

## **PRELIMINARY OFFICIAL STATEMENT DATED NOVEMBER 13, 2023**

### **NEW MONEY AND RENEWAL ISSUE BOND ANTICIPATION NOTES**

**RATING:** See “RATING” herein

*In the opinion of Harris Beach PLLC, Bond Counsel to the Village, under existing statutes, regulations, administrative rulings, and court decisions, and assuming continuing compliance by the Village with its covenants relating to certain requirements contained in the Internal Revenue Code of 1986, as amended (the “Code”), and the accuracy of certain representations made by the Village, interest on the Notes is excluded from gross income of the owners thereof for Federal income tax purposes and is not an “item of tax preference” for purposes of the Federal alternative minimum tax imposed on individuals. However, for tax years beginning after December 31, 2022, interest on the Notes held by certain corporations that are subject to the Federal corporate alternative minimum tax is included in the computation of “adjusted financial statement income” for purposes of the Federal alternative minimum tax imposed on such corporations. Bond Counsel is also of the opinion that under existing statutes interest on the Notes is exempt from personal income taxes imposed by the State of New York and any political subdivision thereof (including The City of New York). No opinion is expressed regarding other Federal or State tax consequences arising with respect to the Notes. See “TAX MATTERS” herein.*

The Notes **WILL** be designated by the Village as “qualified tax-exempt obligations” pursuant to Section 265(b)(3) of the Code.

### **VILLAGE OF IRVINGTON WESTCHESTER COUNTY, NEW YORK**

#### **\$7,702,275 BOND ANTICIPATION NOTES, 2023 (the “Notes”)**

**Date of Issue: December 5, 2023**

**Maturity Date: December 5, 2024**

The Notes are general obligations of the Village of Irvington, Westchester County, New York (the “Village”), and will contain a pledge of the faith and credit of the Village for the payment of the principal thereof and interest thereon and, unless paid from other sources, the Notes are payable from ad valorem taxes which may be levied upon all the taxable real property within the Village, subject to certain applicable statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended. (See “NATURE OF OBLIGATION-Tax Levy Limitation Law” herein.)

The Notes are dated their Date of Issue and bear interest from that date until their Maturity Date, at the annual rate(s) as specified by the purchaser(s) of the Notes. The Notes will not be subject to redemption prior to maturity. (See “THE NOTES-Optional Redemption” herein.)

The Notes will be issued in registered form and, at the option of the purchaser, the Notes will be (i) registered in the name of the successful bidder(s) or (ii) registered to Cede & Co., as the partnership nominee for The Depository Trust Company (“DTC”) as book- entry notes.

If the Notes are registered in the name of the successful bidder(s), a single note certificate will be issued for those Notes of an issue bearing the same rate of interest in the aggregate principal amount awarded to such purchaser at such interest rate. Principal of and interest on such Notes will be payable in Federal Funds by the Village, at such bank or trust company located and authorized to do business in the State of New York as selected by the successful bidder(s).

DTC will act as Securities Depository for those Notes issued as book-entry notes. Individual purchases of such Notes may be made in book-entry form only, in principal amounts of \$5,000 or integral multiples thereof, except for one necessary odd denomination. Purchasers will not receive certificates representing their ownership interests in the Notes issued as book-entry notes. Payment of the principal of and interest on such Notes will be made by the Village to DTC, which will in turn remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of such Notes as described herein. (See “Book-Entry-Only System” herein.)

The Notes are offered when, as and if issued by the Village subject to the receipt of the final approving opinion of Harris Beach PLLC, New York, New York, Bond Counsel to the Village, and certain other conditions. Capital Markets Advisors, LLC has served as Municipal Advisor to the Village in connection with the issuance of the Notes. It is expected that delivery of the Notes will be made on or about December 5, 2023.

THIS PRELIMINARY OFFICIAL STATEMENT IS IN A FORM DEEMED FINAL BY THE VILLAGE FOR PURPOSES OF SECURITIES AND EXCHANGE COMMISSION RULE 15c2-12 (THE “RULE”). FOR A DESCRIPTION OF THE VILLAGE’S AGREEMENT TO PROVIDE CONTINUING DISCLOSURE FOR THE NOTES AS DESCRIBED IN THE RULE, SEE “CONTINUING DISCLOSURE” HEREIN.

The Notes will be issued in registered form either registered in the name of the successful bidder(s) or registered to Cede & Co., as the partnership nominee for DTC. The Village will act as Paying Agent for the Notes. The Village’s contact information is as follows: Katie Bugna, Clerk-Treasurer, 85 Main Street, Irvington, New York 10533, (914) 231-3020, e-mail: [kbugna@irvingtonny.gov](mailto:kbugna@irvingtonny.gov).

***Authority for and Purpose of the Notes***

The Notes are issued pursuant to the State Constitution and statutes of the State, including among others, the Village Law and the Local Finance Law (Chapter 33-a of the Consolidated Laws of the State) and various bond resolutions adopted by the Board of Trustees of the Village on their respective dates. A portion of the proceeds from the sale of the Notes in the amount of \$5,552,275 together with \$363,475 in available funds, will be used to redeem the Village’s outstanding \$5,915,750 Bond Anticipation Notes, 2022 at maturity, issued to finance or refinance the purposes as further described in the table below. The remaining portion of the proceeds from the sale of the Notes in the amount of \$2,150,000 will provide original financing for the purposes also as further described in the table on the following page.

