

PRELIMINARY OFFICIAL STATEMENT DATED JULY 29, 2024

See “RATING” herein

**NEW ISSUES
SERIAL BONDS**

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended. In the further opinion of Bond Counsel, interest on the Bonds is not a specific preference item for purposes of the federal individual alternative minimum tax. Interest on the Bonds included in adjusted financial statement income of certain corporations is not excluded from the federal corporate alternative minimum tax. Bond Counsel is also of the opinion that interest on the Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York). Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds. See “Tax Matters” herein.

The Town WILL NOT designate the Bonds as “qualified tax-exempt obligations” pursuant to the provisions of Section 265(b)(3) of the Code.

**PUBLIC IMPROVEMENT (SERIAL) BONDS, 2024 SERIES A
(the “Series A Bonds”)**

Dated: Date of Delivery

Due: August 15, 2025 – 2039

\$6,250,500*

**PUBLIC IMPROVEMENT (SERIAL) BONDS, 2024 SERIES B
(the “Series B Bonds” and together with the “Series A Bonds”, the “Bonds”)**

Dated: Date of Delivery

Due: August 15, 2025 - 2054

The Bonds are general obligations of the Town of Mamaroneck, Westchester County, New York (the “Town”), and all of the taxable real property within the Town is subject to the levy of ad valorem taxes to pay the Bonds and interest thereon, subject to certain statutory limitations imposed by Chapter 97 of the New York Laws of 2011, as amended (the “Tax Levy Limit Law”). (See “Tax Levy Limit Law” herein.)

The Bonds are dated their Date of Delivery and will bear interest from that date until maturity at the annual rate or rates as specified by the purchaser of the Bonds, payable on August 15, 2025 and semiannually thereafter on February 15 and August 15 in each year until maturity. The Bonds shall mature on August 15 in each year in the principal amounts specified on the inside cover page hereof. The Bonds will be subject to redemption prior to maturity as described herein. (See “Optional Redemption” herein.)

The Bonds will be issued in fully registered form, and when issued, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), New York, New York. DTC will act as the securities depository for the Bonds. Individual purchases may be made in book-entry form only, in principal amounts of \$5,000 or integral multiples thereof, except for one necessary odd denomination in the first maturity of the Series A Bonds which is or includes \$5,900 and one necessary odd denomination in the first maturity of the Series B Bonds which is or includes \$5,500. Purchasers will not receive certificates representing their ownership interests in the Bonds. Payment of the principal of and interest on such Bonds will be made by the Town to DTC, which will in turn remit such principal and interest to its participants for subsequent disbursement to the beneficial owners of the Bonds as described herein. (See “Book-Entry-Only System” herein.)

The Bonds are offered subject to the respective final approving opinion of Orrick, Herrington & Sutcliffe LLP, New York, New York, Bond Counsel, and certain other conditions. It is anticipated that the Bonds will be available for delivery through the offices of DTC in New York, New York or as otherwise agreed with the purchasers on or about August 22, 2024.

THIS PRELIMINARY OFFICIAL STATEMENT IS IN A FORM DEEMED FINAL BY THE TOWN FOR PURPOSES OF SECURITIES AND EXCHANGE COMMISSION RULE 15c2-12 (THE “RULE”) EXCEPT FOR CERTAIN INFORMATION THAT HAS BEEN OMITTED HEREFROM IN ACCORDANCE WITH THE RULE AND THAT WILL BE SUPPLIED WHEN THIS OFFICIAL STATEMENT IS UPDATED FOLLOWING THE SALE OF THE BONDS. FOR A DESCRIPTION OF THE TOWN’S AGREEMENT TO PROVIDE CONTINUING DISCLOSURE AS DESCRIBED IN THE RULE, SEE “DISCLOSURE UNDERTAKING FOR THE BONDS” HEREIN.

THE BONDS

Description

The Bonds are dated their date of delivery and will bear interest from such date until maturity, payable on August 15, 2025 and semiannually thereafter on February 15 and August 15 until maturity. The Bonds shall mature on August 15 in each year in the principal amounts specified on the inside cover page hereof. The Bonds will be subject to redemption prior to maturity as described herein. (See “*Optional Redemption*” herein.)

The Bonds will be issued in fully registered form and, when issued, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”). DTC will act as securities depository for the Bonds. Individual purchases may be made in book-entry form only, in principal amounts of \$5,000 and integral multiples thereof, except for one necessary odd denominations in the first maturity of the Series A Bonds which is or includes \$5,900 and one necessary odd denominations in the first maturity of the Series B Bonds which is or includes \$5,500. Purchasers will not receive certificates representing their ownership interests in the Bonds. Principal and interest on the Bonds will be made by the Town to DTC, which will in turn remit such principal and interest to its Participants (defined herein), for subsequent disbursement to the Beneficial Owners of the Bonds as described under “*Book-Entry-Only System*,” herein. The Bonds may be transferred in the manner described on the Bonds and as referenced in certain proceedings of the Town referred to therein.

* Preliminary, subject to change.

The record date for the payment of principal and interest on the Bonds will be the last business day of the calendar month preceding each interest payment date.

Authority for and Purpose of the Series A Bonds

THE BONDS

Optional Redemption

The Bonds maturing on or before August 15, 2032 are not subject to redemption prior to their stated maturity. The Bonds maturing on or after August 15, 2033 will be subject to redemption prior to maturity, at the option of the Town, on any date on or after August 15, 2032, in whole or in part, and if in part in any order of their maturity and in any amount within a maturity (selected by lot within a maturity), at the redemption price equal to the principal amount of the Bonds to be redeemed, plus accrued interest to the date of redemption.

The Town may select the maturities of the Bonds to be redeemed and the amount to be redeemed of each maturity selected, as the Town shall determine to be in the best interest of the Town at the time of such redemption. If less than all of the Bonds of any maturity are to be redeemed prior to maturity, the particular Bonds of such maturity to be redeemed shall be selected by the Town by lot in any customary manner of selection as determined by the Town. Notice of such call for redemption shall be given by transmitting such notice to the registered owner not less than thirty (30) days nor more than sixty (60) days prior to such date. Notice of redemption having been given as

aforesaid, the Bonds so called for redemption shall, on the date of redemption set forth in such call for redemption, become due and payable, together with accrued interest to such redemption date, and interest shall cease to be paid thereon after such redemption date.

Book-Entry-Only System

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered bond certificate will be issued for each maturity of each series of the Bonds and will be deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each bond or note (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC’s Money Market Instruments (MMI) Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Town as soon as possible after the record date. The

Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy). Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detailed information from the Town, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the Town, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Town, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Town. Under such circumstances, in the event that a successor depository is not obtained, bond and note certificates are required to be printed and delivered.

The Town may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, bond and note certificates will be printed and delivered as applicable.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Town believes to be reliable, but the Town takes no responsibility for the accuracy thereof.

THE INFORMATION CONTAINED IN THE ABOVE SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SAMPLE OFFERING DOCUMENT LANGUAGE SUPPLIED BY DTC, BUT THE TOWN TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF. IN ADDITION, THE TOWN WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATION TO PARTICIPANTS, TO INDIRECT PARTICIPANTS OR TO ANY BENEFICIAL OWNER WITH RESPECT TO: (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY PARTICIPANT OR ANY INDIRECT PARTICIPANT; (II) THE PAYMENTS BY DTC OR ANY PARTICIPANT OR ANY INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OF, OR PREMIUM, IF ANY, OR INTEREST ON THE BONDS OR (III) ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO OWNERS.

THE TOWN CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE BONDS (1) PAYMENTS OF PRINCIPAL OF OR INTEREST OR REDEMPTION PREMIUM ON THE BONDS (2) CONFIRMATIONS OF THEIR OWNERSHIP INTERESTS IN THE BONDS OR (3) OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS PARTNERSHIP NOMINEE, AS THE REGISTERED OWNER OF THE BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT.

THE TOWN WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO DTC, THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OF DTC OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC; (2) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF OR INTEREST OR REDEMPTION PREMIUM ON THE BONDS; (3) THE DELIVERY BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC OF ANY NOTICE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED TO BE GIVEN TO OWNERS; OR (4) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE REGISTERED HOLDER OF THE BONDS.

NATURE OF OBLIGATION

Each Bond, when duly issued and paid for, will constitute a contract between the Town and the holder thereof.

Holders of any series of bonds or notes of the Town may bring an action or commence a proceeding in accordance with the civil practice law and rules to enforce the rights of the holders of such series of notes or bonds.

The Bonds will be general obligations of the Town and will contain a pledge of the faith and credit of the Town for the payment of the principal thereof and the interest thereon as required by the Constitution and laws of the State. For the payment of such principal and interest, the Town has power and statutory authorization to levy ad valorem taxes on all real property within the Town, subject to applicable statutory limitations.

Although the State Legislature is restricted by Article VIII, Section 12 of the State Constitution from imposing limitations on the power to raise taxes to pay “interest on or principal of indebtedness theretofore contracted” prior to the effective date of any such legislation, the New York State Legislature may from time to time impose additional limitations or requirements on the ability to increase a real property tax levy or on the methodology, exclusions or other restrictions of various aspects of real property taxation (as well as on the ability to issue new indebtedness). On June 24, 2011, Chapter 97 of the New York New York Laws of 2011 was signed into law by the Governor (the “Tax Levy Limitation Law”). The Tax Levy Limitation Law applies to local governments and school districts in the State (with certain exceptions) and imposes additional procedural requirements on the ability of municipalities and school districts to levy certain year-to-year increases in real property taxes.

Under the Constitution of the State, the Town is required to pledge its faith and credit for the payment of the principal of and interest on the Bonds and is required to raise real estate taxes, and without specification, other revenues, if such levy is necessary to repay such indebtedness. While the Tax Levy Limitation Law imposes a statutory limitation on the Town’s power to increase its annual tax levy with the amount of such increase limited by the formulas set forth in the Tax Levy Limitation Law, it also provides the procedural method to surmount that limitation. See “Tax Levy Limitation Law,” herein.

The Constitutionally-mandated general obligation pledge of municipalities and school districts in New York State has been interpreted by the Court of Appeals, the State’s highest court, in Flushing National Bank v. Municipal Assistance Corporation for the City of New York, 40 N.Y.2d 731 (1976), as follows:

“A pledge of the City’s faith and credit is both a commitment to pay and a commitment of the City’s revenue generating powers to produce the funds to pay. Hence, an obligation containing a pledge of the City’s “faith and credit” is secured by a promise both to pay and to use in good faith the City’s general revenue powers to produce sufficient funds to pay the principal and interest of the obligation as it becomes due. That is why both words, “faith” and “credit” are used and they are not tautological. That is what the words say and this is what the courts have held they mean...So, too, although the Legislature is given the duty to restrict municipalities in order to prevent abuses in taxation, assessment, and in contracting of indebtedness, it may not constrict the City’s power to levy taxes on real estate for the payment of interest on or principal of indebtedness previously contracted...While phrased in permissive language, these provisions, when read together with the requirement of the pledge and faith and credit, express a constitutional imperative: debt obligations must be paid, even if tax limits be exceeded”.

In addition, the Court of Appeals in the Flushing National Bank case has held that the payment of debt service on outstanding general obligation bonds and notes takes precedence over fiscal emergencies and the police power of political subdivisions in New York State.

