with its current credit rating. Accordingly, a decline in the District's credit rating could adversely affect the market value of the Bonds.

In addition, if and when a holder of any of the Bonds should elect to sell a Bond prior to its maturity, there can be no assurance that a market shall have been established, maintained and be in existence for the purchase and sale of any Bonds. The price or principal value of the Bonds is dependent on the prevailing level of interest rates. If interest rates should increase, the price of a bond or note may decline causing the bond or noteholder to potentially incur a capital loss if such bond or note is sold prior to its maturity.

The financial condition of the District as well as the market for the Bonds could be affected by a variety of factors, some of which are beyond the District's control. There can be no assurance that adverse events in the State, including, for example, the seeking by a municipality of remedies pursuant to the Federal Bankruptcy Act or otherwise, will not occur which might affect the market price of and the market for the Bonds. If a significant default or other financial crisis should occur in the affairs of the State or at any of its agencies or political subdivisions thereby further impairing the acceptability of obligations issued by borrowers within the State, both the ability of the District to arrange for additional borrowings and the market for and market value of outstanding debt obligations, including the Bonds, could be adversely affected.

The District relies in part on State aid to fund its operations. There can be no assurance that the State appropriation for State aid to school districts will be continued in future years, either pursuant to existing formulas or in any form whatsoever. State aid appropriated and apportioned to the District can be paid only if the State has such monies available therefore. The availability of such monies and the timeliness of such payment may also be affected by a delay in the adoption of the State budget, the impact to the State’s economy and financial condition due to the COVID-19 outbreak and other circumstances, including State fiscal stress. In any event, State aid appropriated and apportioned to the District can be paid only if the State has such monies available therefore. (See “*State Aid*” and “*Events Affecting New York School Districts*” herein). Should the District fail to receive State aid expected from the State in the amounts or at the times expected, occasioned by a delay in the payment of such monies or by a reduction in State aid, the District is authorized by the Local Finance Law to provide operating funds by borrowing on account of the uncollected State aid.

An outbreak of disease or similar public health threat, such as the COVID-19 outbreak, or fear of such an event, could have an adverse impact on the District's financial condition and operating results by potentially delaying the receipt of real property taxes or resulting in a delay or reduction by the State in the payment of State aid. Currently, the COVID-19 outbreak has spread globally, including to the United States, and has been declared a pandemic by the World Health Organization. The outbreak of the disease has affected travel, commerce and financial markets globally and is widely expected to continue to affect economic growth worldwide. The outbreak caused the Federal government to declare a national state of emergency, which was followed by the enactment of a variety of stimulus measures designed to address financial stability and liquidity issues caused by the outbreak. The State also declared a state of emergency and the Governor has taken steps designed to mitigate the spread and impacts of COVID-19, including closing schools and non-essential businesses. Efforts to contain the spread of COVID-19 has reduced the spread of the virus in some areas and there have been recent efforts to relax some of the restrictions put in place following the initial outbreak. Nevertheless, the outbreak of COVID-19 and the dramatic steps taken by the Federal government and State to address it are expected to negatively impact federal and local economies, including the economy of the State. The full impact of COVID-19 on the State's operations and financial condition is not expected to be known for some time. Similarly, the degree of the impact to the District's operations and finances as a result of COVID-19 is extremely difficult to predict due to the uncertainties relating to its (i) duration, and (ii) severity, as well as with regard to what actions have been or may continue to be taken by governmental and other health care authorities, including the State, to contain or mitigate its impact. The spread of the outbreak or resurgence later in the year could have a material adverse effect on the State and municipalities and school districts located in the State, including the District. The District is monitoring the situation and will take such proactive measures as may be required to maintain its operations and meet its obligations. (See "*State Aid*" and "*Events Affecting New York School Districts*" herein).