### ***Optional Redemption***

The Notes will not be subject to redemption prior to maturity.

### ***Book-Entry-Only System***

The Depository Trust Company (“DTC”) will act as securities depository for the Notes issued in book-entry form. The Notes will be issued as fully-registered notes registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered note certificate will be issued for each Note of an issue bearing the same rate of interest and CUSIP number, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com) and [www.dtc.org](http://www.dtc.org).

Purchases of the Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Notes on DTC's records. The ownership interest of each actual purchaser of each bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Notes, except in the event that use of the book-entry system for the Notes is discontinued.

To facilitate subsequent transfers, all Notes deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Notes unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the Village, subject

to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Village, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Notes at any time by giving reasonable notice to the Village. Under such circumstances, in the event that a successor depository is not obtained, bond certificates are required to be printed and delivered.

The Village may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Village believes to be reliable, but the Village takes no responsibility for the accuracy thereof.

THE INFORMATION CONTAINED IN THE ABOVE SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SAMPLE OFFERING DOCUMENT LANGUAGE SUPPLIED BY DTC, BUT THE VILLAGE TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF. IN ADDITION, THE VILLAGE WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATION TO PARTICIPANTS, TO INDIRECT PARTICIPANTS OR TO ANY BENEFICIAL OWNER WITH RESPECT TO: (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY PARTICIPANT OR ANY INDIRECT PARTICIPANT; (II) THE PAYMENTS BY DTC OR ANY PARTICIPANT OR ANY INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OF, OR PREMIUM, IF ANY, OR INTEREST ON THE NOTES OR (III) ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO NOTEOWNERS.

THE VILLAGE CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE NOTES (1) PAYMENTS OF PRINCIPAL OF OR INTEREST OR REDEMPTION PREMIUM ON THE NOTES (2) CONFIRMATIONS OF THEIR OWNERSHIP INTERESTS IN THE NOTES OR (3) OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS PARTNERSHIP NOMINEE, AS THE REGISTERED OWNER OF THE NOTES, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT.

## **NATURE OF OBLIGATION**

The Notes when duly issued and paid for will constitute a contract between the Village and the holder thereof.

The Notes will be general obligations of the Village and will contain a pledge of the faith and credit of the Village for the payment of the principal thereof and the interest thereon. For the payment of such principal of and interest on the Notes, the Village has the power and statutory authorization to levy ad valorem taxes on all taxable real property in the Village, subject to certain applicable statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended (the "Tax Levy Limitation Law") (see "Tax Levy Limitation Law" herein).

Under the Constitution of the State, the Village is required to pledge its faith and credit for the payment of the principal of and interest on the Notes, and the State is specifically precluded from restricting the power of the Village to levy taxes on real estate for the payment of interest on or principal of indebtedness theretofore contracted. However, the Tax Levy Limitation Law imposes a statutory limitation on the Village's power to increase its annual tax levy. As a result, the power of the Village to levy real estate taxes on all the taxable real property within the Village is subject to statutory limitations set forth in Tax Levy Limitation Law, unless the Village complies with certain procedural

requirements to permit the Village to levy certain year-to-year increases in real property taxes. (See “Tax Levy Limitation Law” herein.)

### ***Tax Levy Limitation Law***

On June 24, 2011, the Tax Levy Limitation Law was signed into law by the Governor of the State. The Tax Levy Limitation Law applies to all local governments, including school districts (with the exception of New York City, Yonkers, Syracuse, Rochester and Buffalo). It also applies to independent special districts and to town and county improvement districts as part of their parent municipalities’ tax levies.

The Tax Levy Limitation Law restricts, among other things, the amount of real property taxes (including assessments of certain special improvement districts) that may be levied by or on behalf of a municipality in a particular year, beginning with fiscal years commencing on or after January 1, 2012. Pursuant to the Tax Levy Limitation Law, the tax levy of a municipality cannot increase by more than the lesser of (i) two percent (2%) or (ii) the annual increase in the consumer price index (“CPI”), over the amount of the prior year’s tax levy. Certain adjustments would be permitted for taxable real property full valuation increases or changes in physical or quantity growth in the real property base as defined in Section 1220 of the Real Property Tax Law. A municipality may exceed the tax levy limitation for the coming fiscal year only if the governing body of such municipality first enacts, by at least a sixty percent vote of the total voting strength of the board, a local law (resolution in the case of fire districts and certain special districts) to override such limitation for such coming fiscal year only. There are permissible exceptions to the tax levy limitation provided in the Tax Levy Limitation Law, including expenditures made on account of certain tort settlements and certain increases in the average actuarial contribution rates of the New York State and Local Employees’ Retirement System, the Police and Fire Retirement System, and the Teachers’ Retirement System. (See “Employment Benefit Plans” herein). Municipalities are also permitted to carry forward a certain portion of their unused levy limitation from a prior year. Each municipality, prior to adoption of each fiscal year budget, must submit for review to the State Comptroller any information that is necessary in the calculation of its tax levy for each fiscal year.

The Tax Levy Limitation Law does not contain an exception from the levy limitation for the payment of debt service on either outstanding general obligation debt of municipalities or such debt incurred after the effective date of the Tax Levy Limitation Law (June 24, 2011).