The pledge has generally been understood as a promise to levy property taxes without limitation as to rate or amount to the extent necessary to cover debt service due to language in Article VIII Section 10 of the Constitution which provides an exclusion for debt service from Constitutional limitations on the amount of a real property tax levy, insuring the availability of the levy of property tax revenues to pay debt service. As the Flushing National Bank Court noted, the term “faith and credit” in its context is “not qualified in any way”. Indeed, in Flushing National Bank v. Municipal Assistance Corp., 40 N.Y.2d 1088 (1977), the Court of Appeals described the pledge as a direct constitutional mandate. In Quirk v. Municipal Assistance Corp., 41 N.Y.2d 644 (1977), the Court of Appeals stated

that, while holders of general obligation debt did not have a right to particular revenues such as sales tax, “with respect to traditional real estate tax levies, the bondholders are constitutionally protected against an attempt by the State to deprive the City of those revenues to meet its obligations.” According to the Court in Quirk, the State Constitution “requires the City to raise real estate taxes, and without specification other revenues, if such a levy be necessary to repay indebtedness.”

In addition, the Constitution of the State requires that every county, city, town, village, and school district in the State provide annually by appropriation for the payment of all interest and principal on its Bonds and certain other obligations, and that, if at any time the respective appropriating authorities shall fail to make such appropriation, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied to such purposes.

In the event that an appropriating authority were to make an appropriation for debt service and then decline to expend it for that purpose, this provision would not apply. However, the Constitution of the State does also provide that the fiscal officer of any county, city, town, or school district may be required to set apart and apply such first revenues at the suit of any holder of any such obligations.

In Quirk v. Municipal Assistance Corp., the Court of Appeals described this as a “first lien” on revenues, but one that does not give holders a right to any particular revenues. It should thus be noted that the pledge of the faith and credit of a political subdivision in New York State is a pledge of an issuer of a general obligation bond or note to use its general revenue powers, including, but not limited to, its property tax levy to pay debt service on such obligations, but that such pledge may not be interpreted by a court of competent jurisdiction to include a constitutional or statutory lien upon any particular revenues.

While the courts in New York State have historically been protective of the rights of holders of general obligation debt of political subdivisions, it is not possible to predict what a future court might hold.

TAX LEVY LIMITATION LAW

On June 24, 2011, Chapter 97 of the New York Laws of 2011 was signed into law by the Governor (the “Tax Levy Limitation Law”). The Tax Levy Limitation Law applies to all local governments, including school districts (with the exception of New York City, the counties comprising New York City and the Big 5 City School Districts (New York, Buffalo, Rochester, Syracuse, Yonkers (the latter four of which are affected indirectly by applicability to their respective city). It also applies to independent special districts and to town and county improvement districts as part of their parent municipalities tax levies.

The Tax Levy Limitation Law restricts, among other things, the amount of real property taxes (including assessments of certain special improvement districts) that may be levied by or on behalf of a municipality in a particular year, beginning with fiscal years commencing on or after January 1, 2012. Pursuant to the Tax Levy Limitation Law, the tax levy of a municipality cannot increase by more than the lesser of (i) two percent (2%) or (ii) the annual increase in the consumer price index (“CPI”), over the amount of the prior year’s tax levy. Certain adjustments would be permitted for taxable real property full valuation increases or changes in physical or quantity growth in the real property base as defined in Section 1220 of the Real Property Tax Law. A municipality may exceed the tax levy limitation for the coming fiscal year only if the governing body of such municipality first enacts, by at least a sixty percent vote of the total voting strength of the board, a local law (resolution in the case of fire districts and certain special districts) to override such limitation for such coming fiscal year only. There are permissible exceptions to the tax levy limitation provided in the Tax Levy Limitation Law, including expenditures made on account of certain tort settlements and certain increases in the average actuarial contribution rates of the New York State and Local Employees’ Retirement System, the Police and Fire Retirement System, and the Teachers’ Retirement System. Municipalities are also permitted to carry forward a certain portion of their unused levy limitation from a prior year. Each municipality prior to adoption of its fiscal year budget must submit for review to the State Comptroller any information that is necessary in the calculation of its tax levy for such fiscal year.

The Tax Levy Limitation Law does not contain an exception from the levy limitation for the payment of debt service on either outstanding general obligation debt of municipalities or such debt incurred after the effective date of the Tax Levy Limitation Law (June 24, 2011).

While the Tax Levy Limitation Law may constrict an issuer’s power to levy real property taxes for the payment of debt service on debt contracted after the effective date of the Tax Levy Limitation Law, it is clear that no statute is

able (1) to limit an issuer's pledge of its faith and credit to the payment of any of its general obligation indebtedness or (2) to limit an issuer's levy of real property taxes to pay debt service on general obligation debt contracted prior to the effective date of the Tax Levy Limitation Law. Whether the Constitution grants a municipality authority to treat debt service payments as a constitutional exception to such statutory tax levy limitation is not clear.

SPECIAL PROVISIONS AFFECTING REMEDIES UPON DEFAULT

General Municipal Law Contract Creditors' Provision. Each Bond when duly issued and paid for will constitute a contract between the Town and the holder thereof. Under current law, provision is made for contract creditors of the Town to enforce payments upon such contracts, if necessary, through court action. Section 3-a of the General Municipal Law provides, subject to exceptions not pertinent, that the rate of interest to be paid by the Town upon any judgment or accrued claim against it on an amount adjudged due to a creditor shall not exceed nine per centum per annum from the date due to the date of payment. This provision might be construed to have application to the holders of the Bonds in the event of a default in the payment of the principal of and interest on the Bonds.

Execution/Attachment of Municipal Property. As a general rule, property and funds of a municipal corporation serving the public welfare and interest have not been judicially subjected to execution or attachment to satisfy a judgment, although judicial mandates have been issued to officials to appropriate and pay judgments out of certain funds or the proceeds of a tax levy. In accordance with the general rule with respect to municipalities, judgments against the Town may not be enforced by levy and execution against property owned by the Town.

Authority to File For Municipal Bankruptcy. The Federal Bankruptcy Code allows public bodies, such as the Town, recourse to the protection of a Federal Court for the purpose of adjusting outstanding indebtedness. Section 85.80 of the Local Finance Law contains specific authorization for any municipality in the State or its emergency control board to file a petition under any provision of Federal bankruptcy law for the composition or adjustment of municipal indebtedness.

The State has consented that any municipality in the State may file a petition with the United States District Court or court of bankruptcy under any provision of the laws of the United States, now or hereafter in effect, for the composition or adjustment of municipal indebtedness. Subject to such State consent, under the United States Constitution, Congress has jurisdiction over such matters and has enacted amendments to the existing federal bankruptcy statute, being Chapter 9 thereof, generally to the effect and with the purpose of affording municipal corporations, under certain circumstances, with easier access to judicially approved adjustment of debt including judicial control over identifiable and unidentifiable creditors.

No current state law purports to create any priority for holders of the Bonds should the Town be under the jurisdiction of any court, pursuant to the laws of the United States, now or hereafter in effect, for the composition or adjustment of municipal indebtedness.

The rights of the owners of the Bonds to receive interest and principal from the Town could be adversely affected by the restructuring of the Town's debt under Chapter 9 of the Federal Bankruptcy Code. No assurance can be given that any priority of holders of debt obligations issued by the Town (including the Bonds) to payment from monies retained in any debt service fund or from other cash resources would be recognized if a petition were filed by or on behalf of the Town under the Federal Bankruptcy Code or pursuant to other subsequently enacted laws relating to creditors' rights; such monies might, under such circumstances, be paid to satisfy the claims of all creditors generally.

Under the Federal Bankruptcy Code, a petition may be filed in the Federal Bankruptcy court by a municipality which is insolvent or unable to meet its debts as they mature. Generally, the filing of such a petition operates as a stay of any proceeding to enforce a claim against the municipality. The Federal Bankruptcy Code also requires that a plan be filed for the adjustment of the municipality's debt, which may modify or alter the rights of creditors and which could be secured. Any plan of adjustment confirmed by the court must be approved by the requisite number of creditors. If confirmed by the bankruptcy court, the plan would be binding upon all creditors affected by it.

State Debt Moratorium Law. There are separate State law provisions regarding debt service moratoriums enacted into law in 1975.

At the Extraordinary Session of the State Legislature held in November, 1975, legislation was enacted which purported to suspend the right to commence or continue an action in any court to collect or enforce certain short-term

obligations of The City of New York. The effect of such act was to create a three-year moratorium on actions to enforce the payment of such obligations. On November 19, 1976, the Court of Appeals, the State's highest court, declared such act to be invalid on the ground that it violates the provisions of the State Constitution requiring a pledge by such City of its faith and credit for the payment of obligations.

As a result of the Court of Appeals decision in Flushing National Bank v. Municipal Assistance Corporation for the City of New York, 40 N.Y.2d 731 (1976), the constitutionality of that portion of Title 6-A of Article 2 of the Local Finance Law enacted at the 1975 Extraordinary Session of the State legislature described below authorizing any county, city, town or village with respect to which the State has declared a financial emergency to petition the State Supreme Court to stay the enforcement against such municipality of any claim for payment relating to any contract, debt or obligation of the municipality during the emergency period, is subject to doubt. In any event, no such emergency has been declared with respect to the Town.

Right of Municipality or State to Declare a Municipal Financial Emergency and Stay Claims Under State Debt Moratorium Law. The State Legislature is authorized to declare by special act that a state of financial emergency exists in any county, city, town or village. (The provision does not by its terms apply to school districts or fire districts.) In addition, the State Legislature may authorize by special act establishment of an "emergency financial control board" for any county, city, town or village upon determination that such a state of financial emergency exists. Thereafter, unless such special act provides otherwise, a voluntary petition to stay claims may be filed by any such municipality (or by its emergency financial control board in the event said board requests the municipality to petition and the municipality fails to do so within five days thereafter). A petition filed in supreme court in the county in which the municipality is located in accordance with the requirements of Title 6-A of the Local Finance Law ("Title 6-A") effectively prohibits the doing of any act for ninety days in the payment of claims against the municipality, including payment of debt service on outstanding indebtedness.

This includes staying the commencement or continuation of any court proceedings seeking payment of debt service due, the assessment, levy or collection of taxes by or for the municipality or the application of any funds, property, receivables or revenues of the municipality to the payment of debt service. The stay can be vacated under certain circumstances with provisions for the payment of amounts due or overdue upon a demand for payment in accordance with the statutory provisions set forth therein. The filing of a petition may be accompanied with a proposed repayment plan which, upon court order approving the plan, may extend any stay in the payment of claims against the municipality for such "additional period of time as is required to carry out fully all the terms and provisions of the plan with respect to those creditors who accept the plan or any benefits thereunder." Court approval is conditioned, after a hearing, upon certain findings as provided in Title 6-A.

A proposed plan can be modified prior to court approval or disapproval. After approval, modification is not permissible without court order after a hearing. If not approved, the proposed plan must be amended within ten days or else the stay is vacated and claims, including debt service due or overdue, must be paid. It is at the discretion of the court to permit additional filings of amended plans and continuation of any stay during such time. A stay may be vacated or modified by the court upon motion of any creditor if the court finds after a hearing that the municipality has failed to comply with a material provision of an accepted repayment plan or that due to a "material change in circumstances" the repayment plan is no longer in compliance with statutory requirements.

Once an approved repayment plan has been completed, the court, after a hearing upon motion of any creditor, or a motion of the municipality or its emergency financial control board, will enter an order vacating any stay then in effect and enjoining of creditors who accepted the plan or any benefits thereunder from commencing or continuing any court action, proceeding or other act described in Title 6-A relating to any debt included in the plan.

Title 6-A requires notice to all creditors of each material step in the proceedings. Court determinations adverse to the municipality or its financial emergency control board are appealable as of right to the appellate division in the judicial department in which the court is located and thereafter, if necessary, to the Court of Appeals. Such appeals stay the judgment or appealed from and all other actions, special proceedings or acts within the scope of Section 85.30 of Title 6-A pending the hearing and determination of the appeals.

Whether Title 6-A is valid under the Constitutional provisions regarding the payment of debt service is not known. However, based upon the decision in the Flushing National Bank case described above, its validity is subject to doubt.