TAX MATTERS

Opinion of Bond Counsel

In the opinion of Orrick, Herrington & Sutcliffe LLP ("Bond Counsel"), based upon an analysis of existing laws, regulations, rulings, and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code") and is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York). Bond Counsel is of the further opinion that interest on the Bonds is not a specific preference item for purposes of the federal alternative minimum tax. A complete copy of the proposed form of opinion of Bond Counsel is set forth in Appendix D hereto.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Bonds. The School District has covenanted to comply with certain restrictions designed to insure that interest on the Bonds will not be included in federal gross income. Failure to comply with these covenants may result in interest on the Bonds being included in gross income for federal income tax purposes possibly from the date of original issuance of the Bonds. The opinion of Bond Counsel assumes compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Bonds may adversely affect the value of, or the tax status of interest on, the Bonds. Further, no assurance can be given that pending or future legislation or amendments to the Code, if enacted into law, or any proposed legislation or amendments to the Code, will not adversely affect the value of, or the tax status of interest on, the Bonds.

Certain requirements and procedures contained or referred to in the Arbitrage Certificate, and other relevant documents may be changed and certain actions (including, without limitation, economic defeasance of the Bonds) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. Bond Counsel expresses no opinion as to any Bonds or the interest thereon if any such change occurs or action is taken or omitted.

Although Bond Counsel is of the opinion that interest on the Bonds is excluded from gross income for federal income tax purposes and is excluded from adjusted gross income for federal income taxes imposed by the State of New York and The City of New York, the ownership or disposition of, or the amount accrual or receipt of interest

on, the Bonds may otherwise affect a Owner's federal or state tax liability. The nature and extent of these other tax consequences will depend upon the particular tax status of the Owner or the Owner's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bond to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, and regarding the impact of future legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

LITIGATION

In common with other school districts, the District from time to time receives various notices of claim and is party to litigation. In the opinion of the District, unless otherwise set forth herein and apart from matters provided for by applicable insurance coverage, there are no claims or actions pending which, if determined against the District, would have an adverse material effect on the financial condition of the District.

Various property owners have filed certiorari claims under Article 7 of the Real Property Tax Law. These taxpayers assert that their property values, as presently determined, are excessive and request assessment reductions and, in most actions, a refund of property taxes previously paid. It is not possible to provide an estimate of the District's ultimate financial exposure but historically tax certiorari settlements have resulted in assessment reductions and related tax refunds for amounts less than the original claim.

For the fiscal years June 30, 2019 and 2020 the District paid tax refunds of \$26,760 and \$6,490, respectively. The District may finance tax settlements by issuing debt pursuant to provisions set forth in the Local Finance Law. The District has a reserve for tax certiorari to pay claims with a balance of \$1,424,883 as of June 30, 2020.

There is no action, suit, proceedings or investigation, at law or in equity, before or by any court, public board or body pending or, to the best knowledge of the District, threatened against or affecting the District to restrain or enjoin the issuance, sale or delivery of the Bonds or any proceedings or authority of the District taken with respect to the authorization, issuance or sale of the Bonds or contesting the corporate existence or boundaries of the District.

CYBERSECURITY

The District, like many other public and private entities, relies on technology to conduct its operations. As a recipient and provider of personal, private, or sensitive information, the District faces multiple cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. To mitigate the risk of business operations impact and/or damage from cyber incidents or cyber-attacks, the District invests in various forms of cybersecurity and operational controls; however, no assurances can be given that such security and operational control measures will be completely successful to guard against cyber threats and attacks. The results of any such attack could impact business operations and/or damage District digital networks and systems and the costs of remedying any such damage could be substantial.

LEGAL MATTERS

Legal matters incident to the authorization, issuance and sale of the Bonds are subject to the approving legal opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel. Bond Counsel's opinion will be in substantially the form attached hereto as Appendix D.

CONTINUING DISCLOSURE UNDERTAKING

In accordance with the requirements of Rule 15c2-12 as the same may be amended or officially interpreted from time to time (the “Rule”), promulgated by the Securities and Exchange Commission (the “Commission”), the District has agreed to provide, or cause to be provided,

(i) during any succeeding fiscal year in which the Bonds are outstanding, to the Municipal Securities Rulemaking Board (“MSRB”) through its Electronic Municipal Market Access (“EMMA”) system, in electronic format and accompanied by such identifying information as is prescribed by the MSRB, certain “annual financial information” (as such quoted term is defined under the Rule) for the preceding fiscal year, in a form generally consistent with the information contained or cross-referenced under the heading(s) “THE DISTRICT”, “FINANCIAL FACTORS”, “REAL PROPERTY TAXES”, “DISTRICT INDEBTEDNESS”, “ECONOMIC AND DEMOGRAPHIC DATA” and “LITIGATION” and a copy of the audited financial statement (prepared in accordance with generally accepted accounting principles in effect at the time of audit) for the preceding year when and if available will be so provided on or prior to the later of either the end of the sixth month of each such succeeding fiscal year or, if audited financial statements are prepared, sixty days following receipt by the District of audited financial statements for the preceding fiscal year, but, in no event, not later than the last business day of each such succeeding fiscal year.