Article 8 Section 2 of the State Constitution requires every issuer of general obligation notes and bonds in the State to pledge its faith and credit for the payment of the principal thereof and the interest thereon. This has been interpreted by the Court of Appeals, the State’s highest court, in *Flushing National Bank v. Municipal Assistance Corporation for the City of New York*, 40 N.Y.2d 731 (1976), as follows:

“A pledge of the city’s faith and credit is both a commitment to pay and a commitment of the city’s revenue generating powers to produce the funds to pay. Hence, an obligation containing a pledge of the City’s “faith and credit” is secured by a promise both to pay and to use in good faith the city’s general revenue powers to produce sufficient funds to pay the principal and interest of the obligation as it becomes due. That is why both words, “faith” and “credit”, are used and they are not tautological. That is what the words say and that is what courts have held they mean.”

Article 8 Section 12 of the State Constitution specifically provides as follows:

“It shall be the duty of the legislature, subject to the provisions of this constitution, to restrict the power of taxation, assessment, borrowing money, contracting indebtedness, and loaning the credit of counties, cities, towns and villages, so as to prevent abuses in taxation and assessments and in contracting of indebtedness by them. Nothing in this article shall be construed to prevent the legislature from further restricting the powers herein specified of any county, city, town, village or school district to contract indebtedness or to levy taxes on real estate. The legislature shall not, however, restrict the power to levy taxes on real estate for the payment of interest on or principal of indebtedness theretofore contracted.”

On the relationship of the Article 8 Section 2 requirement to pledge the faith and credit and the Article 8 Section 12 protection of the levy of real property taxes to pay debt service on bonds subject to the general obligation pledge, the

Court of Appeals in the Flushing National Bank case stated:

“So, too, although the Legislature is given the duty to restrict municipalities in order to prevent abuses in taxation, assessment, and in contracting of indebtedness, it may not constrict the city’s power to levy taxes on real estate for the payment of interest on or principal of indebtedness previously contracted....While phrased in permissive language, these provisions, when read together with the requirement of the pledge of faith and credit, express a constitutional imperative: debt obligations must be paid, even if tax limits be exceeded”.

In addition, the Court of Appeals in the Flushing National Bank case has held that the payment of debt service on outstanding general obligation bonds and notes takes precedence over fiscal emergencies and the police power of municipalities.

Therefore, while the Tax Levy Limitation Law may constrict an issuer’s power to levy real property taxes for the payment of debt service on debt contracted after the effective date of the Tax Levy Limitation Law, it is clear that no statute is able (1) to limit an issuer’s pledge of its faith and credit to the payment of any of its general obligation indebtedness or (2) to limit an issuer’s levy of real property taxes to pay debt service on general obligation debt contracted prior to the effective date of the Tax Levy Limitation Law. Whether the Constitution grants a municipality authority to treat debt service payments as a constitutional exception to such statutory tax levy limitation outside of any statutorily determined tax levy amount is not clear.

It is possible that the Tax Levy Limitation Law will be subject to judicial review to resolve the constitutional issues raised by its adoption. Although courts in New York have historically been protective of the rights of holders of general obligation debt or political subdivisions, the outcome of any such legal challenge cannot be predicted.

### **SPECIAL PROVISIONS AFFECTING REMEDIES UPON DEFAULT**

**General Municipal Law Contract Creditors’ Provision.** Each Note when duly issued and paid for will constitute a contract between the Village and the holder thereof. Under current law, provision is made for contract creditors of the Village to enforce payments upon such contracts, if necessary, through court action. Section 3-a of the General Municipal Law provides, subject to exceptions not pertinent, that the rate of interest to be paid by the Village upon any judgment or accrued claim against it on an amount adjudged due to a creditor shall not exceed nine per centum per annum from the date due to the date of payment. This provision might be construed to have application to the holders of the Notes in the event of a default in the payment of the principal of and interest on the Notes.

**Execution/Attachment of Municipal Property.** As a general rule, property and funds of a municipal corporation serving the public welfare and interest have not been judicially subjected to execution or attachment to satisfy a judgment, although judicial mandates have been issued to officials to appropriate and pay judgments out of certain funds or the proceeds of a tax levy. In accordance with the general rule with respect to municipalities, judgments against the Village may not be enforced by levy and execution against property owned by the Village.

**Authority to File For Municipal Bankruptcy.** The Federal Bankruptcy Code allows public bodies, such as counties, cities, towns and villages, recourse to the protection of a Federal Court for the purpose of adjusting outstanding indebtedness. Section 85.80 of the Local Finance Law contains specific authorization for any municipality in the State or its emergency control board to file a petition under any provision of Federal bankruptcy law for the composition or adjustment of municipal indebtedness.

The State has consented that any municipality in the State may file a petition with the United States District Court or court of bankruptcy under any provision of the laws of the United States, now or hereafter in effect, for the composition or adjustment of municipal indebtedness. Subject to such State consent, under the United States Constitution, Congress has jurisdiction over such matters and has enacted amendments to the existing federal bankruptcy statute, being Chapter 9 thereof, generally to the effect and with the purpose of affording municipal corporations, under certain circumstances, with easier access to judicially approved adjustment of debt, including judicial control over identifiable and unidentifiable creditors.

No current state law purports to create any priority for holders of the Notes should the Village be under the jurisdiction of any court, pursuant to the laws of the United States, now or hereafter in effect, for the composition or adjustment of municipal indebtedness.