While the State Legislature has from time to time adopted legislation in response to a municipal fiscal emergency and established public benefit corporations with a broad range of financial control and oversight powers to oversee such municipalities, generally such legislation has provided that the provisions of Title 6-A are not applicable during any period of time that such a public benefit corporation has outstanding indebtedness issued on behalf of such municipality.

Fiscal Stress and State Emergency Financial Control Boards. Pursuant to Article IX Section 2(b)(2) of the State Constitution, any local government in the State may request the intervention of the State in its “property, affairs and government” by a two-thirds vote of the total membership of its legislative body or on request of its chief executive officer concurred in by a majority of such membership. This has resulted in the adoption of special acts for the establishment of public benefit corporations with varying degrees of authority to control the finances (including debt issuance) of the cities of Buffalo, Troy and Yonkers and the County of Nassau. The specific authority, powers and composition of the financial control boards established by these acts varies based upon circumstances and needs. Generally, the State legislature has granted such boards the power to approve or disapprove budget and financial plans and to issue debt on behalf of the municipality, as well as to impose wage and/or hiring freezes and approve collective bargaining agreements in certain cases. Implementation is left to the discretion of the board of the public benefit corporation. Such a State financial control board was first established for New York City in 1975. In addition, on a certificate of necessity of the governor reciting facts which in the judgment of governor constitute an emergency requiring enactment of such laws, with the concurrences of two-thirds of the members elected in each house of the State legislature, the State is authorized to intervene in the “property, affairs and governments” of local government units. This occurred in the case of the County of Erie in 2005. The authority of the State to intervene in the financial affairs of local government is further supported by Article VIII, Section 12 of the Constitution which declares it to be the duty of the State legislature to restrict, subject to other provisions of the Constitution, the power of taxation, assessment, borrowing money and contracting indebtedness and loaning the credit of counties, cities, towns and Towns so as to prevent abuses in taxation and assessment and in contracting indebtedness by them.

In 2013, the State established a new state advisory board to assist counties, cities, towns and Towns in financial distress. The Financial Restructuring Board for Local Governments (the “FRB”), is authorized to conduct a comprehensive review of the finances and operations of any such municipality deemed by the FRB to be fiscally eligible for its services upon request by resolution of the municipal legislative body and concurrence of its chief executive. The FRB is authorized to make recommendations for, but cannot compel improvement of fiscal stability, management and delivery of municipal services, including shared services opportunities and is authorized to offer grants and/or loans of up to \$5,000,000 through a Local Government Performance and Efficiency Program to undertake certain recommendations. If a municipality agrees to undertake the FRB recommendations, it will be automatically bound to fulfill the terms in order to receive the aid.

The FRB is also authorized to serve as an alternative arbitration panel for binding arbitration.

Although from time to time there have been proposals for the creation of a statewide financial control board with broad authority over local governments in the State, the FRB does not have emergency financial control board powers to intervene such as the public benefit corporations established by special acts as described above.

Several municipalities in the State are presently working with the FRB. The Town has not applied to FRB and does not reasonably anticipate doing so. School districts and fire districts are not eligible for FRB assistance.

Constitutional Non-Appropriation Provision. There is in the Constitution of the State, Article VIII, Section 2, the following provision relating to the annual appropriation of monies for the payment of due principal of and interest on indebtedness of every county, city, town, Town and school district in the State: “If at any time the respective appropriating authorities shall fail to make such appropriations, a sufficient sum shall be set apart from the first revenues thereafter received and shall be applied to such purposes. The fiscal officer of any county, city, town, Town or school district may be required to set aside and apply such revenues as aforesaid at the suit of any holder of obligations issued for any such indebtedness.” This constitutes a specific non-exclusive constitutional remedy against a defaulting municipality or school district; however, it does not apply in a context in which monies have been appropriated for debt service but the appropriating authorities decline to use such monies to pay debt service. However, Article VIII, Section 2 of the Constitution of the State also provides that the fiscal officer of any county, city, town, Town or school district may be required to set apart and apply such revenues at the suit of any holder of any obligations of indebtedness issued with the pledge of the faith of the credit of such political subdivision. See “General Municipal Law Contract Creditors’ Provision” herein.

The Constitutional provision providing for first revenue set asides does not apply to tax anticipation notes, revenue anticipation notes or bond anticipation notes.

Default Litigation. In prior years, certain events and legislation affecting a holder's remedies upon default have resulted in litigation. While courts of final jurisdiction have upheld and sustained the rights of bondholders, such courts might hold that future events including financial crises as they may occur in the State and in political subdivisions of the State require the exercise by the State or its political subdivisions of emergency and police powers to assure the continuation of essential public services prior to the payment of debt service. See "*Nature of Obligation*" and "*State Debt Moratorium Law*" herein.

No Past Due Debt. No principal of or interest on Town indebtedness is past due. The Town has never defaulted in the payment of the principal of and interest on any indebtedness.

RISK FACTORS

The financial and economic condition of the Town as well as the market for the Bonds could be affected by a variety of factors, some of which are beyond the Town's control. There can be no assurance that adverse events in the State and in other jurisdictions, including, for example, the seeking by a municipality or large taxable property owner of remedies pursuant to the Federal Bankruptcy Code or otherwise, will not occur which might affect the market price of and the market for the Bonds. If a significant default or other financial crisis should occur in the affairs of the State or another jurisdiction or any of its agencies or political subdivisions thereby further impairing the acceptability of obligations issued by borrowers within the State, both the ability of the Town to arrange for additional borrowings, and the market for and market value of outstanding debt obligations, including the Bonds, could be adversely affected.

The Town is dependent in part upon financial assistance from the State in the form of State aid as well as grants and loans to be received ("State Aid"). The Town's receipt of State aid may be delayed as a result of the State's failure to adopt its budget timely and/or to appropriate State Aid to municipalities. The availability of such monies and the timeliness of such payment may also be affected by a delay in the adoption of the State budget, the impact to the State's economy and financial condition due to the novel coronavirus ("COVID-19") outbreak and other circumstances, including State fiscal stress. Should the Town fail to receive all or a portion of the amounts of State Aid expected to be received from the State in the amounts and at the times anticipated, occasioned by a delay in the payment of such moneys or by a reduction in State Aid or its elimination, the Town is authorized pursuant to the Local Finance Law ("LFL") to provide operating funds by borrowing in anticipation of the receipt of such uncollected State Aid, however, there can be no assurance that, in such event, the Town will have market access for any such borrowing on a cost effective basis. (See also "State Aid" and "State Aid and COVID-19" herein.)

If and when a holder of any of the Bonds should elect to sell a Bond prior to its maturity, there can be no assurance that a market shall have been established, maintained and be in existence for the purchase and sale of any of the Bonds. In addition, the price and principal value of the Bonds is dependent on the prevailing level of interest rates; if interest rates rise, the price of a bond will decline, causing the bondholder to incur a potential capital loss if such bond is sold prior to its maturity.

Amendments to the U.S. Internal Revenue Code could reduce or eliminate the favorable tax treatment granted to municipal debt, including the Bonds and other debt issued by the Town. Any such future legislation could have an adverse effect on the market value of the Bonds (See "*Tax Matters*" herein).

The enactment of Chapter 97 of the New York Laws of 2011 on June 24, 2011, which imposes a tax levy limitation upon municipalities, including the Town, school districts, and fire districts in the State could have an impact upon operations of the Town and as a result, the market price for the Bonds. (See "*Tax Levy Limitation Law*," herein.)

THE STATE COMPTROLLER'S FISCAL STRESS MONITORING SYSTEM AND COMPLIANCE REVIEWS

The New York State Comptroller has reported that New York State's school districts and municipalities are facing significant fiscal challenges. As a result, the Office of the State Comptroller has developed a Fiscal Stress Monitoring System ("FSMS") to provide independent, objectively measured and quantifiable information to school district and municipal officials, taxpayers and policy makers regarding the various levels of fiscal stress under which the State's school districts and municipalities are operating.

The fiscal stress scores are based on financial information submitted as part of each school district's ST-3 report filed with the State Education Department annually, and each municipality's annual report filed with the State Comptroller. Using financial indicators that include year-end fund balance, cash position and patterns of operating deficits, the system creates an overall fiscal stress score which classifies whether a school district or municipality is in "significant fiscal stress", in "moderate fiscal stress," as "susceptible to fiscal stress" or "no designation". Entities that do not accumulate the number of points that would place them in a stress category will receive a financial score but will be classified in a category of "no designation." This classification should not be interpreted to imply that the entity is completely free of fiscal stress conditions. Rather, the entity's financial information, when objectively scored according to the FSMS criteria, did not generate sufficient points to place them in one of the three established stress categories.

The most current applicable report of the State Comptroller designates the Town as "No Designation" with a 2022 fiscal score of "5.0" and an environmental score of "20.0".

The financial affairs of the Town are subject to periodic compliance reviews by OSC to ascertain whether the Town has complied with the requirements of various State and federal statutes. OSC has not released a formal report on the Town in the past five years nor is one presently in progress. Additional information regarding State audits can be obtained by visiting the New York State website for Local Governments and School Accountability.

See the State Comptroller's official website for more information on FSMS. Reference to this website implies no warranty of accuracy of information therein, nor inclusion herein by reference. References to websites and/or website addresses presented herein are for information purposes only. Unless specified otherwise, such websites and the information or links contained therein are not incorporated into, and are not part of, this Official Statement.

CYBERSECURITY

The Town, like many other public and private entities, relies on technology to conduct its operations. As a recipient and provider of personal, private, or sensitive information, the Town faces multiple cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. To mitigate the risk of business operations impact and/or damage from cyber incidents or cyber-attacks, the Town invests in various forms of cybersecurity and operational controls; however, no assurances can be given that such security and operational control measures will be completely successful to guard against cyber threats and attacks. The results of any such attack could impact business operations and/or damage Town digital networks and systems and the costs of remedying any such damage could be substantial. The Town actively mitigates risk in various ways on an on-going basis.

LITIGATION

Members of the public file notices of claim when claiming damages based upon action or lack of action by municipalities. The allegations set forth in notices of claim primarily relate to claims for damages for personal injury, death, or property damage. Occasionally damages are claimed for administrative determinations by municipal officials. Most claims are for money damages, while others seek a specific action or forbearance on the part of the Town.

The Town, in common with other municipalities, receives numerous notices of claims for money damages arising from property damage or personal injury. Of the claims currently pending, none are expected to have a material effect on the financial position of the Town if adversely settled.

Westchester Joint Water Works (WJWW), a joint venture of the Town is currently being fined by the Federal government and New York State Department of Health for not meeting a Supreme Court of the State of New York ruling requiring the construction of a filtration plant by December 3, 2008. The Town's share of the fines are anticipated to be approximately 16.7% of \$9.2 million or \$1,528,000 and will be payable over the course of the next 4 years. The Town has a funding plan in place for when the agreement is settled.

The Town is also defendant in numerous tax certiorari proceedings, the results of which generally require tax refunds on the part of the Town. The amount of possible refunds cannot be determined at the present time and any refunds resulting from adverse settlements will be funded in the year in which the payments are made.

In the opinion of the Town Attorney, the resolution of such claims presently pending against the Town will not have an adverse material effect on the financial position of the Town. Such matters are for inconsequential amounts (under \$25,000), or are adequately covered by existing insurance, or are without merit. Pursuant to the Local Finance Law, the Town is authorized to issue debt to finance judgments and claims, if necessary.