(ii) In a timely manner, not more than ten (10) business days after occurrence of the event, to the MSRB through EMMA in electronic format, a notice of any of the following events with respect to the Bonds:

- (a) principal and interest payments delinquencies;
- (b) non-payment related defaults, if material;
- (c) unscheduled draws on debt service reserves reflecting financial difficulties;
- (d) unscheduled draws on credit enhancements reflecting financial difficulties;
- (e) substitution of credit or liquidity providers, or their failure to perform;
- (f) adverse tax opinions, the issuance by the Internal Revenue Service (IRS) of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (g) modifications to rights of Bondholders, if material;
- (h) bond calls, if material and tender offers;
- (i) defeasances;
- (j) release, substitution, or sale of property securing repayment of the Bonds, if material;
- (k) rating changes;
- (l) bankruptcy, insolvency, receivership or similar events of the District.
- (m) The consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of the assets of the District, other than in the ordinary course of business, the entry into a definitive agreement to undertake such action or the termination of a definitive agreement relating to such actions, other than pursuant to its terms, if material;

- (n) appointment of a successor or additional trustee, or the change of the name of the trustee, if material;
- (o) incurrence of a “financial obligation” (as defined in the Rule) of the District, if material, or agreement to covenants, events of default, remedies, priority rights or other similar terms of a financial obligation, any of which affect Bond holders, if material; and
- (p) default, event of acceleration, termination event, modification of terms or other similar events under a financial obligation of the District, if any such event reflects financial difficulties.

*Event (c) is included pursuant to a letter from the SEC staff to the National Association of Bond Lawyers dated September 19, 1995. However, event (c) is not applicable, since no "debt service reserves" will be established for the Bonds.

**With respect to event (d) the District does not undertake to provide any notice with respect to credit enhancement added after the primary offering of the Bonds.

***With respect to event (l) the event is considered to occur upon: the appointment of a receiver, fiscal agent or similar officer for the District in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or government authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District.

"Financial Obligation" means a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term Financial Obligation shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

The District may from time to time choose to provide notice of the occurrence of certain other events in addition to those listed above, if the District determines that any such other event is material with respect to the Bonds; but the District does not undertake to commit to provide any such notice of the occurrence of any material event except those events listed above.

- (iii) in a timely manner, to the MSRB through EMMA, notice of its failure to provide the aforescribed annual financial information on or before the date specified in the continuing disclosure undertaking.

The District reserves the right to terminate its obligation to provide the aforescribed notices, as set forth above, if and when the District no longer remains an obligated person with respect to the Bonds within the meaning of the Rule. The District acknowledges that its undertaking pursuant to the Rule described under this heading is intended to be for the benefit of the holders of the Bonds (including holders of beneficial interest in the Bonds). The right of holders of the Bonds to enforce the provisions of the undertaking will be limited to a right to obtain specific enforcement of the District obligations under its event notices undertaking and any failure by the District to comply with the provisions of the undertaking will neither be a default with respect to the Bonds nor entitle any holder of the Bonds to recover monetary damages.

The District reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the District, provided that the District agrees that any such modification will be done in a manner consistent with the Rule.

(The remainder of this page intentionally left blank.)

Continuing Disclosure History

On October 13, 2020, the District filed a material event notice with EMMA related to a rating downgrade. On October 2, 2020, Moody's Investors Service downgraded the programmatic rating on New York State Section 99-b Intercept Program applicable to all New York State school districts, including the district to A1 from Aa3. The underlying credit rating on the District's outstanding bonds were not affected by the downgrade.

RATINGS

The District has applied to Moody's Investors Service ("Moody's") for ratings on the Bonds. Such application is pending at this time.

The District's outstanding uninsured long-term indebtedness has been assigned a rating of "A1" by Moody's.

