Compliance History

Due to delays in the completion of the Village of Hempstead Housing Authority’s (the “Authority”) audited financial statements, mainly caused by COVID-related staffing issues by the Authority’s independent auditors, the completion of the Village’s audited financial statements have been delayed in recent years as the Authority is a component unit of the Village. It should also be noted that the operations of the Authority have no financial impact on the Village and the Authority is not financially dependent upon the Village. Due to the aforementioned delays, the Village did not make timely filings of its audited financial statements for the fiscal year ended May 31, 2019, May 31, 2020 and May 31, 2021. The Village filed all required event notices related to such late filings.