TAX MATTERS

In the opinion of Orrick, Herrington & Sutcliffe LLP ("Bond Counsel"), based upon an analysis of existing laws, regulations, rulings, and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code") and is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York). Bond Counsel is of the further opinion that interest on the Bonds is not a specific preference item for purposes of the federal individual alternative minimum tax. Interest on the Bonds included in adjusted financial statement income of certain corporations is not excluded from the federal corporate alternative minimum tax. Bond Counsel expresses no opinion regarding other tax consequences related to the ownership or disposition of, or the amount, accrual, or receipt of interest on, the Bonds. Complete copies of the proposed forms of opinion of Bond Counsel are set forth in Appendices D and E hereto.

To the extent the issue price of any maturity of the Bonds is less than the amount to be paid at maturity of such Bonds (excluding amounts stated to be interest and payable at least annually over the term of such Bonds), the difference constitutes "original issue discount," the accrual of which, to the extent properly allocable to each owner thereof, is treated as interest on the Bonds which is excluded from gross income for federal income tax purposes and exempt from State of New York personal income taxes. For this purpose, the issue price of a particular maturity of the Bonds is the first price at which a substantial amount of such maturity of the Bonds is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). The original issue discount with respect to any maturity of the Bonds accrues daily over the term to maturity of such Bonds on the basis of a constant interest rate compounded semiannually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to the adjusted basis of such Bonds to determine taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of such Bonds. Owners of the Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Bonds with original issue discount, including the treatment of owners who do not purchase such Bonds in the original offering to the public at the first price at which a substantial amount of such Bonds is sold to the public.

Bonds purchased, whether at original issuance or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier call date) ("Premium Bonds") will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of bonds, like the Premium Bonds, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and an owner's basis in a Premium Bond, will be reduced by the amount of amortizable bond premium properly allocable to such owner. Owners of Premium Bonds should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Bonds in order that interest on such Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to use and expenditure of gross proceeds of the Bonds, yield and other restrictions on investments of gross proceeds, and the arbitrage rebate requirement that certain excess earnings on gross proceeds be rebated to the federal government. Noncompliance with such requirements may cause interest on the Bonds to become included in gross income for federal income tax purposes retroactive to their issue date, irrespective of the date on which such noncompliance occurs or is discovered. The Town, in executing the Tax Certificate, will certify to the effect that the Town will comply with the provisions and procedures set forth therein and that it will do and perform all acts and things necessary or desirable to assure the exclusion of interest on the Bonds from gross income under Section 103 of the Code.

Certain requirements and procedures contained or referred to in the Arbitrage Certificate, and other relevant documents may be changed and certain actions (including, without limitation, economic defeasance of the Bonds) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. Bond Counsel expresses no opinion as to any Bonds or the interest thereon if any such change occurs or action is taken or omitted.

Although Bond Counsel is of the opinion that interest on the Bonds is excluded from gross income for federal income tax purposes and is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York), the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds may otherwise affect an owner's federal or state tax liability. The nature and extent of these other tax consequences will depend upon the particular tax status of the owner or the owner's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Town, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The Town has covenanted, however, to comply with the requirements of the Code.

Bond Counsel's engagement with respect to the Bonds ends with the issuance of the Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Town or the owners regarding the tax-exempt status of the Bonds in the event of an audit examination by the IRS. Under current procedures, owners would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Town legitimately disagrees, may not be practicable. Any action of the IRS, including but not limited to selection of the Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Bonds, and may cause the Town or the owners to incur significant expense.

Payments on the Bonds generally will be subject to U.S. information reporting and possibly to "backup withholding." Under Section 3406 of the Code and applicable U.S. Treasury Regulations issued thereunder, a non-corporate owner of Bonds may be subject to backup withholding with respect to "reportable payments," which include interest paid on the Bonds and the gross proceeds of a sale, exchange, redemption, retirement or other disposition of the Bonds. The payor will be required to deduct and withhold the prescribed amounts if (i) the payee fails to furnish a U.S. taxpayer identification number ("TIN") to the payor in the manner required, (ii) the IRS notifies the payor that the TIN furnished by the payee is incorrect, (iii) there has been a "notified payee underreporting" described in Section 3406(c) of the Code or (iv) the payee fails to certify under penalty of perjury that the payee is not subject to withholding under Section 3406(a)(1)(C) of the Code. Amounts withheld under the backup withholding rules may be refunded or credited against an owner's federal income tax liability, if any, provided that the required information is timely furnished to the IRS. Certain owners (including among others,

corporations and certain tax-exempt organizations) are not subject to backup withholding. The failure to comply with the backup withholding rules may result in the imposition of penalties by the IRS.

LEGAL MATTERS

Legal matters incident to the authorization, issuance and sale of the Bonds are subject to the approving legal opinions of Orrick, Herrington & Sutcliffe LLP, Bond Counsel. Bond Counsel's respective opinion will be in substantially the form attached hereto as Appendices D and E.

DISCLOSURE UNDERTAKING

In accordance with the requirements of Rule 15c2-12 as the same may be amended or officially interpreted from time to time (the "Rule") promulgated by the Securities and Exchange Commission (the "Commission"), the Town has agreed to provide, or cause to be provided,

(1) to the Electronic Municipal Market Access ("EMMA") system of the Municipal Securities Rulemaking Board ("MSRB") or any other entity designated or authorized by the Commission to receive reports pursuant to the Rule, during each fiscal year in which the Bonds are outstanding, (i) certain annual financial information and operating data for the preceding fiscal year in a form generally consistent with the information contained or cross-referenced in the Final Official Statement dated August 8, 2024 of the Town relating to the Bonds under the headings "The Town", "Financial Factors", "Tax Information", "Town Indebtedness", "Litigation", "Economic and Demographic Data" and Appendices (other than any related to bond insurance) by the end of the sixth month following the end of each succeeding fiscal year, commencing with the fiscal year ending December 31, 2024, and (ii) a copy of the audited financial statement, if any, (prepared in accordance with accounting principles generally accepted in the United States of America in effect at the time of the audit) for the preceding fiscal year, commencing with the fiscal year ending December 31, 2023 such audit, if any, will be so provided on or prior to the later of either the end of the sixth month of each such succeeding fiscal year or, if an audited financial statement is not available at that time, within sixty days following receipt by the Town of its audited financial statement for the preceding fiscal year, but, in any event, not later than the last business day of each such succeeding fiscal year; and provided further, in the event that the audited financial statement for any fiscal year is not available by the end of the sixth month following the end of any such succeeding fiscal year, unaudited financial statements in the form provided to the State, if available, will be provided no later than said date; provided however, that provision of unaudited financial statements in any year shall be further conditioned upon a determination by the Town of whether such provision is compliant with the requirements of federal securities laws including Rule 10b-5 of the Securities Exchange Act of 1934 and Rule 17(a)(2) of the Securities Act of 1933;

(2) in a timely manner not in excess of ten business days, to EMMA, notice of the occurrence of any of the following events with respect to the Bonds:

(i) principal and interest payment delinquencies; (ii) non-payment related defaults, if material; (iii) unscheduled draws on debt service reserves reflecting financial difficulties; (iv) unscheduled draws on credit enhancements reflecting financial difficulties; (v) substitution of credit or liquidity providers, or their failure to perform; (vi) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices of determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds; (vii) modifications to rights of Bondholders, if material; (viii) Bond calls, if material, and tender offers; (ix) defeasances; (x) release, substitution, or sale of property securing repayment of the Bonds, if material; (xi) rating changes; (xii) bankruptcy, insolvency, receivership or similar event of the Town; (xiii) the consummation of a merger, consolidation, or acquisition involving the Town or the sale of all or substantially all of the assets of the Town, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material; (xv) incurrence of a Financial Obligation (as defined in the Rule) of the Town, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Town, any of which affect

Bond holders, if material; and (xvi) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Town, any of which reflect financial difficulties.

Event (iii) is included pursuant to a letter for the SEC staff to the National Association of Bond Lawyers dated September 19, 1995. However, event (iii) is not applicable, since no “debt service reserves” will be established for the Bonds.

With respect to event (iv) the Town does not undertake to provide any notice with respect to credit enhancement added after the primary offering of the Bonds.

With respect to event (xii) above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Town in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or government authority has assumed jurisdiction over substantially all of the assets or business of the Town, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Town.

With respect to events (xv) and (xvi) above, the term “Financial Obligation” means a (a) debt obligation; (b) derivative instrument entered into with, or pledged as security or source of payment for, an existing or planned debt obligation; or (c) guarantee of (a) or (b). The term Financial Obligation shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

The Town may provide notice of the occurrence of certain other events, in addition to those listed above, if it determines that any such other event is material with respect to the Bonds; but the Town does not undertake to commit to provide any such notice of the occurrence of any event except those events listed above; and

(3) in a timely manner, to EMMA, notice of its failure to provide the aforescribed annual financial information and operating data and such audited financial statement, if any, on or before the date specified.

The Town reserves the right to terminate its obligations to provide the aforescribed annual financial information and operating data and such audited financial statement, if any, and notices of material events, as set forth above, if and when the Town no longer remains an obligated person with respect to the Bonds within the meaning of the Rule. The Town acknowledges that its undertaking pursuant to the Rule described under this heading is intended to be for the benefit of the holders of the Bonds (including holders of beneficial interests in the Bonds). The right of holders of the Bonds to enforce the provisions of the undertaking will be limited to a right to obtain specific enforcement of the Town’s obligations under its continuing disclosure undertaking and any failure by the Town to comply with the provisions of the undertaking will neither be a default with respect to the Bonds nor entitle any holder of the Bonds to recover monetary damages.

The Town reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the Town; provided that, the Town agrees that any such modification will be done in a manner consistent with the Rule.

An undertaking to provide continuing disclosure as described above shall be provided to the Underwriter at the closing.

RATING

The Town has applied to Moody’s Investors Service, Inc. (Moody’s) for a rating on the Bonds. Such rating is pending at this time.

On August 9, 2023, Moody’s Investors Service, Inc. (Moody’s) assigned a “Aaa” rating to the Town of Mamaroneck’s Public Improvement (Serial) Bonds, 2023 Series A and 2023 Series B. In conjunction with the rating, Moody’s affirmed the Town’s “Aaa” credit rating on the outstanding uninsured general obligation debt of the Town.

Such rating reflects only the views of Moody's and any desired explanation of the significance of such rating should be obtained from Moody's, at the following address: Moody's Investors Service, Inc., 7 World Trade Center at 250 Greenwich Street, New York, New York 10007. There can be no assurance that such rating will continue for any specified period of time or that such rating will not be revised or withdrawn, if in the judgment of Moody's circumstances so warrant. Any such change or withdrawal of such rating may have an adverse effect on the market price of the Bonds or the availability of a secondary market for the Bonds.

MUNICIPAL ADVISOR

Capital Market Advisors, LLC, has served as the independent Municipal Advisor to the Town in connection with this transaction.

In preparing the Official Statement, the Municipal Advisor has relied upon governmental officials, and other sources, who have access to relevant data to provide accurate information for the Official Statement, and the Municipal Advisor has not been engaged, nor has it undertaken, to independently verify the accuracy of such information. The Municipal Advisor is not a public accounting firm and has not been engaged by the Town to compile, review, examine or audit any information in the Official Statement in accordance with accounting standards. The Municipal Advisor is an independent advisory firm and is not engaged in the business of underwriting, trading or distributing municipal securities or other public securities and therefore will not participate in the underwriting of the Bonds.

MISCELLANEOUS

Statements in the Official Statement, and the documents included by specific reference, that are not historical facts are "forward-looking statements", within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and as defined in the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties, and which are based on the Town management's beliefs as well as assumptions made by, and information currently available to, the Town management and staff. Because the statements are based on expectations about future events and economic performance and are not statements of fact, actual results may differ materially from those projected. Important factors that could cause future results to differ include legislative and regulatory changes, changes in the economy, and other factors discussed in this and other documents that the Town files with the repositories. When used in Town documents or oral presentation, the words "anticipate", "believe", "intend", "plan", "foresee", "likely", "estimate", "expect", "objective", "projection", "forecast", "goal", "will, or "should", or similar words or phrases are intended to identify forward-looking statements.