Such rating reflects only the views of Moody's and any desired explanation of the significance of such rating should be obtained from Moody's, 7 World Trade Center at 250 Greenwich Street, New York, New York 10007. There can be no assurance that such rating continues for any specified period of time or that such rating will not be revised or withdrawn, if in the judgment of Moody's, circumstances so warrant. Any such change or withdrawal of such rating may have an adverse effect on the market price of the Bonds or the availability of a secondary market for the Bonds.

MUNICIPAL ADVISOR

Capital Markets Advisors LLC, Great Neck, New York is serving as Municipal Advisor to the District with respect to the issuance of the Bonds. The Municipal Advisor will not engage in any underwriting activities with regard to the issuance and sale of the Bonds. The Municipal Advisor is not obligated to undertake and has not undertaken to make an independent verification or to assume responsibility for the accuracy, completeness or fairness of the information contained in this Official Statement and is not obligated to review or ensure compliance with the undertaking by the District to provide continuing secondary market disclosure.

ADDITIONAL INFORMATION

Statements in the Official Statement, and the documents included by specific reference, that are not historical facts are "forward-looking statements", within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and as defined in the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties, and which are based on the District management's beliefs as well as assumptions made by, and information currently available to, the District management and staff. Because the statements are based on expectations about future events and economic performance and are not statements of fact, actual results may differ materially from those projected. Important factors that could cause future results to differ include legislative and regulatory changes, changes in the economy, and other factors discussed in this and other documents that the District files with the repositories. When used in District documents or oral presentation, the words "anticipate", "believe", "intend", "plan", "foresee", "likely", "estimate", "expect", "objective", "projection", "forecast", "goal", "will, or "should", or similar words or phrases are intended to identify forward-looking statements.

To the extent any statements made in this Official Statement involve matters of opinion or estimates, whether or not expressly stated, they are set forth as such and not as representations of fact, and no representation is made that any of the statements will be realized. Neither this Official Statement nor any statement which may have been made verbally or in writing is to be construed as a contract with the holder of the Bonds.

Orrick, Herrington & Sutcliffe LLP, New York, New York, bond counsel to the District, expresses no opinion as to the accuracy or completeness of information in any documents prepared by or on behalf of the District for use in connection with the offer and sale of the Bonds, including but not limited to, the financial or statistical information

in this Official Statement.

References herein to the Constitution of the State and various State and federal laws are only brief outlines of certain provisions thereof and do not purport to summarize or describe all of such provisions.

Concurrently with the delivery of the Bonds, the District will furnish a certificate to the effect that as of the date of the Official Statement, the Official Statement did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements herein, in the light of the circumstances under which they were made, not misleading, subject to limitation as to information in the Official Statement obtained from sources other than the District, as to which no representation can be made.

The Official Statement is submitted only in connection with the sale of the Bonds by the District and may not be reproduced or used in whole or in part for any other purpose.

The District hereby disclaims any obligation to update developments of the various risk factors or to announce publicly any revision to any of the forward-looking statements contained herein or to make corrections to reflect future events or developments except to the extent required by Rule 15c2-12 promulgated by the Securities and Exchange Commission.

Capital Markets Advisors, LLC may place a copy of this Official Statement on its website at www.capmark.org. Unless this Official Statement specifically indicates otherwise, no statement on such website is included by specific reference or constitutes a part of this Official Statement. Capital Markets Advisors, LLC has prepared such website information for convenience, but no decisions should be made in reliance upon that information. Typographical or other errors may have occurred in converting original source documents to digital format, and neither the District nor Capital Markets Advisors, LLC assumes any liability or responsibility for errors or omissions on such website. CHESTER UNION FREE SCHOOL DISTRICT
ORANGE COUNTY, NEW YORK

By: _____
Frank Sambets
President of the Board of Education and
Chief Fiscal Officer

DATED: January __, 2021

APPENDIX A

THE DISTRICT

THE DISTRICT

General Information

The District, located approximately 60 miles north of New York City, is situated in the central portion of Orange County. The District is comprised of the Towns of Chester (89.3% of the District), Goshen (9.8%) and Blooming Grove (.8%).

The character of the District is suburban residential in nature with some retail business activity. The majority of homes within the District are single-family. Many residents of the District commute to New York City for employment. In addition, residents of the District are employed throughout the County. See “Major Employers In The County” herein.