The rights of the owners of the Notes to receive interest and principal from the Village could be adversely affected by the restructuring of the Village's debt under Chapter 9 of the Federal Bankruptcy Code. No assurance can be given that any priority of holders of debt obligations issued by the Village (including the Notes) to payment from monies retained in any debt service fund or from other cash resources would be recognized if a petition were filed by or on behalf of the Village under the Federal Bankruptcy Code or pursuant to other subsequently enacted laws relating to creditors' rights; such monies might, under such circumstances, be paid to satisfy the claims of all creditors generally.

Under the Federal Bankruptcy Code, a petition may be filed in the Federal Bankruptcy court by a municipality which is insolvent or unable to meet its debts as they mature. Generally, the filing of such a petition operates as a stay of any proceeding to enforce a claim against the municipality. The Federal Bankruptcy Code also requires that a plan be filed for the adjustment of the municipality's debt, which may modify or alter the rights of creditors and which could be secured. Any plan of adjustment confirmed by the court must be approved by the requisite number of creditors. If confirmed by the bankruptcy court, the plan would be binding upon all creditors affected by it.

**State Debt Moratorium Law.** There are separate State law provisions regarding debt service moratoriums enacted into law in 1975.

At the Extraordinary Session of the State Legislature held in November, 1975, legislation was enacted which purported to suspend the right to commence or continue an action in any court to collect or enforce certain short-term obligations of The City of New York. The effect of such act was to create a three-year moratorium on actions to enforce the payment of such obligations. On November 19, 1976, the Court of Appeals, the State's highest court, declared such act to be invalid on the ground that it violates the provisions of the State Constitution requiring a pledge by such City of its faith and credit for the payment of obligations.

As a result of the Court of Appeals decision in Flushing National Bank v. Municipal Assistance Corporation for the City of New York, 40 N.Y.2d 731 (1976), the constitutionality of that portion of Title 6-A of Article 2 of the Local Finance Law, as described below, enacted at the 1975 Extraordinary Session of the State legislature authorizing any county, city, town or village with respect to which the State has declared a financial emergency to petition the State Supreme Court to stay the enforcement against such municipality of any claim for payment relating to any contract, debt or obligation of the municipality during the emergency period, is subject to doubt. In any event, no such emergency has been declared with respect to the Village.

**Right of Municipality or State to Declare a Municipal Financial Emergency and Stay Claims Under State Debt Moratorium Law.** The State Legislature is authorized to declare by special act that a state of financial emergency exists in any county, city, town or village. (The provision does not by its terms apply to school districts or fire districts.) In addition, the State Legislature may authorize by special act establishment of an "emergency financial control board" for any county, city, town or village upon determination that such a state of financial emergency exists. Thereafter, unless such special act provides otherwise, a voluntary petition to stay claims may be filed by any such municipality (or by its emergency financial control board in the event said board requests the municipality to petition and the municipality fails to do so within five days thereafter). A petition filed in supreme court in the county in which the municipality is located in accordance with the requirements of Title 6-A of the Local Finance Law ("Title 6-A") effectively prohibits the doing of any act for ninety days in the payment of claims against the municipality, including payment of debt service on outstanding indebtedness.

This includes staying the commencement or continuation of any court proceedings seeking payment of debt service due, the assessment, levy or collection of taxes by or for the municipality or the application of any funds, property, receivables or revenues of the municipality to the payment of debt service. The stay can be vacated under certain circumstances with provisions for the payment of amounts due or overdue upon a demand for payment in accordance with the statutory provisions set forth therein. The filing of a petition may be accompanied with a proposed repayment plan which, upon court order approving the plan, may extend any stay in the payment of claims against the municipality for such "additional period of time as is required to carry out fully all the terms and provisions of the

plan with respect to those creditors who accept the plan or any benefits thereunder.” Court approval is conditioned, after a hearing, upon certain findings as provided in Title 6-A.

A proposed plan can be modified prior to court approval or disapproval. After approval, modification is not permissible without court order after a hearing. If not approved, the proposed plan must be amended within ten days or else the stay is vacated and claims, including debt service due or overdue, must be paid. It is at the discretion of the court to permit additional filings of amended plans and continuation of any stay during such time. A stay may be vacated or modified by the court upon motion of any creditor if the court finds after a hearing that the municipality has failed to comply with a material provision of an accepted repayment plan or that due to a “material change in circumstances” the repayment plan is no longer in compliance with statutory requirements.

Once an approved repayment plan has been completed, the court, after a hearing upon motion of any creditor, or a motion of the municipality or its emergency financial control board, will enter an order vacating any stay then in effect and enjoining of creditors who accepted the plan or any benefits thereunder from commencing or continuing any court action, proceeding or other act described in Title 6-A relating to any debt included in the plan.

Title 6-A requires notice to all creditors of each material step in the proceedings. Court determinations adverse to the municipality or its financial emergency control board are appealable as of right to the appellate division in the judicial department in which the court is located and thereafter, if necessary, to the Court of Appeals. Such appeals stay the judgment appealed from and all other actions, special proceedings or acts within the scope of Section 85.30 of Title 6-A pending the hearing and determination of the appeals.

Whether Title 6-A is valid under the Constitutional provisions regarding the payment of debt service is not known. However, based upon the decision in the Flushing National Bank case described above, its validity is subject to doubt.

While the State Legislature has from time to time adopted legislation in response to a municipal fiscal emergency and established public benefit corporations with a broad range of financial control and oversight powers to oversee such municipalities, generally such legislation has provided that the provisions of Title 6-A are not applicable during any period of time that such a public benefit corporation has outstanding indebtedness issued on behalf of such municipality.