To the extent any statements made in this Official Statement involve matters of opinion or estimates, whether or not expressly stated, they are set forth as such and not as representations of fact, and no representation is made that any of the statements will be realized. Neither this Official Statement nor any statement which may have been made verbally or in writing is to be construed as a contract with the holder of the Bonds.

Orrick, Herrington & Sutcliffe LLP, New York, New York, bond counsel to the Town, expresses no opinion as to the accuracy or completeness of information in any documents prepared by or on behalf of the Town for use in connection with the offer and sale of the Bonds, including but not limited to, the financial or statistical information in this Official Statement.

References herein to the Constitution of the State and various State and federal laws are only brief outlines of certain provisions thereof and do not purport to summarize or describe all of such provisions.

Concurrently with the delivery of the Bonds, the Town will furnish a certificate to the effect that as of the date of the Official Statement, the Official Statement did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements herein, in the light of the circumstances under which they were made, not misleading, subject to limitation as to information in the Official Statement obtained from sources other than the Town, as to which no representation can be made.

The Official Statement is submitted only in connection with the sale of the Bonds by the Town and may not be reproduced or used in whole or in part for any other purpose.

The Town hereby disclaims any obligation to update developments of the various risk factors or to announce publicly any revision to any of the forward-looking statements contained herein or to make corrections to reflect future events or developments except to the extent required by Rule 15c2-12 promulgated by the Securities and Exchange Commission.

TOWN OF MAMARONECK
WESTCHESTER COUNTY, NEW YORK

By: _____
Jaine Elkind Eney
Town Supervisor

DATED: August __, 2024

APPENDIX A

THE TOWN

THE TOWN

General Information

The Town encompasses an area of approximately 14.0 square miles, and is located in southeastern Westchester County approximately 10 miles north of New York City along the Long Island Sound. The area is primarily residential in character, with some commercial development. Most residential development consists of single-family homes, but townhouse complexes and estates are also located within the area. Commercial facilities mainly include professional buildings and suburban shopping centers.

The population of the Town was 30,771, according to the 2022 American Community Survey by the U.S. Census Bureau. Most residents are employed throughout Westchester County or Manhattan where they hold positions in industry, finance and are engaged in various professions.

Rail transportation is provided by the Metro North Railroad (now part of the Metropolitan Transit Authority). Highways serving the Town include the New England Thruway (Interstate I-95) and the Hutchinson River Parkway. The area is also covered by an extensive network of County and Town roads.

Form of Government

The Town was established as a municipal government in 1661, and is vested with the powers and responsibilities inherent in the operation of a municipal government including the authority to tax real property and incur debt. The Town includes the Village of Larchmont, the Mamaroneck Union Free School District, Mamaroneck Fire District #1, as well a portion of the Village of Mamaroneck and the Scarsdale Union Free School District.

Governmental operations of the Town are subject to the provisions of the State constitution and various statutes affecting local governments including Town Law, General Municipal Law and the Local Finance Law. Real property assessment and tax collection procedures are determined by the Westchester County Tax Law, a basic feature of which requires that the Town guarantee and enforce the real property taxes levied by the County as well as school districts situated in the Town. The Real Property Tax Law, in part, also governs certain assessment and taxing procedures for the Town. Under Article 3-A of the Town Law, the Town is classified as a suburban town.

Elected and Appointed Officials

The Town Board is the legislative, appropriating, governing and policy determining body of the Town and consists of four Board members, elected at large to serve four-year terms, plus the Supervisor. Board members may serve an unlimited number of terms. It is the responsibility of the Town Board to enact, by resolution, all legislation including ordinances and local laws. Annual operating budgets for the Town must be approved by the Supervisor and Town Board; modifications and transfers between budgetary appropriations also must be authorized by the Supervisor and Town Board on the recommendation of the Town Administrator and/or Comptroller. The original issuance of all Town indebtedness is subject to approval by the Town Board.

The Supervisor is the chief executive and financial officer of the Town and is elected for a two-year term of office with the right to succeed himself/herself. In addition, the Supervisor is a full member of and the presiding officer of the Town Board. The Supervisor and the Town Board appoint a Town Administrator who serves as chief operating officer of the Town. Duties of the Town Administrator include the administration of the Town's daily functions and budget preparation and control. The Comptroller is responsible for fiscal and treasury management and the management of the issuance of notes and bonds to finance Town various purposes.

The Town Clerk acts as the custodian of the Town's records as well as the clerk to the Town Board. Duties of this office include: recording and maintaining the minutes of the proceedings of the Town Board, issuing certain licenses and permits, and coordinating Town elections. The Town Clerk is elected to a four-year term and may serve an unlimited number of terms.

The Receiver of Taxes, Comptroller and Town Attorney are all appointed by the Supervisor and the Town Board. It is the responsibility of the Receiver of Taxes to receive and collect all County, Town and school taxes, and all assessments levied or assessed in the Town.

The Town Assessor is appointed by the Town Board, on the Supervisor’s recommendation, to serve a six-year term. It is the Assessor’s responsibility to appraise real property in the Town for the purpose of preparing and maintaining tax assessment rolls in the form prescribed by the State Board of Assessment and Equalization (“State Board”). The State Board is required annually to determine the assessment of each special franchise in the Town that is subject to assessment. In addition, the State Board provides an advisory service to assist with the assessment of certain forested lands, public utilities or unusually complex properties. Assessment review procedures include examination of the tentative assessment roll in the Assessor’s presence, a public hearing before an independent board of assessment review and, finally, judicial review in State Supreme Court.

Services and Programs

The Town provides its residents with many of the services traditionally provided by Town governments, including water, street maintenance and lighting, snow removal and recreational activities. Education is provided by the Mamaroneck School District and the Scarsdale School District. In addition, the County furnishes certain other services.

Fire protection is furnished by the Mamaroneck Fire District No. 1. Police protection is provided by the Town’s police department.

Pursuant to State Law, the County, not the Town, is responsible for funding and providing various social service and health care programs such as Medicaid, aid to the families with dependent children, home relief and mental health programs.

Employees

The Town provides services through approximately 132 full-time employees, some of whom are represented by the following units of organized labor.

<u>Employees</u>		
<u>Number of Employees</u>	<u>Contract Organization</u>	<u>Contract Expiration Date</u>
57	Civil Service Employees Association	12/31/24
36	Policemen’s Benevolent Association	12/31/24

Employee Pension Benefits

Substantially all employees of the Town are members of the New York State and Local Employees’ Retirement System (the “ERS”) or the New York State and Local Police and Fire Retirement System (collectively, the “Retirement System”). The Retirement System is a cost-sharing multiple public employer retirement system. The obligation of employers and employees to contribute and the benefits to employees are governed by the New York State Retirement and Social Security Law (the “Retirement System Law”). The Retirement System offers a wide range of plans and benefits which are related to years of service and final average salary, vesting of retirement benefits, death and disability benefits and optional methods of benefit payments. All benefits generally vest after ten years of credited service. The Retirement System Law generally provides that all participating employers in the Retirement System are jointly and severally liable for any unfunded amounts. Such amounts are collected through annual billings to all participating employers. Generally, all employees, except certain part-time employees, participate in the Retirement System. The Retirement System is non-contributory with respect to members hired prior to July 27, 1976 through and including December 31, 2009, must contribute three percent of their gross annual salary toward the costs of retirement programs until they attain ten years in the Retirement System, at which time

such contributions become voluntary. Members hired after January 1, 2010 must contribute three percent of their gross annual salary toward the costs of retirement programs for the duration of their employment

On December 10, 2009, a new Tier 5 was signed into law, which was effective for ERS employees hired after January 1, 2010 and before April 2, 2012. Tier 5 ERS employees contribute 3% of their salaries and there is no provision for these contributions to cease after a certain period of service.

Additionally on March 16, 2012, Governor Cuomo signed into law the new Tier 6 pension program, effective for ERS employees hired after April 1, 2012. The Tier 6 legislation provides for increased employee contribution rates of between 3% and 6%, an increase in the retirement age from 62 years to 63 years, a readjustment of the pension multiplier, and a change in the time period for final average salary calculation from 3 years to 5 years. Tier 6 employees vest in the system after ten years of employment and continue to make employee contributions throughout employment.

Pension reform enacted by New York State changed the billing cycle for employer contributions to the ERS retirement system to match budget cycles of the Town. Under the previous method, the Town was not provided with the required payment until after its budget was implemented. Under the reforms implemented, the employer contribution for a given fiscal year is based on the value of the pension fund on the prior April 1, instead of the following April 1. As a result, the Town is notified of and can include the actual cost of the employer contribution in its budget. The law also requires a minimum payment of 4.5% of payroll each year, including years in which investment performance of the fund would make a lower employer contribution possible. The pension payment date for all local governments was changed from December 15 to February 1.

The New York State Retirement System has advised the Town that municipalities can elect to make employer contribution payments in the December or the following February, as required. If such payments are made in the December prior to the scheduled payment date in February, such payments may be made at a discount amount. The Town has prepaid its employer contributions each December since the option was made available in 2004 and expects to do so in December 2024 for payments due February 2025.

Employer contribution rates for the State's Retirement System continue to be higher than the minimum contribution rate established by law. Contribution rates are expected to remain higher than the minimum contribution rates set by law in the near-term. To mitigate the expected increases in the employer contribution rate, legislation was enacted that permits local governments and school districts to borrow a portion of their required payments from the State pension plan. The legislation also requires those local governments and school districts, who decide to amortize their pension obligations pursuant to this law, to establish reserve accounts to fund payment increases that are a result of fluctuations in pension plan performance.

The Town has not in the past and does not have any plans to amortize any of its annual required contributions to ERS or PFRS. In Spring 2013, the State and ERS approved a Stable Contribution Option ("SCO"), which modified its existing SCO adopted in 2010, that gives municipalities the ability to better manage the spikes in Actuarially Required Contribution rates ("ARC"). The plan authorizes municipalities to pay the SCO amount in lieu of the ARC amount. The Town will not be participating in the modified ERS SCO plan at this time.

On September 14, 2023, the State Comptroller announced for Fiscal Year 2024-25, the average contribution rate for the ERS increased from 13.1% to 15.2%. and for PFRS increased from 27.8 % to 27.8 % to 31.2%. Projections for required contributions will vary by employer depending on factors such as retirement plans, salaries and the distribution of their employees among six retirement tiers. The employer contribution rates announced will apply to each employee's salary base during the period of April 1, 2024 through March 31, 2025. Payments based on those rates are due by February 1, 2025, but may be prepaid by December 15, 2024. The Town prepaid its ARC in December of 2023 and plans to prepay its contributions in December of 2024.

For the five years 2019 through 2023, the Town's contributions to the ERS and PFRS combined were: \$2,444,814, \$2,506,512, \$2,976,638, \$2,893,748 and \$3,065,538 respectively.

(The remainder of this page has intentionally been left blank.)

Other Post Employment Benefits

The Town implemented GASB Statement No. 75 (“GASB 75”) of the Governmental Accounting Standards Board (“GASB”), which replaces GASB Statement No. 45 as of fiscal year ended December 31, 2018. GASB 75 requires state and local governments to account for and report their costs associated with post-retirement healthcare benefits and other non-pension benefits, known as other post-employment benefits (“OPEB”). GASB 75 generally requires that employers account for and report the annual cost of OPEB and the outstanding obligations and commitments related to OPEB similarly to GASB Statement No. 68 reporting requirements for pensions.

