**Introduction**

The Preliminary Official Statement for the Notes is dated **July 21, 2022** (the "Preliminary Official Statement"). The **West Babylon Union Free School District**, Suffolk County, New York (the "**District**") has prepared this Supplement dated **August 2, 2022**, to the Official Statement (the "Supplement") to update the "CYBERSECURITY" section on page 8.

Other than with respect to the information provided herein, this Supplement is not otherwise updating the Preliminary Official Statement, which speaks as of its date. Capitalized terms used herein and not otherwise defined have the meanings given to such terms in the Official Statement.

**The "CYBERSECURITY" section on page 8 of the Preliminary Official Statement now includes a third paragraph which states the following:**

On July 25, 2022, the District detected a security incident, which impacted the availability of certain systems within its computer network. In response, the District implemented its security protocols, which include activating its response team and commencing an investigation. The District has an insurance policy that provides coverage in connection with incidents like this. The District's investigation of this incident is still ongoing and the District is methodically working to restore the impacted systems to operation as quickly and as safely as possible. To the extent required, the District is complying with all state and federal reporting and notification requirements related to this incident.