**Fiscal Stress and State Emergency Financial Control Boards.** Pursuant to Article IX Section 2(b)(2) of the State Constitution, any local government in the State may request the intervention of the State in its “property, affairs and government” by a two-thirds vote of the total membership of its legislative body or on request of its chief executive officer concurred by a majority of such membership. This has resulted in the adoption of special acts for the establishment of public benefit corporations with varying degrees of authority to control the finances (including debt issuance) of the cities of Buffalo, Troy and Yonkers and the County of Nassau. The specific authority, powers and composition of the financial control boards established by these acts varies based upon circumstances and needs. Generally, the State legislature has granted such boards the power to approve or disapprove budget and financial plans and to issue debt on behalf of the municipality, as well as to impose wage and/or hiring freezes and approve collective bargaining agreements in certain cases. Implementation is left to the discretion of the board of the public benefit corporation. Such a State financial control board was first established for New York City in 1975. In addition, on a certificate of necessity of the governor reciting facts which in the judgment of governor constitute an emergency requiring enactment of such laws, with the concurrences of two-thirds of the members elected in each house of the State legislature, the State is authorized to intervene in the “property, affairs and governments” of local government units. This occurred in the case of the County of Erie in 2005. The authority of the State to intervene in the financial affairs of local government is further supported by Article VIII, Section 12 of the Constitution, which declares it to be the duty of the State legislature to restrict, subject to other provisions of the Constitution, the power of taxation, assessment, borrowing money and contracting indebtedness and loaning the credit of counties, cities, towns and villages so as to prevent abuses in taxation and assessment and in contracting indebtedness by them.

In 2013, the State established a new state advisory board to assist counties, cities, towns and villages in financial distress. The Financial Restructuring Board for Local Governments (the “FRB”), is authorized to conduct a comprehensive review of the finances and operations of any such municipality deemed by the FRB to be fiscally eligible for its services upon request by resolution of the municipal legislative body and concurrence of its chief executive. The FRB is authorized to make recommendations, but cannot compel improvement of fiscal stability for

management and delivery of municipal services, including shared services opportunities, and is authorized to offer grants and/or loans of up to \$5,000,000 through a Local Government Performance and Efficiency Program to undertake certain recommendations. If a municipality agrees to undertake the FRB recommendations, it will be automatically bound to fulfill the terms in order to receive the aid.

The FRB is also authorized to serve as an alternative arbitration panel for binding arbitration.

Although from time to time there have been proposals for the creation of a statewide financial control board with broad authority over local governments in the State, the FRB does not have emergency financial control board powers to intervene, unlike the public benefit corporations established by special acts as described above.

Several municipalities in the State are presently working with the FRB. The Village has not applied to the FRB and does not reasonably expect to do so in the foreseeable future. School districts and fire districts are not eligible for FRB assistance.

**Constitutional Non-Appropriation Provision.** There is in the Constitution of the State, Article VIII, Section 2, the following provision relating to the annual appropriation of monies for the payment of due principal of and interest on indebtedness of every county, city, town, village and school district in the State: “If at any time the respective appropriating authorities shall fail to make such appropriations, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied to such purposes. The fiscal officer of any county, city, town, village or school district may be required to set aside and apply such revenues as aforesaid at the suit of any holder of obligations issued for any such indebtedness.” This constitutes a specific non-exclusive constitutional remedy against a defaulting municipality or school district; however, it does not apply in a context in which monies have been appropriated for debt service but the appropriating authorities decline to use such monies to pay debt service. However, Article VIII, Section 2 of the Constitution of the State also provides that the fiscal officer of any county, city, town, village or school district may be required to set apart and apply such revenues at the suit of any holder of any obligations of indebtedness issued with the pledge of the faith of the credit of such political subdivision. See “General Municipal Law Contract Creditors’ Provision” herein.

The Constitutional provision providing for first revenue set asides does not apply to tax anticipation notes, revenue anticipation notes or bond anticipation notes.

**Default Litigation.** In prior years, certain events and legislation affecting a holder’s remedies upon default have resulted in litigation. While courts of final jurisdiction have upheld and sustained the rights of bondholders, such courts might hold that future events including financial crises as they may occur in the State and in political subdivisions of the State, require the exercise by the State or its political subdivisions of emergency and police powers to assure the continuation of essential public services prior to the payment of debt service. See “Nature of Obligation” and “State Debt Moratorium Law” herein.

**No Past Due Debt.** No principal of or interest on Village indebtedness is past due. The Village has never defaulted in the payment of the principal of and interest on any indebtedness.

## **MARKET AND RISK FACTORS**

The financial and economic condition of the Village as well as the market for the Notes could be affected by a variety of factors, some of which are beyond the Village's control. There can be no assurance that adverse events in the State, and in other jurisdictions in the country including, for example, the seeking by a municipality or large taxable property owner of remedies pursuant to the Federal Bankruptcy Code or otherwise, will not occur which might affect the market price of and the market for the Notes. If a significant default or other financial crisis should occur in the affairs of the State or another jurisdiction, or of any of its agencies or political subdivisions thereby further impairing the acceptability of obligations issued by borrowers within the State, both the ability of the Village to arrange for additional borrowings, and the market for and market value of outstanding debt obligations, including the Notes, could be adversely affected.