Municipal services, which include police and fire protection, water and sewer services, a library system and park facilities are provided by the three Towns. Electricity and natural gas are provided throughout the District by Orange & Rockland Utilities. Cable TV is provided by a private cable company.

The District is served by a network of highways, which includes New York State Routes 17, 94 and 207 and access to the New York State Thruway and Interstate 84. Commuter rail passenger service is provided by the Metro-North Division of the Metropolitan Transportation Authority, while Conrail provides freight services. Commercial air transportation is available at nearby Stewart Airport in Newburgh.

District Organization

The District is an independent entity governed by an elected board of education comprised of five members. District operations are subject to the provisions of the State Education Law affecting central school districts and school districts in general; other statutes applicable to the District include the General Municipal Law, the Local Finance Law and the Real Property Tax Law.

Members of the Board of Education are elected on a rotating basis by the qualified voters at the annual elections of the District. The term of office for each board member is 3 years and the number of terms that may be served is unrestricted. A president is selected by the board from its members and this person is the chief fiscal officer of the District. The Board of Education is vested with various powers and duties as set forth in the Education Law. Among these are: the adoption of annual budgets (subject to voter approval), the levy and collection of real property taxes, the authorization of the issuance of bonded debt (also subject to voter approval), the appointment of such employees as may be necessary, and such other duties as may be reasonably required to fulfill the responsibilities provided by law.

The Board of Education appoints the superintendent of schools who serves at its pleasure. The superintendent is the chief executive officer of the school district and the educational system. In addition, the superintendent is an ex-officio member of the Board of Education with the right to speak on all matters before the Board but not to vote. It is the responsibility of the superintendent to enforce all provisions of law and all rules and regulations relating to the management of the school and other educational, social and recreational activities under the direction of the Board of Education.

Financial Organization

Pursuant to the Local Finance Law, the President of the Board of Education is the chief fiscal officer of the District. However, certain of the financial functions of the District are the responsibility of the Superintendent of Schools, the Business Official and the District Clerk.

The District is generally required by such laws to submit propositions for the expenditure of money for capital purposes to the qualified electors of the District. Upon approval thereby, the Board of Education may adopt a bond resolution authorizing the issuance of bonds and notes in anticipation of the bonds. With respect to certain school building construction projects, the District is not permitted to spend in excess of \$100,000 for construction costs until the plans and specification for such project have been approved by the Commissioner of Education of the State.

The Local Finance Law also provides a twenty-day statute of limitations after publication of a bond resolution, together with a statutory form of notice which, in effect, stops legal challenges to the validity of obligations authorized by such bond resolution except for alleged constitutional violations. The District has complied with such procedure with respect to the Bonds.

The Board of Education, as the finance board of the District, also has the power to authorize the sale and issuance of bonds and notes, including the Bonds. However, such finance board may delegate the power to sell the Bonds to the President of the Board of Education, the chief fiscal officer of the District, pursuant to the Local Finance Law.

Debt Limit. Pursuant to the Local Finance Law, the District has the power to contract indebtedness for any District purpose authorized by the Legislature of the State of New York provided the aggregate amount thereof shall not exceed ten per centum of the full valuation of taxable real estate of the District and subject to certain enumerated exclusions and deductions such as State aid for building purposes. The constitutional and statutory method for determining full valuation consists of taking the assessed valuation of taxable real estate for the last completed assessment roll and applying thereto the ratio (equalization rate) which such assessed valuation bears to the full valuation; such ratio is determined by the State Board of Real Property Services. The State Legislature is required to prescribe the manner by which such ratio shall be determined by such authority.

There is no constitutional limitation on the amount of real property taxes which may be levied in any fiscal year to pay the principal of and interest on the Bonds. Further, the New York Constitution prohibits the State Legislature from restricting the power of the District to levy real estate taxes for the payment of principal of and interest on indebtedness authorized and issued under the Local Finance Law issued prior to the effective date of any such legislation. However, Chapter 97 of the Laws of 2011 imposes a statutory limit on the District’s power to increase its annual real property tax levy, including such taxes to pay the principal of and interest on certain obligation, not including the Bonds. See “Legal Matters,” “Market Factors Affecting Financings of the State and School Districts of the State,” and “New Tax Levy Limitation Law,” herein.