GASB 75 requires state and local governments to measure a defined benefit OPEB plan as the portion of the present value of projected benefit payments to be provided to current active and inactive employees, attributable to past periods of service in order to calculate the total OPEB liability. Total OPEB liability generally is required to be determined through an actuarial valuation using a measurement date that is no earlier than the end of the employer’s prior fiscal year and no later than the end of the employer’s current fiscal year.

GASB 75 requires that most changes in the OPEB liability be included in OPEB expense in the period of the changes. Based on the results of an actuarial valuation, certain changes in the OPEB liability are required to be included in OPEB expense over current and future years.

The Town’s total OPEB liability as of December 31, 2023 was \$86,329,442 using a discount rate of 4.00% and actuarial assumptions and other inputs as described in the Town’s December 31, 2023 audited financial statements.

Should the Town be required to fund the total OPEB liability, it could have a material adverse impact upon the Town’s finances and could force the Town to reduce services, raise taxes or both. At the present time, however, there is no current or planned requirement for the Town to partially fund its OPEB liability.

At this time, New York State has not developed guidelines for the creation and use of irrevocable trusts or reserve funds for the funding of OPEB. As a result, the Town will continue funding this expenditure on a pay-as-you-go basis.

Legislation had been introduced in the prior legislative sessions to create an optional investment pool to help the State and local governments fund retiree health insurance and OPEB. The proposed legislation would authorize the creation of irrevocable OPEB trusts so that the State and its local governments can help fund their OPEB liabilities, establish an OPEB investment fund in the sole custody of the State Comptroller for the investment of OPEB assets of the State and participating eligible local governments, designate the president of the Civil Service Commission as the trustee of the State’s OPEB trust and the governing boards as trustee for local governments and allow school districts to transfer certain excess reserve balances to an OPEB trust once it is established. Under the proposed legislation, there would be no limits on how much a local government can deposit into the trust. Such legislation has not been considered for a full legislative approval and the Town cannot predict whether such legislation will be reintroduced and enacted into law in the foreseeable future.

FINANCIAL FACTORS

Impacts of COVID-19

On March 11, 2021, President Biden signed into law the American Rescue Plan Act of 2021. Included in this bill was \$350 billion in direct aid to state and local governments. Payments to local governments were made in two tranches, the first half 60 days after enactment and the second half one year later. The funding is available through, and must be spent by, the end of calendar year 2024. Specifically, eligible uses of the aid include: (i) revenue replacement for the provision of government services to the extent the reduction in revenue is due to the COVID-19 public health emergency relative to revenues collected in the most recent fiscal year prior to the emergency; (ii) premium pay for essential workers; (iii) assistance to small businesses, households, and hard-hit industries, and economic recovery; and (iv) investments in water, sewer and broadband infrastructure. The bill also contains two restrictions on eligible uses: (i) funds cannot be used to directly or indirectly offset tax reductions or delay a tax

increase; and (ii) funds cannot be deposited into any pension fund. The Town was notified on July 1, 2021, by the NYS Division of the Budget that the Town would be eligible for \$1,232,612 in ARPA payment from the Coronavirus Local Fiscal Recovery Fund. The Town received the first half of this payment in the latter part of July 2021 and the second payment was received in July 2022. The Town has appropriated the funds to be used for various capital projects and has expended \$1.0 million or 81% of the funding on eligible projects.

Budgetary Procedure

The head of each administrative unit of the Town is required to file detailed estimates of revenues (other than real property taxes) and expenditures for the next fiscal year with the Budget Officer (Town Administrator) on or before October 20th. Estimates for the fire district situated within the Town must also be filed with the Budget Officer by this date; however, the Town has no authority to change a fire district budget. The fire district is a separate municipal unit of government. After reviewing these estimates, the Budget Officer prepares a tentative budget which includes his recommendations. A budget message explaining the main features of the budget is also prepared at this time. The tentative budget is filed with the Town Clerk not later than the 30th of October. Subsequently, the Town Clerk presents the tentative budget to the Town Board at a regular or special hearing which must be held by November 10th. The Town Board reviews the tentative budget and makes such changes as it deems necessary and that are not inconsistent with the provisions of law. Following this review process, the tentative budget and such modifications, if any, as approved by the Board becomes the preliminary budget. A public hearing, notice of which must be duly published in the Town's official newspaper, on the preliminary budget is required to be held on or before the 10th day of December. At such hearing, any person may express his opinion concerning the preliminary budget; however, there is no requirement or provision that the preliminary budget or any portion thereof be voted on by members of the public. After the public hearing, the Town Board may further change and revise the preliminary budget. The Town Board, by resolution, adopts the preliminary budget as submitted or amended not later than December 20th, at which time, the preliminary budget becomes the annual budget of the Town for the ensuing fiscal year. Any changes or modifications to the annual budget must be approved by resolution of the Board.

The Tax Levy Limitation Law imposes a limitation on increases in the real property tax levy of the Town, subject to certain exceptions outlined in the law. All tax levies for budgets of the Town adopted in accordance with the procedures discussed herein must comply with the requirements of the Tax Levy Limitation Law. With the exception of the fiscal years ended December 31, 2013, December 31, 2014, December 31, 2017, December 31, 2019, December 31, 2022 and December 31, 2023, the Town has remained within the tax levy cap limits established by the Tax Levy Limitation and adopted a budget below the limits of the tax levy cap.

The tax levy in the Town's 2024 budget is above the State tax levy cap. Based upon the mandated formula, the Town's budgeted tax levy for fiscal year 2024 increased by 5.66%, exceeding the cap by 2.66%. The increase is a result of the Town's investments in services and capital projects, as well as a continuing change in strategy regarding the appropriation of fund balance. (See "TAX LEVY LIMITATION LAW" "Impacts of COVID-19" and "Appendix B" herein).

Independent Audits

The financial statements of the Town are audited by the firm of EFPR Group, CPAs, PLLC, independent certified public accountants. Appendix B to this Official Statement presents a summary of the audited financial statements for the fiscal years ended December 31, 2019 through 2023. In addition, the Town is subject to audit by the State Comptroller to review compliance with legal requirements and the rules and regulations established by the State. (See "THE STATE COMPTROLLER'S FISCAL STRESS MONITORING SYSTEM AND COMPLIANCE REVIEWS" herein.)

Fund Structures and Accounts

The Town utilizes fund accounting to record and report its various service activities. A fund represents both a legal and an accounting entity which segregates the transactions of specific programs in accordance with special regulations, restrictions or limitations.

There are two basic fund types: (1) governmental funds that are used to account for basic services, debt service and capital projects; and (2) fiduciary funds that account for assets held in a trustee capacity. Account groups, which do not represent funds, are used to record fixed assets and long-term obligations that are not accounted for in a specific fund.

The Town maintains the following governmental funds: General Fund, Special Revenue Funds consisting of Town Outside Village Fund, Highway Fund, Special Districts Fund (Water, Sewer, Street Lighting, Fire District, Refuse and Garbage District, and Ambulance District), Debt Service Fund, Capital Projects Fund, and Fiduciary Fund. The Tri-Municipal Cable T.V. Fund was closed in 2023 and related activity is recorded in the Town Outside Village Fund. The Section 8 Housing Assistance Program was transferred to the State and the fund was closed in 2024.

Basis of Accounting

The financial statements of the Town are prepared on the modified accrual basis of accounting. Under the modified accrual basis, revenues are recorded in the accounting period in which they are “measurable” and “available” to finance current operations. Property taxes are considered to be available if collected within 60 days of fiscal year end. Revenues susceptible to accrual include services to other governments, intergovernmental revenues and operating transfers. Expenditures are generally recognized under the modified accrual basis that is when the related fund liability is incurred. Exceptions to this general rule are (1) payments to employee retirement systems which are recorded in the general long-term obligations account group and recognized as an expenditure when due, (2) unmaturing interest on general long-term debt which is recognized as an expenditure when due and (3) compensated absences which are charged to expenditures when paid.

Revenues

Property Taxes. The Town derives a major portion of its revenues from a tax on real property (see “Statement of Revenues, Expenditures and Changes in Fund Balance” in Appendix B.) Property taxes accounted for 64.8% of total general fund and special fund revenues for the fiscal year ended, December 31, 2023, while State aid accounted for 2.7% and sales tax accounted for 7.2%.

The Town’s, major revenue sources have continued to grow. As of December 31, 2023, the Town’s sales tax revenue was \$3.3 million exceeding the budget by \$290,000. Mortgage tax revenues were \$1.2 million, below budget by \$441,000 or 28% as the housing market has significantly slowed down. (See “Sales Tax” “RISK FACTORS” and “Effect of COVID-19” herein.)

The following table sets forth total fund revenues and sale taxes received for each of the past five audited fiscal years and the budgeted amount for the current fiscal year.

State Aid. The Town receives financial assistance from the State. State Aid accounted for approximately 2.7% of the total fund revenues of the Town in the 2023 fiscal year. A substantial portion of the State aid received is directed to be used for specific programs.

If the State should experience difficulty in borrowing funds in anticipation of the receipt of State taxes in order to pay State aid to municipalities and school districts in the State, including the Town, in this year or future years, the Town may be affected by a delay in the receipt of State aid until sufficient State taxes have been received by the State to make State aid payments. Additionally, if the State should not adopt its budget in a timely manner, municipalities and school districts in the State, including the Town, may be affected by a delay in the payment of State aid.

The State is not constitutionally obligated to maintain or continue State aid to the Town. No assurance can be given that present State aid levels will be maintained in the future. State budgetary restrictions which eliminate or substantially reduce State aid could have a material adverse effect upon the Town, requiring either a counterbalancing increase in revenues from other sources to the extent available, or a curtailment of expenditures. (See also “RISK FACTORS” and “Appendix A – Certain Information Concerning the Town – FINANCIAL FACTORS – *Impacts of COVID-19*”.)

The Town relies in part on State aid to fund its operations. There can be no assurance that the State appropriation for State aid to municipalities will be continued in future years, either pursuant to existing formulas or in any form whatsoever. State aid appropriated and apportioned to the Town can be paid only if the State has such monies available therefor. The availability of such monies and the timeliness of such payment may also be affected by a delay in the adoption of the State budget, the impact to the State’s economy and financial condition due to the COVID-19 pandemic and other circumstances, including State fiscal stress. Should the Town fail to receive State aid expected from the State in the amounts or at the times expected, occasioned by a delay in the payment of such monies or by a reduction in State aid, the Town is authorized by the Local Finance Law to provide operating funds by borrowing on account of the uncollected State aid.

The State’s 2024-25 Executive Budget provides \$1.2 billion in support for local towns, villages and cities other than the City of New York.

Should the Town fail to receive State aid expected from the State in the amounts and at the times expected, occasioned by a delay in the payment of such monies or by a mid-year reduction in State aid, the Town is authorized by the Local Finance Law to provide operating funds by borrowing in anticipation of the receipt of uncollected State aid. State Aid accounted for approximately 2.7% of the total fund revenues of the Town in the 2023 fiscal year.

The following table sets forth total fund revenues and sales taxes received for each of the past five audited fiscal years and the budgeted amount for the current fiscal years.

Sales Tax. The Town receives a share of the County sales tax. The County presently imposes a 1 ½% County-wide sales and use tax on all retail sales. Additionally, the State, effective May 1, 2005, imposes a 4% State sales tax and a 3/8% sales tax levied in the Metropolitan Transportation Authority District. The cities in the County have the power under State law to impose by local law and State legislative enactment their own sales and use taxes. At present, such taxes are imposed at a rate of 2½% in the Cities of White Plains, Mount Vernon, New Rochelle, and Yonkers. The Cities of Rye and Peekskill do not impose such a sales tax.

In July 1991, the State Legislature authorized an additional 1% sales tax for the County to impose in localities other than cities which have their own sales tax. This additional 1% sales tax became effective on October 15, 1991 and has been extended through December 31, 2023. The additional 1% sales tax is to be apportioned between the County

(33 1/3%), school districts in the County (16 2/3%) and towns, villages and cities in the County which have imposed sales taxes (50%).