Economic impacts from disease outbreaks or similar public health threats could have an adverse impact on the Village's financial condition and operating results. The outbreak of COVID-19, a respiratory disease caused by a new strain of coronavirus, had been declared a pandemic by the World Health Organization on March 11, 2020.

The Village is dependent in part on financial assistance from the State. However, if the State should experience difficulty in borrowing funds in anticipation of the receipt of State taxes and revenues in order to pay State aid to municipalities and counties in the State, including the Village, in any year, the Village may be affected by a delay, until sufficient taxes have been received by the State to make State aid payments to the Village.

In addition, there may be unforeseen adverse events within the Village that affect the market for the Notes, which could result in adverse comment by Moody's Investors Service, Inc. or any other rating agency with respect to the Village's financial situation, or in possible actions by these rating agencies to withdraw, suspend or lower their credit ratings on outstanding indebtedness and obligations of the Village.

Other adverse events within the Village that could affect the market for the Notes include any events which impact upon the Village's ability to eliminate projected budget deficits in future fiscal years; economic trends within the Village; and labor actions by unionized employees of the Village. It is anticipated that the various news media will report on events which occur in the Village and that such media coverage as well as such events could have an impact on the market for, and the market price of the Notes.

## **CYBERSECURITY**

The Village, like many other public and private entities, relies on technology to conduct its operations. As a recipient and provider of personal, private, or sensitive information, the Village faces multiple cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. To mitigate the risk of business operations impact and/or damage from cyber incidents or cyber-attacks, the Village may invest in various forms of cybersecurity and operational controls; however, no assurances can be given that such security and operational control measures will be completely successful to guard against cyber threats and attacks. The results of any such attack could impact business operations and/or damage Village digital networks and systems and the costs of remedying any such damage could be substantial.

The Village has not been subject to any major cyber attacks; but does carry cybersecurity insurance. The Village also implemented a two-factor authentication system to keep login credentials secure.

## **THE STATE COMPTROLLER'S FISCAL STRESS MONITORING SYSTEM AND COMPLIANCE REVIEWS**

The New York State Comptroller has reported that New York State's school districts and municipalities are facing significant fiscal challenges. As a result, the Office of the State Comptroller ("OSC") has developed a Fiscal Stress Monitoring System ("FSMS") to provide independent, objectively measured and quantifiable information to school district and municipal officials, taxpayers and policy makers regarding the various levels of fiscal stress under which the State's school districts and municipalities are operating.

The fiscal stress scores are based on financial information submitted as part of each school district's ST-3 report filed with the State Education Department annually, and each municipality's annual report filed with the State Comptroller. Using financial indicators that include year-end fund balance, cash position and patterns of operating deficits, the system creates an overall fiscal stress score which classifies whether a school district or municipality is in "significant fiscal stress", in "moderate fiscal stress," as "susceptible to fiscal stress" or "no designation". Entities that do not accumulate the number of points that would place them in a stress category will receive a financial score but will be classified in a category of "no designation." This classification should not be interpreted to imply that the entity is completely free of fiscal stress conditions. Rather, the entity's financial information, when objectively scored according to the FSMS criteria, did not generate sufficient points to place them in one of the three established stress categories.

The most current applicable report of the State Comptroller, for the fiscal year ending 2022, designated the Village as “Not Filed.”

See the State Comptroller’s official website for more information on FSMS. Reference to this website implies no warranty of accuracy of information therein.

The financial affairs of the Village are subject to periodic compliance reviews by OSC to ascertain whether the Village has complied with the requirements of various State and federal statutes. The last audit conducted by OSC was released on January 8, 2016. The purpose of the State’s audit was to examine the Village’s cell tower revenues and the Village’s cash disbursements for the period June 1, 2013 through June 30, 2015. The complete report can be obtained from OSC’s official website (<https://www.osc.state.ny.us/files/local-government/audits/2017-11/lgsa-audit-village-2016-irvington.pdf>).

## **LITIGATION**

The Village is occasionally subject to lawsuits in the ordinary conduct of its affairs. The Village to the best of its knowledge does not believe, however, that such suits, individually or in the aggregate, are likely to have a material adverse effect on the financial condition of the Village.

There are currently pending certiorari proceedings, the results of which could require the payment of future tax refunds by the Village, if existing assessment rolls are modified based on the outcome of the litigation proceedings. However, the amount of these possible refunds cannot be determined at the present time. Any payments resulting from adverse decisions will be funded in the year the payment is made.

## **TAX MATTERS**

### ***Federal Income Taxes***

In the opinion of Bond Counsel, based on existing statutes, regulations, administrative rulings and court decisions and assuming compliance by the Village with certain covenants and the accuracy of certain representations, interest on the Notes is excluded from gross income for federal income tax purposes. Bond counsel is of the further opinion that interest on the Notes is not an “item of tax preference” for purposes of the Federal alternative minimum tax on individuals. However, for tax years beginning after December 31, 2022, the Code imposes a federal corporate alternative minimum tax equal to 15 percent of the “adjusted financial statement income” of corporations (other than S corporations, regulated investment companies and real estate investment trusts) having an average annual “adjusted financial statement income” for the 3-taxable-year period ending with the tax year that exceeds \$1,000,000,000. Interest on tax-exempt obligations such as the Notes is included in the computation of a corporation’s “adjusted financial statement income”.