Statutory Debt Limit and Net Indebtedness

The debt limit of the District is \$87,583,702 as of January 6, 2021. This is calculated by taking 10% of the current full value of the taxable real property of the District.

Statutory Debt Limit and Net Indebtedness
(as of January 6, 2021)

Full Valuation of Taxable Real Property	\$875,837,018	
Debt Limit (10% of Full Valuation)		\$87,583,702
Outstanding Indebtedness (Principal Only):		
Bonds	16,735,000	
Bond Anticipation Notes	<u>0</u>	
Gross Indebtedness		16,735,000
Less: Exclusions		0
Total Net Indebtedness		<u>16,735,000</u>
Net Debt-Contracting Margin		<u>\$70,848,702</u>
Percentage of Debt-Contracting Margin Exhausted		<u>19.11%</u>

Source: District Officials.

Bond Anticipation Notes

The District currently does not have any bond anticipation notes outstanding.

Tax and Revenue Anticipation Notes

The District has not needed to issue tax or revenue anticipation notes in recent fiscal years. At this time the District has no plans to issue tax or revenue anticipation notes, or budget or deficiency notes.

Trend of Capital Indebtedness

The following table sets forth the amount of direct capital indebtedness outstanding at year-end for each of the last five fiscal years.

<u>Direct Capital Indebtedness Outstanding</u>					
	<u>2016</u>	<u>2017</u>	<u>2018</u>	<u>2019</u>	<u>2020</u>
Bond Anticipation Notes	\$ 0	\$ 0	\$ 0	\$ 0	\$ 0
Bonds	<u>21,250,000</u>	<u>20,190,000</u>	<u>19,080,000</u>	<u>17,930,000</u>	<u>16,735,000</u>
Total	<u>\$21,250,000</u>	<u>\$20,190,000</u>	<u>\$19,080,000</u>	<u>\$17,930,000</u>	<u>\$16,735,000</u>

Source: District’s Audited Financial Statements. This summary is not audited.

Overlapping and Underlying Debt

In addition to the District, other political units have the power to incur indebtedness payable from property taxes levied on property in the District. The table below sets forth both the total outstanding principal amount of debt issued by the District and the approximate magnitude of the burden on taxable property in the District of the debt instruments issued and outstanding by such other political units.

<u>Issuer</u>	<u>Net Debt Outstanding</u>	<u>As of</u>	<u>District Share</u>	<u>Amount Applicable To District</u>
Orange County	\$278,172,331	03/20/20	2.31%	\$ 6,425,780
Town of Blooming Grove	2,899,700	05/15/20	0.35	6,741
Town of Chester	5,099,089	06/01/20	31.43	1,602,644
Town of Goshen	1,530,000	05/15/20	4.83	<u>73,899</u>
Total Net Overlapping Debt				<u>\$8,109,064</u>
Total Net Direct Debt				<u>\$16,735,000</u>
Net Direct and Overlapping Debt				<u>\$24,844,064</u>

Source: Data provided by County, Town Officials.

(The remainder of this page has been intentionally left blank.)

Debt Ratios

The following table presents certain debt ratios relating to the District's direct and overlapping indebtedness.

	<u>Amount</u>	<u>Debt Per Capita⁽¹⁾</u>	<u>Debt to Full Value⁽²⁾</u>
Net Direct Debt	\$ 16,735,000	\$ 2,656.35	1.91%
Net Direct and Overlapping Debt	24,844,064	3,943.50	2.83

(1) The population of the District is estimated by District officials to be approximately 6,300.

(2) The District's full value of taxable real property for fiscal year 2020-2021 is \$875,837,018.

Authorized and Unissued Indebtedness

The District currently does not have any authorized but unissued debt.

Debt Service Schedule

The following table shows the debt service requirements to maturity on the District's outstanding bonded indebtedness, exclusive of the Bonds, for the fiscal years listed below.

<u>Bond Principal and Interest Maturity Table</u>			
Fiscal Year Ending June 30 th	<u>Principal</u>	<u>Interest</u>	<u>Total Principal and Interest</u>
2021	\$1,245,000	\$615,775	\$1,860,775
2022	1,290,000	565,975	1,855,975
2023	1,360,000	501,475	1,861,475
2024	1,430,000	433,475	1,863,475
2025	1,470,000	390,575	1,860,575