In February of 2004, the State Legislature authorized an increase of ½% to the additional 1% 1991 sales tax. The County retains 70% of this amount, the municipalities 20% and the school districts 10%. This increase became effective March 1, 2004 and expired on December 31, 2023.

Effective August 2019, the State Legislature authorized an increase of 1% to the additional ½% 2004 sales tax. The County retains 70% of this amount, the municipalities 20% and the school districts 10%. This increase expires on November 30, 2025.

The following table sets forth total fund revenues and sale taxes received for each of the past five audited fiscal years and budgeted amount for the current fiscal year.

TAX INFORMATION

Valuations and Tax Data

The Town derives its general power to levy an ad valorem real property tax from Article 8, Section 10 of the Constitution of the State of New York; however, towns in the State do not have a Constitutional tax limit. Town Law Section 115 provides the statutory authority of a town to levy ad valorem real property taxes, and does not provide for a limit similar to that found in Article 8 section of the Constitution. The Town is responsible for levying taxes for operating purposes and debt service. (See “TAX LEVY LIMITATION LAW” herein)

The following table shows the trend during the last five years for taxable assessed valuations, state equalization ratios, full valuations, real property taxes and real property tax rates per \$1,000 assessed valuation.

Tax Collection Procedures

The assessment and collection of real property taxes is governed by the Westchester County Tax Law as well as by the Real Property Tax Law of the State. Towns and cities in Westchester County are responsible to assess all real property within their boundaries, with the exception of franchised utility companies, and to collect all real property taxes. The Town collects all Town, County, fire district and school district taxes. It receives warrants for the collection of taxes from the County, from its fire districts and from each of its school districts. The Town then remits the amount of the County and individual fire and school district warrants at times set forth in the Westchester County Tax Law. The Town is required to remit the full amount of each warrant presented by the County or the individual fire or school districts, whether or not these sums are actually collected by the Town. The Town also has the responsibility for conducting in rem foreclosure proceedings.

Town, County, State judicial and special district taxes for the period from January 1 to December 31 are due in a single payment on April 1. Payment may be made without penalty until April 30, after which the penalty is 2% during May, 5% during June and July, 7% during August and September, 10% during October, November and December and 12% and 1% thereafter to the date of the tax lien redemption.

School taxes for the period from July 1 to June 30 are due on September 1, with the first half payable without penalty until September 30th, after which the penalty is 2% during October, 5% during November, 7% during December and January, 10% during February and March, and 12% thereafter to the date of the tax lien redemption. Second half school taxes are payable without penalty until January 31, after which the penalty is 10% during February and March, and 12% thereafter to date of the tax lien redemption.

The following table sets forth the amount of taxes levied and collected by the Town for the last five fiscal years.

TOWN INDEBTEDNESS

Constitutional and Statutory Requirements

The New York State Constitution and Local Finance Law limit the power of the Town (and other municipalities and school districts of the State) to issue obligations and to otherwise contract indebtedness. Such constitutional and statutory limitations include the following, in summary form.

Purpose and Pledge. The Town shall not give or loan any money or property to or in aid of any individual or private corporation or private undertaking or give or loan its credit to or in aid of any of the foregoing or any public corporation. The Town may contract indebtedness only for a Town purpose and shall pledge its faith and credit for the payment of principal of and interest thereon.

Payment and Maturity. Except for certain short-term indebtedness contracted in anticipation of taxes or to be paid within three fiscal year periods, indebtedness shall be paid in annual installments commencing no later than two years after the date such indebtedness shall have been contracted and ending no later than the expiration of the period of probable usefulness of the object or purpose as determined by statute. No installment may be more than fifty per centum in excess of the smallest prior installment unless the Town authorized the issuance of bonds with substantial level or declining annual debt service. The Town is required to provide an annual appropriation for the payment of interest due during the year on its indebtedness and for the amounts required in such year for amortization and redemption of its serial bonds, bond anticipation notes and capital notes.

Debt Limit. The Town has the power to contract indebtedness for any Town purpose so long as the outstanding principal amount thereof shall not exceed seven percentum of the average full valuation of taxable real estate of the Town and subject to certain enumerated exclusions and deductions such as water and certain sewer facilities and cash or appropriations for current debt service. The Town also has the power to contract indebtedness and guarantee indebtedness of its Housing Authority so long as the aggregate principal amount shall not exceed seven percentum of average full valuation of taxable real estate of the Town. (See “Town of Mamaroneck Housing Authority”

herein.) The constitutional method for determining full valuation is determined by taking the assessed valuation of taxable real estate for the last completed assessment roll and applying thereto the ratio which such assessed valuation bears to the full valuation as determined by the State Office of Equalization and Assessment. The State Legislature is required to prescribe the manner by which such ratio shall be determined. Average full valuation is determined by taking the sum of the full valuation of such last completed assessment roll and the four preceding assessment rolls and dividing such sum by five.

Statutory Procedure

In general, the State Legislature has, by the enactment of the Local Finance Law, authorized the power and procedure for the Town to borrow and incur indebtedness subject, of course, to the constitutional and statutory provisions set forth above. The power to spend money, however, generally derives from other law, including the Town Law.

Pursuant to the Local Finance Law, the Town authorizes the issuance of bonds by the adoption of a resolution, approved by the members of the Town Board, the finance board of the Town. Certain resolutions may be subject to permissive referendum, or may be submitted to the Town voters, at the discretion of the Town Board.

The Local Finance Law also provides that where a bond resolution is published with a statutory form of notice, the validity of the bonds authorized thereby, including bond anticipation notes issued in anticipation of the sale thereof, may be contested only if:

1. Such obligations are authorized for a purpose for which the Town is not authorized to expend money, or
2. There has not been substantial compliance with the provisions of law which should have been complied with in the authorization of such obligations and an action, suit, or proceeding contesting such validity, is commenced within twenty days after the date of such publication, or
3. Such obligations are authorized in violation of the provisions of the State Constitution.

Except on rare occasions the Town complies with this estoppel procedure. It is a procedure that is recommended by bond counsel, but it is not an absolute legal requirement.

Each bond resolution usually authorizes the construction, acquisition or installation of the object or purpose to be financed, sets forth the plan of financing and specifies the maximum maturity of the bonds subject to the legal (Constitution, Local Finance Law and case law) restrictions relating to the period of probable usefulness with respect thereto.

The Local Finance Law permits bond anticipation notes to be renewed each year provided annual principal installments are made in reduction of the total amount of such notes outstanding, commencing no later than two years from the date of the first of such notes and provided that such renewals do not extend five years beyond the original date of borrowing. (See "Payment and Maturity" under "Constitutional and Statutory Requirements" herein.)

In general, the Local Finance Law contains provisions providing the Town with power to issue certain other short-term general obligation indebtedness including budget notes, capital notes, revenue anticipation notes, and tax anticipation notes.

Town of Mamaroneck Housing Authority

The Town of Mamaroneck Housing Authority (the “Authority”) a municipal housing authority of the State of New York issued \$4,645,000 Hommocks Park Apartments Revenue Bonds, 1993 (the “1993 Authority Bonds”) to finance the cost of the construction by the Authority of a 54-unit garden style housing facility on land owned by and located in the Town (the “Project”). The Project is owned and operated by the Authority. The property on which the Project is located is owned by the Town and leased to the Authority. The Authority’s bonds are payable from the revenues of the Project. Payment of the principal and interest on the Authority’s Bonds is guaranteed by the Town pursuant to a Guarantee authorized pursuant to a resolution adopted by the Town Board. The Authority Bonds are not debt of the Town, County or State, except with respect to the Town pursuant to the Guarantee. The Town has never had to pay debt service on the Authority’s bonds pursuant to the Guarantee.

On March 23, 2003, the Authority issued \$4,005,000 Hommocks Park Apartment Refunding Revenue Bonds, 2003 (“2003 Authority Bonds”). The 2003 Authority Bonds were issued by the Authority to refund, prior to maturity, the Authority’s 1993 Bonds, which mature or matured in the years 2005 to 2021.

On October 22, 2015, the Authority issued \$1,535,000 Hommocks Park Apartment Refunding Revenue Bonds – 2015 Series A (the “2015A Authority Bonds”) and \$650,000 Hommocks Park Apartment Public Improvement Revenue Bonds – 2015 Series B (the “2015B Authority Bonds”). The 2015A Authority Bonds were issued by the Authority to refund, prior to maturity, the 2003 Authority Bonds, which mature or matured in the years 2016 through 2021, inclusive.

On March 29, 2023, the Authority issued \$2,800,000 Hommocks Park Apartment Revenue Bonds, 2023 (“2023 Authority Bonds”). The 2023 Authority Bonds were issued by the Authority to to finance the cost of replacement by the Authority of the windows and entry deckways and any other related capital improvements of the Hommocks Park Apartments.

The table below sets forth the total debt service payments required to be made on the outstanding Authority Bonds.

Installment Purchase Agreements

The Town currently does not have any installment purchase agreements and does not reasonably expect to enter into any installment purchase agreements in the near term.

Overlapping and Underlying Debt

The real property taxpayers of the Town are responsible for a proportionate share of outstanding debt obligations of the County, two Villages, the two school districts, and the fire district. Such taxpayers' share of this overlapping debt is based upon the amount of the Town's equalized property values taken as a percentage of each separate unit's total values. The table below sets forth both the total outstanding principal amount of debt issued by the Town and the approximate magnitude of the burden on taxable property in the Town of the debt issued and outstanding by such overlapping entities.

Utilities

The residents of the Town receive electricity and natural gas from the Consolidated Edison. The Town receives water from the Westchester Joint Waterworks (“WJWW”), which is a joint utility of the Town of Mamaroneck, the Village of Mamaroneck and the Town of Harrison. Capital projects of the WJWW do periodically require the issuance of debt by the Town for its pro rata share of the cost thereof.

Transportation

The Town is served by a transportation network consisting of all major forms of transportation. Several primary State and U.S. highways including the New England Thruway and the Hutchinson River Parkway run through the Town. The Metropolitan Transportation Authority provides passenger rail service via the New Haven Division of Metro-North. Air transportation is provided by the Westchester County Airport, as well as the three major New York metropolitan airports (Kennedy, LaGuardia and Newark), and the Stewart International Airport in Newburgh.

FORM OF BOND COUNSEL’S OPINION

Town of Mamaroneck,
County of Westchester,
State of New York

August 22, 2024

Re: Town of Mamaroneck, Westchester County, New York,
\$5,580,900 Public Improvement (Serial) Bonds, 2024 Series A

Ladies and Gentlemen:

We have been requested to render our opinion as to the validity of an issue of \$ 5,580,900 Public Improvement (Serial) Bonds, 2024 Series A (the “Obligations”), of the Town of Mamaroneck, Westchester County, New York (the “Obligor”), dated August 22, 2024, initially issued in registered form in denominations such that one bond shall be issued for each maturity of bonds in such amounts as hereinafter set forth, bearing interest at the rate of _____ hundredths per centum (_____%) per annum as to bonds maturing in each of the years 20____ to 20____, both inclusive, payable on August 15, 2025 and semi-annually thereafter on February 15 and August 15, and maturing in the amount of \$_____ on August 15, 2025, \$_____ on August 15, 2026, \$_____ on August 15, 2027, \$_____ on August 15, 2028, \$_____ on August 15, 2029, \$_____ on August 15, 2030, \$_____ on August 15, 2031, \$_____ on August 15, 2032, \$_____ on August 15, 2033, \$_____ on August 15, 2034, \$_____ on August 15, 2035, \$_____ on August 15, 2036, \$_____ on August 15, 2037, \$_____ on August 15, 2038 and \$_____ on August 15, 2039.