The Internal Revenue Code of 1986, as amended (the “Code”), imposes various limitations, conditions and other requirements which must be met at and subsequent to the date of issue of the Notes in order that interest on the Notes will be and remain excluded from gross income for federal income tax purposes. Included among these requirements are restrictions on the investment and use of proceeds of the Notes and in certain circumstances, payment of amounts in respect of such proceeds to the United States. Failure to comply with the requirement of the Code may cause interest on the Notes to be includable in gross income for purposes of federal income tax, possibly from the date of issuance of the Notes. The Village has covenanted to comply with certain procedures and it has made certain representations and certifications, designed to assure satisfaction of the requirements of the Code in respect to the Notes. The opinion of Bond Counsel assumes compliance with such covenants and the accuracy, in all material respects, of such representations and certificates.

Prospective purchasers of the Notes should be aware that ownership of the Notes, and the accrual or receipt of interest thereon, may have collateral federal income tax consequences for certain taxpayers, including financial institutions, property and casualty insurance companies, S corporations, certain foreign corporations, individual recipients of

Social Security or Railroad benefits and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations. Prospective purchasers should consult their tax advisors as to any possible collateral consequences of their ownership of the Notes and their accrual or receipt of interest thereon. Bond Counsel expresses no opinion regarding any such collateral federal income tax consequences.

The Notes **WILL** be designated as "qualified tax-exempt obligations" within the meaning of, and pursuant to Section 265(b)(3) of the Code.

In the opinion of Bond Counsel, interest on the Notes is exempt from personal income taxes imposed by the State or any political subdivision thereof, including the City of New York.

Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance and delivery of the Notes may affect the tax status of interest on the Notes.

No assurance can be given that any future legislation, including amendments to the Code or the State income tax laws, regulations, administrative rulings, or court decisions, will not, directly or indirectly, cause interest on the Notes to be subject to Federal or State income taxation, or otherwise prevent bondholders and Noteholders from realizing the full current benefit of the tax status of such interest. Further, no assurance can be given that the introduction or enactment of any such future legislation, or any judicial decision or action of the Internal Revenue Service or any State taxing authority, including, but not limited to, the promulgation of a regulation or ruling, or the selection of the Notes for audit examination, or the course or result of any Internal Revenue Service examination of the Notes or of obligations which present similar tax issues, will not affect the market price or marketability of the Notes. Prospective purchasers of the Notes should consult their own tax advisors regarding the foregoing matters.

All summaries and explanations of provisions of law do not purport to be complete and reference is made to such laws for full and complete statements of their provisions.

***ALL PROSPECTIVE PURCHASERS OF THE NOTES SHOULD CONSULT WITH THEIR TAX ADVISORS IN ORDER TO UNDERSTAND THE IMPLICATIONS OF THE CODE AS TO THE TAX CONSEQUENCES OF PURCHASING OR HOLDING THE NOTES.***

## **LEGAL MATTERS**

Legal matters incident to the authorization, issuance and sale of the Notes will be subject to the final approving opinion of Harris Beach PLLC, New York, New York, Bond Counsel to the Village. Such legal opinion will state that in the opinion of Bond Counsel (i) the Notes have been authorized and issued in accordance with the Constitution and statutes of the State of New York and constitute valid and legally binding general obligations of the Village, all the taxable real property within which is subject to the levy of ad valorem taxes to pay the Notes and interest thereon, subject to the certain applicable statutory limitations by Chapter 97 of the New York Laws of 2011, as amended (See "NATURE OF OBLIGATION – Tax Levy Limitation Law" herein); provided, however, that the enforceability (but not the validity) of such Notes may be limited by any applicable existing or future bankruptcy, insolvency or other law (State or Federal) affecting the enforcement of creditors' rights; (ii) under existing statutes, regulations, administrative rulings and court decisions, interest on the Notes is excluded from the gross income of the owners thereof for Federal income tax purposes, is not an "item of tax preference" for purposes of the Federal alternative minimum taxes imposed on individuals, however, for tax years beginning after December 31, 2022, interest on the Notes held by certain corporations that are subject to the Federal corporate alternative minimum tax is included in the computation of "adjusted financial statement income" for purposes of the Federal alternative minimum tax imposed on such corporations; (iii) interest on the Notes is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York); and (iv) based upon Bond Counsel's examination of law and review of the arbitrage and use of proceeds certificate executed by the Village Clerk-Treasurer of the Village pursuant to Section 148 of the Code and the regulations thereunder, the facts, estimates and circumstances as set forth in said arbitrage certificate are sufficient to satisfy the criteria which are necessary under Section 148 of the Code to support the conclusion that the Notes will not be "arbitrage bonds" within the meaning of said section, and no matters have come to Bond Counsel's attention which makes unreasonable or incorrect the

representations made in said arbitrage certificate. Bond Counsel expresses no opinion regarding Federal or State income tax consequences arising with respect to the Notes..

Such legal opinions will also state that (i) in rendering the opinions expressed therein, Bond Counsel has assumed the accuracy and truthfulness of all public records, documents and proceedings examined by Bond Counsel which have been executed or certified by public officials acting within the scope of their official capacities, and has not verified the accuracy or truthfulness thereof, and Bond Counsel also has assumed the accuracy of the signatures appearing upon such public records, documents and proceedings and such certifications; (ii) the scope of Bond Counsel's engagement in relation to the issuance of the Notes, as applicable, has extended solely to the examination of the facts and law incident to rendering the opinions expressed therein; (iii) the opinions expressed therein are not intended and should not be construed to express or imply any conclusion that the amount of real property subject to taxation within the boundaries of the Village together with other legally available sources of revenue, if any, will be sufficient to enable the Village to pay the principal of and interest on the Notes as the same become due and payable; (iv) reference should be made to the Official Statement for factual information which, in the judgment of the Village, would materially affect the ability of the Village to pay such principal and interest; and (v) while Bond Counsel has participated in the preparation of the Official Statement, Bond Counsel has not verified the accuracy, completeness or fairness of the factual information contained therein and, accordingly, no opinion is expressed by Bond Counsel as to whether the Village, in connection with the sale of such Notes, has made any untrue statement of a material fact, or omitted to state a material fact necessary in order to make any statements made, in the light of the circumstances under which they were made, not misleading.

## **DISCLOSURE UNDERTAKING**

### ***Disclosure Undertaking for the Notes***

This Official Statement is in a form “deemed final” by the Village for the purposes of Securities and Exchange Commission Rule 15c2-12 (the “Rule”). At the time of the delivery of the Notes, the Village will provide an executed copy of its “Continuing Disclosure Certificate” (the “Undertaking”). Said Undertaking will constitute a written agreement or contract of the Village for the benefit of holders of and owners of beneficial interests in the Notes. In accordance with the requirements of Rule 15c2-12, as the same may be amended or officially interpreted from time to time (the "Rule"), promulgated by the Securities and Exchange Commission (the "Commission"), the Village has agreed to provide or cause to be provided, for the benefit of the Beneficial Owners of the Notes, in a timely manner not in excess of ten (10) business days after the occurrence of the event during the period in which the Notes are outstanding, to the Electronic Municipal Market Access (“EMMA”) system of the Municipal Securities Rulemaking Board (“MSRB”) or any other entity designated or authorized by the Commission to receive reports pursuant to the Rule, notice of the occurrence of any of the following events with respect to the Notes:

(i) principal and interest payment delinquencies; (ii) non-payment related defaults, if material; (iii) unscheduled draws on debt service reserves reflecting financial difficulties; (iv) unscheduled draws on credit enhancements reflecting financial difficulties; (v) substitution of credit or liquidity providers, or their failure to perform; (vi) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices of determinations with respect to the tax status of the Notes, or other material events affecting the tax status of the Notes; (vii) modifications to rights of Noteholders, if material; (viii) Note calls, if material, and tender offers; (ix) defeasances; (x) release, substitution, or sale of property securing repayment of the Notes, if material; (xi) rating changes; (xii) bankruptcy, insolvency, receivership or similar event of the Village; [note to clause (xii): For the purposes of the event identified in clause (xii) above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Village in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or government authority has assumed jurisdiction over substantially all of the assets or business of the Village, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Village]; (xiii) the consummation of a merger, consolidation, or acquisition involving the Village or the sale of all or substantially all of the assets of the Village, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action

or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material; (xv) incurrence of a financial obligation of the Village, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the Village, any of which affect security holders, if material; and (xvi) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the Village, any of which reflect financial difficulties

Event (c) is included pursuant to a letter from the SEC staff to the National Association of Bond Lawyers, dated September 19, 1995. However, event (c) is not applicable, since no “debt service reserves” will be established for the Note.

With respect to event (d) the Village does not undertake to provide any notice with respect to credit enhancement added after the primary offering of the Notes.

The Village may from time to time choose to provide notice of the occurrence of certain other events, in addition to those listed above, if the Village determines that any such other event is material with respect to the Notes; but the Village does not undertake to commit to provide any such notice of the occurrence of any material event except those events listed above or any failure to comply in a timely manner with the requirements of the Rule.

The Village reserves the right to terminate its obligation to provide the afordescribed notice of material events, as set forth above, if and when the Village no longer remains an obligated person with respect to the Notes within the meaning of the Rule. The Village acknowledges that its undertaking pursuant to the Rule described under this heading is intended to be for the benefit of the holders of the Notes (including holders of beneficial interests in the Notes). The right of holders of the Notes to enforce the provisions of the undertaking will be limited to a right to obtain specific enforcement of the Village's obligations under its material events notices undertaking and any failure by the Village to comply with the provisions of the undertaking will neither be a default with respect to the Notes nor entitle any holder of the Notes to recover monetary damages. A Continuing Disclosure Certificate to this effect shall be provided to the purchaser at closing.

The Village is exempt from filing continuing disclosure under Rule 15c2-12 in connection with the Notes as the Notes have a maturity of eighteen months or less.

## **RATING**

The Village has not applied to Moody's Investors Service, Inc. ("Moody's") for a rating on the Notes.

On October 31, 2019, Moody's upgraded the Village's underlying credit rating to "Aa1" and assigned such rating to the outstanding bonded debt of the Village.

Such rating reflects only the views of such rating agency and any desired explanation of the significance of such rating should be obtained from Moody's at the following address: Moody's Investors Service, 7 World Trade Center at 250 Greenwich Street, New York, New York 10007. There can be no assurance that such rating will continue for any specified period of time or that such rating will not be revised or withdrawn, if in the judgment of Moody's, circumstances so warrant. Any such change or withdrawal of such rating may have an adverse effect on the market price of the Notes or the availability of a secondary market for the Notes. See "MARKET AND RISK FACTORS".