Obligations maturing on or before August 15, 2032 are not subject to redemption prior to maturity. Obligations maturing on or after August 15, 2033 are subject to redemption prior to maturity, at the option of the Obligor on August 15, 2032 and thereafter on any date, in whole or in part, and if in part in any order of their maturity and in any amount within a maturity selected by lot within a maturity), at a price equal to the par principal amount, plus accrued interest to the date of redemption.

We have examined:

- (1) the Constitution and statutes of the State of New York;
- (2) the Internal Revenue Code of 1986, including particularly Sections 103 and 141 through 150 thereof, and the applicable regulations of the United States Treasury Department promulgated thereunder (collectively, the “Code”);

(3) an arbitrage certificate executed on behalf of the Obligor which includes, among other things, covenants, relating to compliance with the Code, with the owners of the Obligations that the Obligor will, among other things, (i) take all actions on its part necessary to cause interest on the Obligations not to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Obligations and investment earnings thereon, making required payments to the Federal government, if any, and maintaining books and records in a specified manner, where appropriate, and (ii) refrain from taking any action which would cause interest on the Obligations to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Obligations and investment earnings thereon on certain specified purposes (the "Arbitrage Certificate"); and

(4) a certificate executed on behalf of the Obligor which includes, among other things, a statement that compliance with such covenants is not prohibited by, or violative of, any provision of local or special law, regulation or resolution applicable to the Obligor.

We also have examined a certified copy of proceedings of the finance board of the Obligor and other proofs authorizing and relating to the issuance of the Obligations, including the form of the Obligations. In rendering the opinions expressed herein we have assumed (i) the accuracy and truthfulness of all public records, documents and proceedings, including factual information, expectations and statements contained therein, examined by us which have been executed or certified by public officials acting within the scope of their official capacities, and have not verified the accuracy or truthfulness thereof, and (ii) compliance by the Obligor with the covenants contained in the Arbitrage Certificate. We also have assumed the genuineness of the signatures appearing upon such public records, documents and proceedings and the certifications thereof.

In our opinion:

- (a) The Obligations have been authorized and issued in accordance with the Constitution and statutes of the State of New York and constitute valid and legally binding general obligations of the Obligor, all the taxable real property within which is subject to the levy of ad valorem taxes to pay the Obligations and interest thereon, subject to applicable statutory limitations; provided, however, that the enforceability (but not the validity) of the Obligations: (i) may be limited by any applicable bankruptcy, insolvency or other law now existing or hereafter enacted by said State or the Federal government affecting the enforcement of creditors' rights, and (ii) may be subject to the exercise of judicial discretion in appropriate cases.
- (b) The Obligor has the power to comply with its covenants with respect to compliance with the Code as such covenants relate to the Obligations; provided, however, that the enforceability (but not the validity) of such covenants may be limited by any applicable bankruptcy, insolvency or other law now existing or hereafter enacted by said State or the Federal government affecting the enforcement of creditors' rights.
- (c) Interest on the Obligations is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, and is exempt from

personal income taxes imposed by the State of New York and any political subdivision thereof (including The City of New York). Interest on the Obligations is not a specific preference item for purposes of the federal individual alternative minimum tax. We observe that interest on the Bonds included in adjusted financial statement income of certain corporations is not excluded from the federal corporate alternative minimum tax. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Obligations.

Certain agreements, requirements and procedures contained or referred to in the Arbitrage Certificate and other relevant documents may be changed and certain actions (including, without limitation, economic defeasance of the Obligations) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. Accordingly, this opinion is not intended to, and may not, be relied upon in connection with any such actions, events or matters. Our engagement with respect to the Obligations has concluded with their issuance, and we disclaim any obligation to update this opinion. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents. Furthermore, we have assumed compliance with all covenants and agreements contained in the Arbitrage Certificate, including without limitation covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the Obligations to be included in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations under the Obligations and the Arbitrage Certificate and their enforceability may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against municipal corporations such as the Obligor in the State of New York. We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum, choice of venue, or waiver provisions contained in the foregoing documents.

The scope of our engagement in relation to the issuance of the Obligations has extended solely to the examination of the facts and law incident to rendering the opinions expressed herein. Such opinions are not intended and should not be construed to express or imply any conclusion that the amount of real property subject to taxation within the boundaries of the Obligor, together with other legally available sources of revenue, if any, will be sufficient to enable the Obligor to pay the principal of or interest on the Obligations as the same respectively become due and payable. Reference should be made to the Official Statement prepared by the Obligor in relation to the Obligations for factual information which, in the judgment of the Obligor, could materially affect the ability of the Obligor to pay such principal and interest. While we have participated in the preparation of such Official Statement, we have not verified the accuracy, completeness or fairness of the factual information contained therein and, accordingly, we express no opinion as to whether the Obligor, in connection with the sale of the Obligations, has made any untrue statement of a material fact or omitted to state a material fact

necessary in order to make any statements made, in the light of the circumstances under which they were made, not misleading.

Very truly yours,

/S/ORRICK, HERRINGTON & SUTCLIFFE LLP

Re: Town of Mamaroneck, Westchester County, New York,
\$6,250,500 Public Improvement (Serial) Bonds, 2024 Series B

Ladies and Gentlemen:

We have been requested to render our opinion as to the validity of an issue of \$ 6,250,500 Public Improvement (Serial) Bonds, 2024 Series A (the “Obligations”), of the Town of Mamaroneck, Westchester County, New York (the “Obligor”), dated August 22, 2024, initially issued in registered form in denominations such that one bond shall be issued for each maturity of bonds in such amounts as hereinafter set forth, bearing interest at the rate of _____ hundredths per centum (_____%) per annum as to bonds maturing in each of the years 20____ to 20_____, both inclusive, payable on August 15, 2025 and semi-annually thereafter on February 15 and August 15, and maturing in the amount of \$_____ on August 15, 2025, \$_____ on August 15, 2026, \$_____ on August 15, 2027, \$_____ on August 15, 2028, \$_____ on August 15, 2029, \$_____ on August 15, 2030, \$_____ on August 15, 2031, \$_____ on August 15, 2032, \$_____ on August 15, 2033, \$_____ on August 15, 2034, \$_____ on August 15, 2035, \$_____ on August 15, 2036, \$_____ on August 15, 2037, \$_____ on August 15, 2038, \$_____ on August 15, 2039, \$_____ on August 15, 2040, \$_____ on August 15, 2041, \$_____ on August 15, 2042, \$_____ on August 15, 2043, \$_____ on August 15, 2044, \$_____ on August 15, 2045, \$_____ on August 15, 2046, \$_____ on August 15, 2047, \$_____ on August 15, 2048, \$_____ on August 15, 2049, \$_____ on August 15, 2050, \$_____ on August 15, 2051, \$_____ on August 15, 2052, \$_____ on August 15, 2053, and \$_____ on August 15, 2054,

Obligations maturing on or before August 15, 2032 are not subject to redemption prior to maturity. Obligations maturing on or after August 15, 2033 are subject to redemption prior to maturity, at the option of the Obligor on August 15, 2032 and thereafter on any date, in whole or in part, and if in part in any order of their maturity and in any amount within a maturity selected by lot within a maturity), at a price equal to the par principal amount, plus accrued interest to the date of redemption.

We have examined:

- (1) the Constitution and statutes of the State of New York;
- (2) the Internal Revenue Code of 1986, including particularly Sections 103 and 141 through 150 thereof, and the applicable regulations of the United States Treasury Department promulgated thereunder (collectively, the “Code”);
- (3) an arbitrage certificate executed on behalf of the Obligor which includes, among other things, covenants, relating to compliance with the Code, with the owners of the Obligations that the Obligor will, among other things, (i) take all actions on its part necessary to cause interest on the Obligations not to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Obligations and investment earnings thereon, making required payments to the Federal government, if any, and maintaining books and records in a specified manner, where appropriate, and (ii) refrain from taking any action which would cause interest on the Obligations to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Obligations and investment earnings thereon on certain specified purposes (the “Arbitrage Certificate”); and
- (4) a certificate executed on behalf of the Obligor which includes, among other things, a statement that compliance with such covenants is not prohibited by, or violative of, any provision of local or special law, regulation or resolution applicable to the Obligor.

We also have examined a certified copy of proceedings of the finance board of the Obligor and other proofs authorizing and relating to the issuance of the Obligations, including the form of the Obligations. In rendering the opinions expressed herein we have assumed (i) the accuracy and truthfulness of all public records, documents and proceedings, including factual information, expectations and statements contained therein, examined by us which have been executed or certified by public officials acting within the scope of their official capacities, and have not verified the accuracy or truthfulness thereof, and (ii) compliance by the Obligor with the covenants contained in the Arbitrage Certificate. We also have assumed the genuineness of the signatures appearing upon such public records, documents and proceedings and the certifications thereof.

In our opinion:

- (a) The Obligations have been authorized and issued in accordance with the Constitution and statutes of the State of New York and constitute valid and legally binding general obligations of the Obligor, all the taxable real property within which is subject to the levy of ad valorem taxes to pay the Obligations and interest thereon, subject to applicable statutory limitations; provided, however, that the enforceability (but not the validity) of the Obligations: (i) may be limited by any applicable bankruptcy, insolvency or other law now existing or hereafter enacted by said State or the Federal government affecting the enforcement of creditors’ rights, and (ii) may be subject to the exercise of judicial discretion in appropriate cases.

- (b) The Obligor has the power to comply with its covenants with respect to compliance with the Code as such covenants relate to the Obligations; provided, however, that the enforceability (but not the validity) of such covenants may be limited by any applicable bankruptcy, insolvency or other law now existing or hereafter enacted by said State or the Federal government affecting the enforcement of creditors' rights.
- (c) Interest on the Obligations is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, and is exempt from personal income taxes imposed by the State of New York and any political subdivision thereof (including The City of New York). Interest on the Obligations is not a specific preference item for purposes of the federal individual alternative minimum tax. We observe that interest on the Bonds included in adjusted financial statement income of certain corporations is not excluded from the federal corporate alternative minimum tax. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Obligations.

Certain agreements, requirements and procedures contained or referred to in the Arbitrage Certificate and other relevant documents may be changed and certain actions (including, without limitation, economic defeasance of the Obligations) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. Accordingly, this opinion is not intended to, and may not, be relied upon in connection with any such actions, events or matters. Our engagement with respect to the Obligations has concluded with their issuance, and we disclaim any obligation to update this opinion. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents. Furthermore, we have assumed compliance with all covenants and agreements contained in the Arbitrage Certificate, including without limitation covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause interest on the Obligations to be included in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations under the Obligations and the Arbitrage Certificate and their enforceability may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against municipal corporations such as the Obligor in the State of New York. We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum, choice of venue, or waiver provisions contained in the foregoing documents.

The scope of our engagement in relation to the issuance of the Obligations has extended solely to the examination of the facts and law incident to rendering the opinions expressed herein. Such opinions are not intended and should not be construed to express or imply any conclusion that the amount of real property subject to taxation within the boundaries of the Obligor, together with other legally available sources of revenue, if any, will be sufficient to enable the Obligor to pay the principal of or interest on the Obligations as the same respectively

become due and payable. Reference should be made to the Official Statement prepared by the Obligor in relation to the Obligations for factual information which, in the judgment of the Obligor, could materially affect the ability of the Obligor to pay such principal and interest. While we have participated in the preparation of such Official Statement, we have not verified the accuracy, completeness or fairness of the factual information contained therein and, accordingly, we express no opinion as to whether the Obligor, in connection with the sale of the Obligations, has made any untrue statement of a material fact or omitted to state a material fact necessary in order to make any statements made, in the light of the circumstances under which they were made, not misleading.

Very truly yours,
